Seeding/Inclusion/Deletion etc. in ERMS

It has already been informed to Ravi, CMC (SLA) that all the EPIC SRDH data collected till now and feed back data with complete drill down database needs to be incorporated in ERMS and all future actions like deletion/inclusion/seeding etc. should be carried out in ERMS.

The shifting will be carried out after ERO verification for the existing data is over. Tentative cut off date is 15th July, 2015 by each ERO should be in a position to enter data of entry of Aadhaar, entry of feed back, generation of reports, notices, removal of ineligible voters on various grounds.

All the reports that are being provided currently from the EPIC Aadhaar system should also be provided from the ERMS.

The process of demographic verification should also be provided in the proposed 'add on' module in ERMS as is being currently done in EPIC Aadhaar SRDH.

Make provision for providing PDF in which the EPIC data and Aadhaar data are displayed side by side.

OFFICE OF THE CHIEF ELECTORAL OFFICER,
ANDHRA PRADESH & TELANGANA
South 'H' Block, A.P. Secretariat, Hyderabad.

Letter No. 736/Elecs.E/A2/2015-83 Dated: 22.05.2015

To
The Director General & Mission Director,
Unique Identification Authority of India (UIDAI),
Government of India
3rd Floor, Tower II
Jeevan Bharati Building,
Connaught Circus,
New Delhi – 110001

Sir,

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) launched by the Election Commission of India – Aadhaar seeding in EPIC database – Providing of DSDV tool - Regarding.

--:o0o:--

You are aware that linking of EPIC with the Aadhar number is being taken up in Andhra Pradesh and Telangana States through SRDH application. M/s.eCentric Solutions Pvt.Ltd., an identified agency for taking up the project by the ITE&C Department have customized the application for seeding the Aadhaar in the electoral roll database and the same has been hosted on ITE&C servers along with the EPIC database.

It is informed that Aadhaar with any address in the country can be accepted for linking with EPIC and it is not required to have Aadhaar Card with the same address as in the case of EPIC. As per the election laws, for the registration of electors, the basic qualifications are (1) completion of 18 years, (2) ordinary resident of the constituency and (3) citizen of India.

Around 8.5% of the Aadhaar, the data is not available in SRDH, which is posing obstacle in validation of Aadhaar and seeding in EPIC database. As the SRDH is not having non-consent data of Aadhaar and UID in respect of EIDs as well as the Aadhaar issued in other States, such Aadhaars are not being seeded in EPIC database. To overcome this, the DSDV tool, which is developed by UIDAI may be made available to Registrar, ITE&C Dept., Government of Andhra Pradesh at the earliest.

(P.T.O.)

I, therefore, request you to consider the issue at an early date and extend the facility by giving DSDV tool, so that the Aadhaar-EPIC linking in both the States of Andhra Pradesh and Telangana would be fully completed at the earliest.

Yours faithfully,
Sd/-

MINUTES OF THE VIDEO CONFERENCE HELD BY THE CHIEF ELECTORAL OFFICER, HYDERABAD ON 30.06.2015 FROM 3.00 P.M. TO 5.00 P.M. WITH ALL THE DISTRICT ELECTION OFFICERS AND ELECTORAL REGISTRATION OFFICERS ON NERPAP

--:o0o:--

The Chief Electoral Officer, Andhra Pradesh and Telangana, has ~~convened~~ conducted video conference with all the District Election Officers and Electoral Registration Officers of Andhra Pradesh and Telangana State ~~(Except Adilabad)~~ on 30.06.2015 to review the ongoing NERPAP Programme, disposal of pending claims & objections and revision of last part of the electoral rolls.

2. At the outset, the CEO has congratulated all the District Election Officers / Electoral Registration Officers for their efforts to complete cent percent verification of electors. CEO has also stated that in some districts, there is large pendency at ERO level and this needs to be expedited. While mentioning the categories of feedback reported by the BLOs during door to door verification i.e., dead / shifted / door locked / ineligible / duplicate, CEO has stated that the ~~shifted~~ door locked cases shall be re-verified by visiting the houses of the electors on different timings in morning and evening, all such cases shall be dealt with according to the law ~~and~~ in order to complete the cent percent linking of Aadhaar at the earliest duly purifying the electoral roll. If the elector is not found at the address, the BLO shall collect the Form-6 from the new entrant or the details from the person residing in the same house in place of shifted elector and indicate the name of the present person residing in place of shifted elector in the notices to be served on the shifted electors. CEO has also stated that the Commission will visit the district ~~who~~ which be invited to achieved the saturation of Aadhaar linking and purified electoral roll.

3. CEO has also stated that number of complaints are being received in this office that the applications filed for registration / correction are not being disposed of

by the Electoral Registration Officers concerned and they are kept pending for months together and EPICs are not being issued. Even though, instructions were issued that the pending applications of Form-6, 7, 8 & 8A shall also be got verified by the BLOs during the door-to-door verification itself, large number of applications are still pending for disposal at BLO / ERO level and requested to dispose all applications pending and ensure that no application received till 30.06.2015 is kept pending beyond 10.07.2015.

4. The CEO has reviewed the progress of the NERPAP programme, construction of EVM Godown and revision of last part of the electoral roll with each district official and has asked the District Election Officers to give specific completion date of the programme, so as to apprise the Commission, who is visiting Hyderabad on 01.07.2015 and 2.7.2015.

5. Accordingly, all the District Election Officers have given commitment that they will complete the cent percent linking of EPIC with Aadhaar duly cleansing the electoral rolls by weeding out the shifted / duplicate / ineligible / dead electors by the dates indicated against each as below:

Name of the District		Date by which the cent percent linking of Aadhaar to be completed

MINUTES OF THE VIDEO CONFERENCE HELD BY THE CHIEF ELECTORAL OFFICER, HYDERABAD ON 30.06.2015 FROM 3.00 P.M. TO 5.00 P.M. WITH ALL THE DISTRICT ELECTION OFFICERS AND ELECTORAL REGISTRATION OFFICERS ON NERPAP

--:o0o:--

The Chief Electoral Officer, Andhra Pradesh and Telangana, has conducted video conference with all the District Election Officers and Electoral Registration Officers of Andhra Pradesh and Telangana State on 30.06.2015 to review the ongoing NERPAP Programme, disposal of pending claims & objections and revision of last part of the electoral rolls.

2. At the outset, the CEO has congratulated all the District Election Officers / Electoral Registration Officers for their efforts to complete cent percent verification of electors. CEO has also stated that in some districts, there is large pendency at ERO level and this needs to be expedited. While mentioning the categories of feedback reported by the BLOs during door to door verification i.e., dead / shifted / door locked / ineligible / duplicate, CEO has stated that the door locked cases shall be re-verified by visiting the houses of the electors on different timings in morning and evening, all such cases shall be dealt with according to the law in order to complete the cent percent linking of Aadhaar at the earliest duly purifying the electoral roll. If the elector is not found at the address, the BLO shall collect the Form-6 from the new entrant or the details from the persons residing in the same house in place of shifted elector and indicate the name of the present persons residing in place of shifted elector in the notices to be served on the shifted electors. CEO has also stated that the Commission will be invited to visit the district, which achieved the saturation of aadhaar linking and purified electoral roll.

3. CEO has also stated that number of complaints are being received in this office that the applications filed for registration / correction are not being disposed of by the Electoral Registration Officers concerned and they are kept pending months together and EPICs are not being issued. Even though, instructions were issued that the pending applications of Form-6, 7, 8 & 8A shall also be got verified by the BLOs during the door to door verification itself, large number of applications are still pending for disposal at BLO / ERO level and requested to dispose of all applications pending and ensure that no application received till 30.06.2015 is kept pending beyond 10.07.2015.

4. The CEO has reviewed the progress of the NERPAP, construction of EVM Godowns and revision of last part of the electoral roll with each district and has asked the District Election Officers to give specific completion date of the programme, so as to apprise the Commission visiting Hyderabad on 01.07.2015 and 2.7.2015.

(P.T.O.)

5. Accordingly all the District Election Officers have given commitment that they will complete the cent percent linking of EPIC with Aadhaar duly cleansing the electoral rolls by weeding out the shifted / duplicate / ineligible / dead electors by the dates indicated against each as below:

Sir,

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) launched by the Election Commission of India – EPIC-Aadhaar Linkage – Sharing of PDS database - Regarding.

–:o0o:–

You are aware that linking of EPIC with the Aadhar number is being taken up in the State through SRDH application. During door to door verification by the BLOs, it has been found that there are number of electors not enrolled with Aadhaar / shifted etc., Thus, only to the extent of 65% of the total electors have been linked with Aadhaar and remaining could not be linked due to various reasons. According to the information furnished by the UIDAI, the coverage of Aadhaar is more than 95% and Aadhaar has been linked to PDS database.

In order to link all the electors with Aadhaar database and as it could not be obtained during the door to door verification, it is proposed to obtain the Aadhaar number from the PDS database.

I, therefore, request you to share the PDS (Ration Card) database so as to link the remaining electors with Aadhaar. It is requested to ask the technical staff handling database to contact

[P.T.O]

Mr.Chiranjeevi, Project Manager (IT) (Mobile No.9959558411) of this office in this regard.

Sir,

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) launched by the Election Commission of India – EPIC-Aadhaar Linkage – Sharing of PDS database - Regarding.

--:o0o:--

You are aware that linking of EPIC with the Aadhar number is being taken up in the State through SRDH application. During door to door verification by the BLOs, it has been found that there are number of electors not enrolled with Aadhaar / shifted etc., Thus, only to the extent of 65% of the total electors have been linked with Aadhaar and remaining could not be linked due to various reasons. According to the information furnished by the UIDAI, the coverage of Aadhaar is more than 95% and Aadhaar has been linked to PDS database.

In order to link all the electors with Aadhaar database and as it could not be obtained during the door to door verification, it is proposed to obtain the Aadhaar number from the PDS database.

Dear Sir

Sub: Mass scale deletion of names of voters in Hyderabad District as part of Aadhar-EPIC linkage programme– complaint– reg.

The Greater Hyderabad Municipal Corporation, which is designated as the district election authority by the ECI in respect of Hyderabad revenue district, has taken up an exercise for large-scale deletion of names of eligible voters in the twin cities of Hyderabad-Secunderabad on the ground that they "shifted" their residence or their houses were found door-locked.

According to latest data, as many as 18.30 lakh voters in Hyderabad district have been marked out for deletion of their names while the verification of another 4.86 lakh voters is yet to be completed. Hyderabad district has 40.98 lakh voters as per the special summary revision undertaken by the electoral authorities in November-December 2014. The deletion of names of 20 lakh-odd voters would create a dubious record of sorts with names of 50 percent eligible voters struck off the electoral rolls by the authorities in an arbitrary manner.

We may point out that that we have represented to your esteemed self earlier too on the issue of Aadhar seeding of EPICs in Hyderabad and adjoining districts. The district election officer, Hyderabad (that is, the Commissioner, GHMC) has ordered for door-to-door verification through the Booth Level Officers (BLOs) forcollection

of Aadhar details and inclusion of Aadhar numbers in the electoral rolls. The scope of the Aadhar seeding exercise was extended to identification of the shifted/ dead or 'incligible' voters and for deletion of multiple entries and for correction of errors in the rolls. The programme commenced on 1st April 2015 in AP and Telangana and it was scheduled to be completed by 30th June 2015.

The Aadhar-seeding and verification campaign started on a slow note and later the authorities began exerting pressure on the erring BLOs to complete the task expeditiously. The authorities have faced several issues with the BLOs not attending to their job properly. Moreover, many BLOs found it difficult to attend to their work and hence resorted to "ghost verification" whereby they randomly marked out the names for deletion on ground of "shifted/ door-locked."

Lakhs of voters in Hyderabad have not been approached by their BLOs since no one visited their houses during the Aadhar seeding campaign. In many cases, the BLOs were also not familiar with the areas coming under their booths (polling stations) and thus had another reason to indulge in "ghost verification." This partly explains the large number of voters marked for deletion on account of purportedly "shifting" their residences or keeping their houses "door-locked."

The BLOs could get Aadhar details of only 11.61 lakh voters out of 40.98 lakhs. The fact is that as many as 46.23 lakh persons above 18 years of age have Aadhar cards in Hyderabad district. This also shows how the BLOs manipulated the data and came up with names for deletions without actually collecting the Aadhar or other details.

Based on the lists furnished by the BLOs, the Electoral Registration Officers of the 15 Assembly constituencies in Hyderabad district have begun issuing notices to the "shifted" electors for deletion of their names from the rolls. Thus, 18 lakh-odd

voters have been issued notices under the provisions of Section 22 of the Representation of People Act and Rule 21 A of Registration of Electors Rules on the ground that they were found absent from their place of ordinary residence for the last more than six months."

In the pre-dated notices, the persons are asked to appear before the ERO on a designated pre-date! Further, the BLOs are supposed to collect "acknowledgement" from those who were found to be "absent." The fact is there was no provision on the Aadhar linkage slips to mark out the period of absence of the "shifted" or "door-locked" voters. In a large number of cases, the residents were shell-shocked to get the notices pasted on their houses for deletion of their names on the ground that they "shifted" or found absent while they were very much ordinarily resided in their houses.

In this backdrop, we would like to lodge our strong protest over the arbitrary action of the electoral authorities, functioning under the GHMC Commissioner who is ex-officio District Election Officer for Hyderabad, for issuing notices for mass deletions of names of over 20 lakh voters (or almost 50 percent of the total electors in Hyderabad district) in the guise of Aadhar seeding through the EROs of the assembly constituencies.

This move of the authorities raises concerns since the elections to the Greater Hyderabad Municipal Corporation are slated to be held in December 2015. It may be mentioned that the ECI rolls are adopted by the State Election Commission of Telangana State for the local bodies elections. Hence, the issue of mass deletions has caused concern to the political parties like ours since the proportion of deletions is much higher in the eight Assembly constituencies in the twin cities represented by our party--AIMIM—MLAs in Telangana State Legislature.

Hence, in the name of linking EPICs with Aadhar cards, the authorities in Hyderabad are resorting to arbitrary and uncalled-for deletion of names of lakhs of elieigible voters. We demand that this exercise should be scrapped immediately.We request your esteemed self to direct the CEO, AP and Telangana, and the District Electoral Officer of Hyderabad District (namely, GHMC Commissioner) to desist from deletion of names of thousands and lakhs of voters on the alleged ground of shifting of residence or non-production of Aadhar details. We would also request you to please direct the CEO/DEO to initiate action against the erring BLOs and EROs who manipulated the data and resorted to large-scale deletion of names of genuine voters.

Sir,

Sub:- Electoral Rolls – Aadhaar linking with Electoral Roll / EPIC database – Linking through CSCs - Meeting on 08.07.2015 at 3 00 p.m. – Reg.

--:o0o:--

You are aware that linking of EPIC with the Aadhar number is being taken up in the State through SRDH application. During door to door verification by the BLOs, it has been found that there are number of electors not enrolled with Aadhaar / shifted etc., Thus, only to the extent of 65% of the total electors have been linked with Aadhaar and remaining could not be linked due to various reasons. According to the information furnished by the UIDAI, the coverage of Aadhaar is more than 95% and Aadhaar has been linked to PDS database.

It is, therefore, decided to adopt other strategies for collection and seeding of aadhaar in EPIC database, among which, utilization of CSCs run by eSeva / APOnline in Andhra Pradesh and Telangana States.

[P.T.O]

In order to discuss the issue on utilization of CSCs for collection and seeding of Aadhaar in EPIC database, a meeting with the Directors of EDS, eSeva of AP and Telangana and the CEO, APOnline is fixed on 08.07.2015 at 3.00 p.m. by the Chief Electoral Officer, AP & Telangana in his chambers at Ground Floor, South 'H' Block, A.P.Secretariat.

Dear Sir

Sub: Mass scale deletion of names of voters in Hyderabad District as part of Aadhar-EPIC linkage programme– complaint– reg.

The Greater Hyderabad Municipal Corporation, which is designated as the district election authority by the ECI in respect of Hyderabad revenue district, has taken up an exercise for large-scale deletion of names of eligible voters in the twin cities of Hyderabad-Secunderabad on the ground that they "shifted" their residence or their houses were found door-locked.

According to latest data, as many as 18.30 lakh voters in Hyderabad district have been marked out for deletion of their names while the verification of another 4.86 lakh voters is yet to be completed. Hyderabad district has 40.98 lakh voters as per the special summary revision undertaken by the electoral authorities in November-December 2014. The deletion of names of 20 lakh-odd voters would create a dubious record of sorts with names of 50 percent eligible voters struck off the electoral rolls by the authorities in an arbitrary manner.

We may point out that that we have represented to your esteemed self earlier too on the issue of Aadhar seeding of EPICs in Hyderabad and adjoining districts. The district election officer, Hyderabad (that is, the Commissioner, GHMC) has ordered for door-to-door verification through the Booth Level Officers (BLOs) forcollection

of Aadhar details and inclusion of Aadhar numbers in the electoral rolls. The scope of the Aadhar seeding exercise was extended to identification of the shifted/ dead or 'ineligible' voters and for deletion of multiple entries and for correction of errors in the rolls. The programme commenced on 1st April 2015 in AP and Telangana and it was scheduled to be completed by 30th June 2015.

The Aadhar-seeding and verification campaign started on a slow note and later the authorities began exerting pressure on the erring BLOs to complete the task expeditiously. The authorities have faced several issues with the BLOs not attending to their job properly. Moreover, many BLOs found it difficult to attend to their work and hence resorted to "ghost verification" whereby they randomly marked out the names for deletion on ground of "shifted/ door-locked."

Lakhs of voters in Hyderabad have not been approached by their BLOs since no one visited their houses during the Aadhar seeding campaign. In many cases, the BLOs were also not familiar with the areas coming under their booths (polling stations) and thus had another reason to indulge in "ghost verification." This partly explains the large number of voters marked for deletion on account of purportedly "shifting" their residences or keeping their houses "door-locked."

The BLOs could get Aadhar details of only 11.61 lakh voters out of 40.98 lakhs. The fact is that as many as 46.23 lakh persons above 18 years of age have Aadhar cards in Hyderabad district. This also shows how the BLOs manipulated the data and came up with names for deletions without actually collecting the Aadhar or other details.

Based on the lists furnished by the BLOs, the Electoral Registration Officers of the 15 Assembly constituencies in Hyderabad district have begun issuing notices to the "shifted" electors for deletion of their names from the rolls. Thus, 18 lakh-odd

voters have been issued notices under the provisions of Section 22 of the Representation of People Act and Rule 21 A of Registration of Electors Rules on the ground that they were found absent from their place of ordinary residence for the last more than six months."

In the pre-dated notices, the persons are asked to appear before the ERO on a designated pre-date! Further, the BLOs are supposed to collect "acknowledgement" from those who were found to be "absent." The fact is there was no provision on the Aadhar linkage slips to mark out the period of absence of the "shifted" or "door-locked" voters. In a large number of cases, the residents were shell-shocked to get the notices pasted on their houses for deletion of their names on the ground that they "shifted" or found absent while they were very much ordinarily resided in their houses.

In this backdrop, we would like to lodge our strong protest over the arbitrary action of the electoral authorities, functioning under the GHMC Commissioner who is ex-officio District Election Officer for Hyderabad, for issuing notices for mass deletions of names of over 20 lakh voters (or almost 50 percent of the total electors in Hyderabad district) in the guise of Aadhar seeding through the EROs of the assembly constituencies.

This move of the authorities raises concerns since the elections to the Greater Hyderabad Municipal Corporation are slated to be held in December 2015. It may be mentioned that the ECI rolls are adopted by the State Election Commission of Telangana State for the local bodies elections. Hence, the issue of mass deletions has caused concern to the political parties like ours since the proportion of deletions is much higher in the eight Assembly constituencies in the twin cities represented by our party—AIMIM—MLAs in Telangana State Legislature.

Hence, in the name of linking EPICs with Aadhar cards, the authorities in Hyderabad are resorting to arbitrary and uncalled-for deletion of names of lakhs of eligible voters. We demand that this exercise should be scrapped immediately.We request your esteemed self to direct the CEO, AP and Telangana, and the District Electoral Officer of Hyderabad District (namely, GHMC Commissioner) to desist from deletion of names of thousands and lakhs of voters on the alleged ground of shifting of residence or non-production of Aadhar details. We would also request you to please direct the CEO/DEO to initiate action against the erring BLOs and EROs who manipulated the data and resorted to large-scale deletion of names of genuine voters.

With warm regards,

Yours sincerely

Sir,

Sub:- Electoral Rolls – Aadhaar linking with Electoral Roll / EPIC database – Linking through CSCs - Meeting **on 09.07.2015 at 3.00 p.m.** – Reg.

--:o0o:--

You are aware that linking of EPIC with the Aadhar number is being taken up in the State through SRDH application. During door to door verification by the BLOs, it has been found that there are number of electors not enrolled with Aadhaar / shifted etc., Thus, only to the extent of 65% of the total electors have been linked with Aadhaar and remaining could not be linked due to various reasons. According to the information furnished by the UIDAI, the coverage of Aadhaar is more than 95% and Aadhaar has been linked to PDS database.

2. It is, therefore, decided to adopt other strategies for collection and seeding of aadhaar in EPIC database, among which, utilization of CSCs run by eSeva / APOnline in Andhra Pradesh and Telangana States.

3. In order to discuss the issue on utilization of CSCs for collection and seeding of Aadhaar in EPIC database, a meeting with the Directors of EDS, eSeva of AP and Telangana and the CEO, APOnline is fixed on 09.07.2015 at 3.00 p.m. by the Chief Electoral Officer, AP & Telangana in his chambers at Ground Floor, South 'H' Block, A.P.Secretariat.

In order to discuss the issue of utilization of CSCs run by eSeva / APOnline in Andhra Pradesh and Telangana States for collection of Aadhaar number from the electors who have not linked so far and seeding of Aadhaar in EPIC database, a meeting with the officials of eSeva of AP and Telangana and APOnline has been convened on 09.07.2015 at 3.00 p.m. by the Chief Electoral Officer, AP & Telangana.

The CEO ~~and Addl.CEO~~ have explained the process of collection and seeding of Aadhaar in EPIC database, which requires web service from e-Seva. The Addl.CEO has also brought to the notices of the representatives that many complaints are being received from the electors stating that excess amount is collected than the prescribed amount of Rs.10/- for black & white EPIC and Rs.25/- for PVC EPIC and requested to curb such instances, which damage the reputation of the Election Commission and take stringent action against the service providers. E-Seva and APOnline representatives have agreed to provide the service of collection of aadhaar number from the elector and seeding it in EPIC database duly fetching and tallying the details from EPIC / Aaddhar databases. They have also assured that required web service will be provided within three days after discussing the matter with the technical persons of O/o.CEO. They have requested to fix an amount of Rs.10/- per each Aadhaar seeded.

[P.T.O]

After detailed discussion, the following decisions have been taken:

i) To fix an amount of Rs.5/- + Service Tax per each Aadhaar seeded

ii) No amount shall be collected from the elector and the entire amount will be reimbursed by the O/o.CEO based on the turnout. Amount will not be paid for data entry of Aadhaar for the records already seeded.

iii) Stringent action should be taken against the service providers who are collecting the excess amount than the fixed amount for issue of B&W EPIC / PVC EPIC.

iv) Updated lists of e-Seva Centres, which provides EPIC services shall be provided to the O/o.CEO

v) Development of software / web service for collection of Aadhaar number from the electors who have not linked so far and seeding of aadhaar in EPIC database shall be completed within two days and should be operationlised by 13.07.2015.

vi) SLA shall also provide required web service to eSeva / APOnline

The attention of all the District Election Officers in Andhra Pradesh and Telangana is invited to the references cited. They are aware that while BLO verification is 99.68% in Andhra Pradesh, 99.18% is in Telangana State, the electors shown as ineligible, dead, shifted, door locked, not enrolled are very high in number i.e. amount to 94.56 lakhs (25.54%) in Andhra Pradesh, and 93.22 lakhs (33.74%) in Telangana. Instructions were issued to re-verify all door locked and shifted cases and take necessary action for deletion of ineligible / duplicate / dead / shifted electors and multiple entries after following the procedure based on door to door verification and all door locked cases have to be checked twice

[P.T.O]

once in morning hours and if still found locked, second time, in evening hours. duly pasting sticker on the door as to along with BLO phone number as already intimated.

The District Election Officers are informed that publicity is being taken up through print and electronic media / SMS to verify the lists of ineligible / duplicate / dead / shifted electors and know the status of Aadhaar linking. As a result, many of the electors, whose names listed in the above categories, are linking the Aadhaar with EPIC through various methods i.e., SMS / Portal / Call Centre etc. All such Aadhaars received from the electors listed in the above categories will be sent to ERO login in EPIC-Aadhaar portal. The Electoral Registration Officers shall seed such Aadhaars with EPIC after demographic verification by them without referring it to the Booth Level Officers for physical verification.

All the Electoral Registration Officers / Booth Level Officers shall be instructed to link Aadhaar of the electors listed in duplicates with one EPIC with the address where he / she ordinarily resident presently and other entry / entries shall be deleted. In respect of ineligible category, it is clarified that the persons who have not attained the age of 18 years or not citizen of India or never resided in the address given in the electoral roll will come under this category. If electors in this category are linked the Aadhaar now, re-verification through BLOs shall be taken up whether the elector is under-aged or not citizen of India etc., and action to be taken to

[Contd....

link the Aadhaar based on the verification report submitted by the BLO.

All the District Election Officers are, therefore, requested to issue immediate instructions to all the EROs / AEROs / BLOs / Supervisors for strict compliance of the above instructions. All door locked / shifted cases shall be re-verified once again and action to be taken according to law, duly following the procedure even after receipt of Aadhar.

The District Election Officers are informed that publicity is being undertaken through print and electronic media / SMS to enable such categories of electors to do Aadhaar linking and get changed their status. As a result, many of the electors, whose names listed in the above categories, will be linking the Aadhaar with EPIC through various methods i.e., SMS / Portal / Call Centre etc. All such Aadhaars received from the electors listed in the above categories will be sent to ERO login in EPIC-Aadhaar portal. The Electoral Registration Officers shall seed such Aadhaars with EPIC after demographic verification by them, however, their status such as ineligible / duplicate / dead / shifted will be continued till the re-verification by the BLO / Supervisory Officer and appropriate action accordingly.

(P.T.O.)

All the Electoral Registration Officers / Booth Level Officers shall be instructed to link Aadhaar of the electors listed in duplicates with one EPIC with the address where he / she ordinarily resident presently and other entry / entries shall be deleted. In respect of ineligible category, it is clarified that the persons who have not attained the age of 18 years or not citizen of India or never resided at the address given in the electoral roll will come under this category. If electors in this category are linked with the Aadhaar now, re-verification through BLOs shall be taken up whether the elector is under-aged or not citizen of India etc., and action to be taken accordingly whether to retain his / her name or delete the same.

All the District Election Officers are, therefore, requested to issue immediate instructions to all the EROs / AEROs / BLOs / Supervisors for strict compliance of the above instructions. All door locked / shifted cases shall be re-verified once again and action to be taken according to law duly following the procedure even after seeding of Aadhaar.

ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No.23/1/2015 (NERPAP)-ERS

Dated:23rd June, 2015

To,

The Chief Electoral Officer,
All States and Union Territories.

Subject: Review of progress of NERPAP - regarding.

Sir/Madam,

I am directed to state that the Commission has taken stock of the progress of NERPAP today. It has observed that several states have not made desired progress in collection, feeding and seeding of Aadhaar Number (A copy of statement showing status of Aadhaar collection, feeding and seeding by various states is enclosed). The Commission has expressed its unhappiness with lack of progress on the part of these states and desired to know the reasons for low performance and also the strategies to be adopted by them to achieve the given targets.

I am further to inform that the Commission is going to review the progress of NERPAP of all States and Union Territories on 26th June, 2015 (Friday). You are requested to send a small (3 slides) PPT in the following template on the progress of the program made by your state –

Slide No. 1. Highlight of the program

- State name
- Total electors
- 18 + population with Aadhaar
- Aadhaar collection (Number with percentage)
- Aadhaar feeding (Number with percentage)
- Aadhaar seeding (Number with percentage)

Slide No.2. Strategy and action plan for collection, feeding and seeding of Aadhaar Number.

Slide No. 3. Problems faced and suggestions, if any.

PPT may be sent immediately and latest by 1700 hrs on 24th June, 2015 at the mail of the undersigned (ajoykumar@eci.gov.in) or Secretary (NNB) (narendranb@eci.gov.in).

Yours faithfully,

(AJOY KUMAR)
UNDER SECRETARY

ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No.23/1/2015(NERPAP)-ERS Dated: 13th July, 2015

To,

The Chief Electoral Officers
of All States/UTs.

Subject: The Commission's meeting dated 21st May, 2015 on "Issues and challenges in Linking Aadhaar with ER data" – Regarding.

Sir/Madam,

I am directed to state that the Commission held a meeting on 21st May, 2015 to discuss "Issues and challenges in Linking Aadhaar with ER data in UIDAI and NPR states". The meeting was attended by DG, UIDAI, DG, C-DAC and senior officers of RGI, BSNL, NIC and CSC, besides CEOs of Arunachal Pradesh, Meghalaya, Odisha, Tamilnadu and West Bengal.

2. Main decisions taken in the meeting are as follows:

I. Issues related to UIDAI:- As regards Web API, DG UIDAI and DG C-DAC indicated that there is considerable progress in the development of this Web API for DSDV services. This is being closely monitored and tested by teams from C-DAC and UIDAI. It was informed that the service will be made available shortly to EROs for seeding purpose.

II. Issues related to RGI:- Sh. S.K. Chakraborti, Addl. RGCR, RGI informed that RGI has provided RGI Data base with Aadhaar number, enrolment number and TIN number to States who have made request to them. As regards enumeration block number (which are almost matching with parts), Sh. Chakraborti informed that TIN number provided with the records contain enumeration block numbers. He further assured that the CEOs may bring any issue to the notice of RGI and the matter will be sorted out immediately. The CEOs may send their request for data directly to RGI and the data would be made available though concerned CPSUs.

III. Issues related to BSNL:- DDG, BSNL indicated that the network issues in North Eastern States will be looked into immediately and BSNL will provide necessary support for routine maintenance to them.

IV. Collection of Aadhaar and data Security:- As regards Aadhaar collection and security of Aadhaar database, the Commission decided that following instructions should be issued to all CEOs for their immediate compliance:

a. Furnishing of Aadhaar number is not mandatory; it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court.
b. No electoral service will be denied to any elector on the ground of non furnishing of Aadhaar number.

c. Non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment/objection against an application for new enrolment.

d. Similarly, non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from Electoral roll.

e. Collection of Aadhaar number is only for the purpose of authentication of details of electors and confidentiality and security of data must be ensured during the process of feeding and seeding.

f. Aadhaar number of an elector shall not be displayed / reflected in electoral roll or EPIC or voter slips or shown in digitized form on website for public scrutiny or in any other document of the Commission, shareable with public or put in public domain. It must be ensured that Aadhaar database is not misused under any condition.

3. Accordingly, the Commission has directed that the CEOs may approach RGI and UIDAI directly, in case they have any specific issue relating to linking of Aadhaar with ER data so that the matter may be resolved without lapse of time. The Commission has also directed that the above mentioned instructions related to Aadhaar collection and security of database, issued earlier vide the letter of even number dated 22nd May, 2015 shall be complied with by all the concerned.

Yours faithfully,

(NARENDRA N. BUTOLIA)

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) – EPIC-Aadhaar Linkage – Supply of lists of duplicates / shifted / door locked / ineligible to political parties - Regarding.

--:o0o:--

The District Election Officers of Hyderabad, Ranga Reddy and Medak are aware that the Election Commission has launched National Electoral Rolls Purification and Authentication Programme (NERPAP) with the objective of bringing a totally error free and authenticated electoral roll and as a part of the programme, Aadhaar of the electors is being linked with EPIC. In 24 Assembly Constituencies of Hyderabad and Ranga Reddy districts falling in GHMC area, linking has been completed against 29.86% electors and the electors shown as in-eligible, dead, shifted, door locked, not enrolled are very high in number i.e., 51.31 lakh (61.27%).

Instructions were issued to re-verify all door locked and shifted cases and take necessary action for deletion of ineligible / duplicate / dead / shifted electors and multiple entries after following the procedure based on door to door verification and all door locked cases have to be checked twice once in morning hours and if still found locked, second time, in evening hours duly pasting sticker on the door along with BLO Phone number as already instructed.

Complaints are being received from the individuals / political parties that no BLO has visited their houses, but notices have been served stating that their houses are door locked / shifted etc.

The District Election Officers are, therefore, requested to issue instructions to all the Electoral Registration Officers to convene a meeting with all the political parties/ local leaders at ~~Constituency~~ Divisional level during this week ~~within a couple of days~~ to explain the importance of the NERPAP and linking of Aadhaar with EPIC and supply the lists of shifted / door locked / ineligible / dead / duplicate electors in soft copy to political parties with a request to verify from the voters and furnish the feed back to BLO / ERO within a week.

An action taken report in this regard shall be furnished Constituency-wise to this office by ~~10.08.2015~~ 8-8-2015.

Review of Aadhaar Seeding Status:27-07-2015

1) **SMS to be sent to Subscribers:**

Total subscribers 7 crores. Subscribers in GHMC area not known. No SMS sent till now. Both Gateways of CDAC and NIC are operational. Letter needs to be addressed to DDG, TERM Office to obtain cell phone subscriber's data base of GHMC area. (Hyderabad and Ranga Reddy districts) and SMS names to be sent to them from CDAC/NIC Gateway. (Action – S.O. E-Section to put up letter).

A total of 9.46 lakh SMS have been received till now for seeding EPIC.

36,617 SMS for seeding EPIC have been received in the last seven (7) days.

2. Obtaining Aadhaar Number for Door locked and shifted cases in GHMC area from SRDH:

PDFs have been generated by matching EPIC data with Aadhaar for RR & Hyderabad districts (GHMC area). P.M., GIS and Mr.Ravi, CMC should review these PDFs, decide a cut off percentage and send these matched PDFs polling station wise to the DEO, Hyderabad and Ranga Reddy districts for seeding these Aadhaar numbers through ERO.

These PDFs should also be made available on the portal and the ERO Log-in. ERO should be provided facility of seeing online and accept the correct Aadhaar numbers at the Click button. This facility needs to be provided by e-Centric and monitor by PM-GIS.

3) **Visit to UID Office:**

PM-GIS and Mr.Ravi, CMC to visit UID office to see DSDB and any other tool which can be of use to us. Contact Person:Mr.Srinivasa Rao, ITS (No.9490054544)

Sub:- National Electoral Roll Purification and Authentication Programme (NERPAP) – Linking of Aadhaar with electoral roll database (EPIC) – Awareness creation through Mobile Technologies (SMS) – Providing of Mobile numbers - Reg.

--:o0o:--

The Election Commission has launched National Electoral Rolls Purification and Authentication Programme (NERPAP) with the objective of bringing a totally error free and authenticated electoral roll. As a part of the programme, Aadhaar of the electors is being linked with EPIC. In Andhra Pradesh, Aadhaar has been linked against 72.18% electors and 62.71% in Telangana whereas in 24 Assembly Constituencies of Hyderabad and Ranga Reddy districts falling in GHMC area, linking has been completed against 29.86% electors. It is proposed give wide publicity through SMS facility besides print and electronic media / SMS to enable the electors to link Aadhaar with EPIC.

For this purpose, it is proposed to utilize the CDAC and NIC gateways for sending SMS to all mobile telephone subscribers in Hyderabad and Ranga Reddy districts. In the earlier occasions, Telecom department has provided the latest mobile telephone numbers of BSNL and other service providers for sending SMSs, but subscribers in GHMC area falling in Hyderabad and Ranga Reddy districts are not known.

(PTO)

I, therefore, request you kindly to provide the latest Pre-paid and Post-paid Mobile Numbers of all Mobile Service Providers including BSNL in Hyderabad and Ranga Reddy districts, so as to enable this Department to send text messages within a couple of days through CDAC / NIC Gateways.. ~~Hardata~~ for this issue. NOTES FOR THE VIDEO CONFERENCE TO BE HELD ON 29.07.2015 FROM 3.00 p.m. to 5.00 p.m. WITH ALL THE DEOs & EROs ON NERPAP

--:o0o:--

Agenda Items:

i) Collection of Aadhaar and seeding;

ii) Verification by the EROs

iii) Re-verification of shifted / door locked cases

iv) Cleansing of roll after seeding (i.e., issue of notices and deletion of entries, which were found as shifted / door locked / ineligible / dead / duplicate etc., during door to door verification / re-verification)

v) Status of removal of duplicates and wrong entries communicated by this office.

vi) Disposal of pending claims and objections as on 29.07.2015

vii) Collection & updation of bank details of BLOs in ERMS

viii) Status of construction of EVM godown

ix) Submission of DC Bills against AC Bills

Progress of Aadhaar Seeding:

- Cent percent linking of EPIC with Aadhaar duly cleansing the electoral rolls by weeding out the shifted / duplicate / ineligible / dead electors shall be completed by the date as indicated below as assured in the earlier VC convened on 30.06.2015:

Name of the Districts	Due date
Nizamabad	10.07.2015
Srikakulam, Krishna,	15.07.2015
Vizianagaram, Kurnool	25.07.2015
East Godavari, West Godavari, Guntur, Prakasam, Nellore, Kadapa, Chittoor, Medak, Mahabubnagar, Nalgonda, Warangal	31.07.2015
Visakhapatnam, Anantapur, Karimnagar, Ranga Reddy, Hyderabad, Khammam	10.08.2015

-3035-

- Even though the due date is approaching, the ERO verification is lagging behind in the same districts as was at the time of last video conference.

- As per the report dt.27.07.2015., the following districts are lagging behind at the ERO level.

Name of the District	Percentage of pendency as on 27.07.2015	
	BLO level	ERO level
Hyderabad	0.9	43
Ranga Reddy	2.6	42.8
Guntur	0.1	14.6
East Godavari	0.1	8.3
Visakhapatnam	1.9	3.9
Chittoor	0.3	2.6

- All Shifted / door locked cases shall be re-verified and further action shall be taken according to the law, so as to avoid deletion of genuine electors.

- Dead / duplicate / ineligible electors shall be deleted after following due procedure.

- Whether lists of shifted / door locked / ineligible / dead / duplicate electors in ~~soft~~ hard copy have been supplied to political parties with a request to verify from the voters and furnish the feed back to BLO / ERO within a week.

- If not, convene a meeting with the political parties at Constituency level by the ERO and supply the lists to them for giving feed back within a week. Division Level in GHMC / GVMC / VMC

- Whether these lists have been made available on special camps organized on 05.07.2015 & 12.07.2015 and published at ERO / AERO Offices / Panchayat / Ward Offices also

- Funds have been released to all districts in Andhra Pradesh towards NERPAP including BLO honorarium (regular) in relaxation of quarterly regulation. UCs to be submitted to get additional budget released.

- In respect of Telangana, the file is pending with the Government

Status of removal of duplicates and wrong entries:

- Lists of duplicates / wrong entries based on the Aadhaar number have been generated and sent to the districts for field verification and taking further action

- Whether these lists have been got verified through BLOs, if so, the details of duplicates deleted and number of entries corrected.

Confidentiality / Security of Aadhaar:

- UIDAI has clarified that Aadhaar Number is one of the factors of authentication of a resident and its confidentiality must be ensured totally during the process of its seeding into the electoral databases, as such it may not be published in the electoral rolls or displayed on website etc.
- In respect of collection of Aadhaar and security of Aadhaar database, the Commission has instructed that –
  - Furnishing of Aadhaar number is not mandatory, it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court.
  - No electoral service will be denied to any elector on the ground of non-furnishing of Aadhaar number.
  - Non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment / objection against an application for new enrolment
  - Non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from electoral roll

OFFICE OF THE CHIEF ELECTORAL OFFICER,
ANDHRA PRADESH & TELANGANA
South 'H' Block, A.P. Secretariat, Hyderabad.

Memo No. 736/Elecs.E/A2/2015-[illegible] Dated: 29.07.2015

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) launched by the Election Commission of India – Aadhaar seeding in EPIC database – Advanced search facility of UID / EID for non-consent data / UID issued in other States - Regarding.

--:o0o:--

All the District Election Officers in Andhra Pradesh and Telangana are aware that SRDH is not having non-consent data of Aadhaar and UID in respect of EIDs as well as the Aadhaar issued in other States and as such Aadhaars are not being seeded in EPIC database. To overcome this, the UIDAI has provided Advanced search facility of UID / EID for verification of non-consent data of Aadhaar and UID in respect of EIDs as well as the Aadhaar issued in other States.

For this purpose, each District Election Officer / Electoral Registration Officer shall forward application in the enclosed format by giving all fields mandatorily to this office. The signed application by the DEO / ERO shall be scanned and sent to this office initially by e-mail followed by post copy. The said applications will be forwarded to the UIDAI for giving access to the facility by providing logins.

All the District Election Officers are, therefore, requested to communicate the format to all the Electoral

[P.T.O]

Registration Officers immediately and obtain the filled-in forms from all the EROs of the district and forward to this office for taking necessary action.

ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No. 23/1/2015 (NERPAP)-ERS Dated: 15th July, 2015

To,

The Chief Electoral Officers of
All States & Union Territories.

Subject: Linking of Aadhaar with ER data – Agreement signed between UIDAI and the Commission for use of Aadhaar Authentication - Clarification from UIDAI.

Sir/Madam,

I am directed to state that the Commission has signed an Agreement with UIDAI for use of Aadhaar Authentication, eKYC, DSDV and other tools for seeding of Aadhaar Number into EPIC database. In this connection, UIDAI has sent a clarification that the Agreement is not violative of the Supreme Court's direction dated 24th March, 2014 that the Aadhaar data collected by UIDAI would not be transferred to any other agency without the consent, in writing, of the individual concerned and is as per the UIDAI policy.

A copy of UIDAI's above referred letter is being sent herewith for your information and necessary action.

Yours faithfully,

(AJOY KUMAR)

Sub: Policy document/instructions on sharing of biometric data.

Please refer your D.O. No.23/1/2015-ERS(NERPAP)Vol.I dated 30th June 2015 regarding agreement / MoU signed between UIDAI and ECI for use of Authentication services of UIDAI by ECI for seeding of Aadhaar number into EPIC data base.

As part of authentication services, resident's data is not shared by UIDAI. The authentication Services response from UIDAI is only in the form of "yes" or "no". In case of eKYC service, based on transactional consent (Biometric / OTP) of resident, resident's demographic data is shared. UIDAI never shares biometric data with any agency

Further, in order to verify the Aadhaar details collected by a Government organisation, UIDAI provides a tool (DSDV) to view the demographic and photograph of the resident in a secure manner. The tool does not allow sharing / storing of the data. Further, organisation also has obligation to use the tool only for the purpose of viewing and verification. In any case, when a person furnishes a copy of any document his consent for verification of veracity of the document is inherent. The government organisation signs an agreement to use the service.

While hearing a Special Leave Petition (SLP No. 2524/2014) on 24.03.2014 against the Order of the High Court of Bombay dated 26.02.2014 in CRLWP No. 10 of 2014, the Supreme Court had passed, inter alia, an order restraining UIDAI from sharing biometric data without consent of the resident (copy enclosed). Hence, the agreement signed between UIDAI and ECI for use of Aadhaar Authentication, eKYC, DSDV, and other tools are not violative of the court order and are as per the UIDAI policy.

This issues with the approval of DG & MD, UIDAI.

Yours faithfully,

MINUTES OF THE VIDEO CONFERENCE HELD BY THE CHIEF ELECTORAL OFFICER, HYDERABAD ON 29.07.2015 FROM 3.00 P.M. TO 5.00 P.M. WITH ALL THE DISTRICT ELECTION OFFICERS AND ELECTORAL REGISTRATION OFFICERS ON NERAP

-oOo-

The Chief Electoral Officer Andhra Pradesh and Telangana has conducted video conference with all the District Election Officers and Electoral Registration Officers of Andhra Pradesh and Telangana State on 29.07.2015 to review the ongoing NERAP Programme, disposal of pending claims & objections, revision of last part of the electoral rolls, status of construction of E/R, progress and submission of DC bills against AC bills.

2. At the outset, the CEO has stated that during the video conference held on 30.06.2015, the DEOs have assured to complete cent percent linking of Aadhaar and purification of electoral rolls by weeding out/shifted/duplicate/ineligible electors etc. in the cases identified by them. However the progress is very [illegible] still at [illegible] percentage. CEO has also stated that in some districts, there is large percentage of EPIC errors and this needs to be rectified. While mentioning the categories of feedback reported in the BLOs during door to door verification i.e. dead/shifted/non-existent/ineligible/duplicate, CEO has stated that the door locked cases shall be re-verified by visiting the houses of the electors at different timings i.e. morning and evening, at such cases where [illegible] with [illegible] the aim is to complete the cent percent linking of Aadhaar & the earliest one during the electoral roll.

3. CEO has stated that the lists of dead / shifted / door locked/ ineligible / duplicate electors shall be given to the political parties at Constituency level and Division level in Urban areas, so that the parties can verify the same and furnish the feedback to BLO / ERO / AERO.

4. While mentioning the number of applications in Form-6, 7, 8 & 8A pending district-wise, the CEO has also stated that number of complaints are being received in this office that the applications filed for registration / correction are not being disposed of by the Electoral Registration Officers concerned and they are kept since last six months together and EPICs are not being issued. As the schedule for SSR, 2016 is expecting to commence in the September, 2015, the EROs shall dispose of all applications pending and ensure that no application received at the time of draft publication of roll under SSR, 2016. The CEO has also requested to take up special drive for disposal of pending applications and DEOs shall take up the review on this issue with the EROs / AEROs on daily basis.

5. The CEO has also stated that number of complaints have been received from the Booth Level Officers that they have not received honorarium even though required funds were released to the District Election Officers on quarterly basis. In order to make payment of honorarium to the BLOs timely, it has been decided to credit the honorarium directly to the bank accounts of the BLOs under intimation to the District Election Officers. For this, the DEOs / Electoral Registration Officers shall obtain the information from all the Booth Level Officers and upload the details of BLOs in ERMS using the ERO login credentials.

6. CEO has stated that Finance Department has reminded from time to time to settle the pending AC Bills. AG Office has not issued Audit Certificates for want of submission of DC Bills against pending AC bills. CEO has requested the DEOs to review with all the concerned Drawing & Disbursing Officers and settle the pending AC Bills immediately.

7. The CEO has informed that the UIDAI has provided Advanced search facility of UID / EID for verification of non-consent data of Aadhaar and ~~UID in respect of~~ EIDs as well as the Aadhaar issued in other States. For this purpose, each District Election Officer / Electoral Registration Officer shall forward application in the format prescribed by ~~giving~~ all fields mandatorily to this office for onward transmission to the UIDAI for giving access to the facility by providing logins. The required format is being communicated to the DEOs. CEO has requested the DEOs to communicate the format to all the Electoral Registration Officers immediately and obtain the filled-in forms from all the EROs of the district and forward to this office for taking necessary action.

8. The CEO has reviewed the progress of the NERPAP, construction of EVM Godowns and revision of last part of the electoral roll with the districts (Nizamabad, Karimnagar, Nalgonda, Hyderabad, Warangal, Srikakulam, Prakasam, East Godavari, Anantapur, Kurnool, Nellore, Vizianagaram, Kadapa and Guntur), where the Collector / DEO has attended the Video Conference and has asked the District Election Officers to give specific completion date of the programme.

9. Accordingly, the District Election Officers have requested to extend the time for completion of cent percent linking of EPIC with Aadhaar duly cleansing the electoral rolls by weeding out the shifted / duplicate / ineligible / dead electors by the dates indicated against each as below:

	Name of the District	Date by which the cent percent linking of Aadhaar to be completed
	Andhra Pradesh	
1	Vizianagaram	10.08.2015
2	East Godavari	10.08.2015
3	Guntur	15.08.2015
4	Prakasam	20.08.2015
5	Nellore	31.08.2015
6	Kadapa	10.08.2015
7	Kurnool	10.08.2015
8	Anantapur	15.08.2015
	Telangana	
1	Karimnagar	10.08.2015

10. The District Election Officer, Nizamabad has stated that they have completed almost cent percent linking and pending verification of about 1000 electors will be completed within two days. The CEO has stated that he will visit the district on 01.08.2015 at 3.00pm. to declare the district as the first district achieved the cent percent linking of Aadhaar and having purified roll in the entire country.

11. The District Election Officer, Guntur has stated that there is large pendency in Guntur Municipal Corporation area as the verification could not be completed due to door numbers are not properly arranged by the Municipal Corporation and finding out of the elector is getting difficulty. CEO has instructed to take up the issue with the Municipal authorities and to take remedial action for giving proper house numbers in the entire Corporation area.

12. The Spl.Commissioner, GHMC has requested to correlate the data of PDS and EPIC and give the output to them for taking necessary action for linking the Aadhaar. CEO informed that correlating the field basing on the door number or name is very difficult, since the PDS data is not having EPIC numbers. However, the Project Manager (GIS) of this office will be deputed to the DEO's office for study the feasibility of correlation and take immediate necessary action accordingly.

13. Certain District Election Officers have requested to release funds for construction of EVM godowns / expenditure in connection with General Elections / Council elections, for which they have submitted proposals.

14. Lastly, the CEO has reiterated the instructions as follows:-

i) DEOs shall ensure that the seeding of Aahaar and purification of electoral roll in all respects is completed by the date committed by them.

ii) Funds towards construction of EVM godowns will be released scon after getting from the Finance Department. The pending proposals as mentioned by some of the DEOs will also be processed soon.

iii) The pending applications of Form-6, 7, 8 & 8A shall also be got disposed by taking up special drive and ensure that no application is pending at the time of draft publication under SSR, 2016.

iv) DEOs shall obtain and forward the applications in the format prescribed from all the EROs for accessing the Advanced search facility of UID / EID for verification of non-consent data of Aadhaar and ~~UID in respect of~~ EIDs as well as the Aadhaar issued in other States. ~~DEOs~~.

v) The bank details of all the BLOs shall be collected and uploaded in ERMS at an early date.

vi) The pending AC Bills shall be settled immediately by submitting DC Bills.

vii) DEOs who have not attended the video conference on 29.07.2015 shall attend the video conference on 31.07.2015 at 3.00 p.m.

While concluding the video conference, the CEO has once again requested all the DEOs to complete the cent percent linking of Aadhaar as per their commitments given, since the Commission may announce schedule for SSR, 2016 which may commence in September, 2015.

MINUTES OF THE VIDEO CONFERENCE HELD BY THE CHIEF ELECTORAL OFFICER ON 29.07.2015 FROM 3.00 P.M. TO 5.00 P.M. WITH ALL THE DISTRICT ELECTION OFFICERS AND ELECTORAL REGISTRATION OFFICERS ON NERPAP

--:o0o:--

The Chief Electoral Officer, Andhra Pradesh and Telangana, has conducted video conference with all the District Election Officers and Electoral Registration Officers of Andhra Pradesh and Telangana State on 29.07.2015 to review the ongoing NERPAP Programme, disposal of pending claims & objections, revision of last part of the electoral rolls, status of construction of EVM godown and submission of DC bills against AC bills.

2. At the outset, the CEO has stated that during the video conference held on 30.06.2015, the DEOs have assured to complete cent percent linking of Aadhaar and purification of electoral rolls by weeding out shifted / duplicate / ineligible electors etc. by the dates specified by them. However, the due date is over in respect of large numbers of districts, still lot of pendency is observed. CEO has also stated that in some districts, there is large pendency at ERO level and this needs to be expedited. While mentioning the categories of feedback reported by the BLOs during door to door verification i.e., dead / shifted / door locked / ineligible / duplicate, CEO has stated that the door locked cases shall be re-verified by visiting the houses of the electors at different timings in morning and evening and enquiries be conducted with the neighbours about the door locked cases. It shall be reported by the BLO to the ERO based on which the ERO should take appropriate decision and deal with all such cases in accordance with the law in order to complete the cent percent linking of Aadhaar at the earliest duly purifying the electoral roll.

3. CEO has stated that the lists of dead / shifted / door locked/ ineligible / duplicate electors shall be given to the political parties at Constituency level in rural area and Ward / Division level in Urban areas, so that the representatives of the Political Parties can verify the same and furnish he feedback to BLO / ERO / AERO.

4. While mentioning the number of applications in Form-6, 7, 8 & 8A pending district-wise, the CEO has also stated that number of complaints are being received in this office that the applications filed for registration / correction are not being disposed of by the Electoral Registration Officers months together inspite of the fact that the ECI has fixed one month time for disposal of these applications. As the schedule for SSR, 2016 is expected to commence in the September, 2015, the EROs shall dispose of all applications pending and ensure that no application received at the time of draft publication of roll under SSR, 2016 is kept pending. The CEO has also requested to take up special drive for disposal of pending applications and DEOs shall take up the review on this issue with the EROs / AEROs on alternate day.

5. The CEO has also stated that number of complaints have been received from the Booth Level Officers that they have not received honorarium even though required funds were released to the District Election Officers on

(P.T.O.)

quarterly basis. In order to make payment of honorarium to the BLOs timely, it has been decided to credit the honorarium directly to the bank accounts of the BLOs under intimation to the District Election Officers. For this, the DEOs / Electoral Registration Officers shall obtain the information from all the Booth Level Officers and upload the details of BLOs in ERMS using the ERO login credentials.

6. CEO has stated that Finance Department has reminded from time to time to settle the pending AC Bills. AG Office has not issued Audit Certificates for want of submission of DC Bills against pending AC bills. CEO has requested the DEOs to review with all the concerned Drawing & Disbursing Officers and settle the pending AC Bills immediately.

7. The CEO has informed that the UIDAI has provided Advanced search facility of UID / EID for verification of non-consent data of Aadhaar and EIDs as well as the Aadhaar issued in other States. For this purpose, each District Election Officer / Electoral Registration Officer shall forward application in the format prescribed by filling up all fields mandatorily to this office for onward transmission to the UIDAI for giving access to the facility by providing logins. The required format is being communicated to the DEOs. CEO has requested the DEOs to communicate the format to all the Electoral Registration Officers immediately and obtain the filled-in forms from all the EROs of the district and forward to this office for taking necessary action.

8. The CEO has reviewed the progress of the NERPAP, construction of EVM Godowns and revision of last part of the electoral roll with the districts (Nizamabad, Karimnagar, Nalgonda, Hyderabad, Warangal, Srikakulam, Prakasam, East Godavari, Anantapur, Kurnool, Nellore, Vizianagaram, Kadapa and Guntur), where the Collectors / DEOs have attended the Video Conference and has asked the District Election Officers to give specific completion date of the programme.

9. Accordingly, the District Election Officers have requested to extend the time for completion of cent percent linking of EPIC with Aadhaar duly cleansing the electoral rolls by weeding out the shifted / duplicate / ineligible / dead electors by the dates indicated against each as below:

NOTE ON AADHAAR LINKING

Aadhaar of the elector is linking with EPIC (Electoral Roll) as a part of the National Electoral Roll Purification and Authentication Programme launched by the Election Commission of India. Aadhaar of the elector is being collected from the electors by conducting door to door verification from the electors ordinarily residing in the address given in the electoral roll. During the verification, if any elector finds shifted / ineligible / dead / duplicate, such feed back is given to the Electoral Registration Officer by the Booth Level Officers for taking further action as envisaged in the Representation of People Act, 1950 & Registration of Electors Rules, 1961.

The Commission has issued instructions vide letter No.23/Forms/2015-ERS, dt.15.04.2015 that furnishing of Aadhaar number is not mandatory; it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court; that no electoral service will be denied to any elector on the ground of non furnishing of Aadhaar number; that non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment/objection against an application for new enrolment and non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from Electoral roll. The Commission has also instructed vide letter No.23/1/2015(NERPAP)ERS, dt.05.05.2015 that Aadhaar number of an elector shall not be displayed / reflected in electoral roll or EPIC or voter slips or shown in digitized form on website for public scrutiny or in any other document of the Commission , shareable with

- public or put in public domain and it must be ensured that Aadhaar database is not misused under any condition.

The said instructions have been communicated to all the District Election Officers and they were clarified that they should not delete any elector on the ground that the elector has not been enrolled under the Aadhaar and not to delete any elector on the ground that the elector has not furnished the Aadhaar.

In respect of non-Aadhaar cardholders, ~~who have been~~ UIDAI authorities have made arrangements through the state ~~during verification instructions were issued to the District Election Officers to~~ Govt. to have a special drive to enroll such electors with Aadhaar through Permanent Enrolment Centres or mobile kits and incorporate EID number, which is given at the time of enrolment, ~~to the electors. These EID number will automatically get replaced by Aadhaar number when it is generated.~~

The Chief Electoral Officer has also made it clear in the Press Conferences / television interviews ~~that the furnishing of Aadhaar is not~~ video conferences with the DEOs and EROs mandatory and electoral services will not be denied in the absence of the Aadhaar, however voters should come forward voluntarily to link the Aadhaar and be authenticated to with EPIC for purification of electoral roll as well as making shifting of voter easy to the elector.

In Andhra Pradesh and Telangana States no deletion has taken place on the ground that the elector has not furnished the Aadhaar number and not having Aadhaar.

ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

F.No.23/Forms/2015-ERS Dated:15th April, 2015

To,

The Chief Electoral Officers of
All States & Union Territories.

Subject: Revision/Updation of Electoral Rolls- Collection of Aadhar Number from the applicants-regarding

Sir/Madam,

Your kind attention is invited to ECI letter No.23/1/2015 dated 27th February, 2015 conveying ECI decision to use Aadhar Number on voluntary basis wherever issued to a person, to authenticate its particulars with ER particulars available in ECI roll database. Presently, the Aadhar Number are being collected in a campaign mode under National Electoral Roll purification and Authentication programme (NERPAP)launched on 3rd March,2015.

I am also to say that the Commission has taken a further decision to collect, hereafter Aadhar Number of the applicants who file Form 6,7,8,or 8A and do data entry of Aadhar Number in ER database. A field for Aadhar Number should immediately be created, if not done in the ER database. A copy each of Forms(s) 6,7, 8 and 8A suitably adapted is enclosed. For future requirements, they should be printed in the enclosed formats. With a view to using existing stock and to avoid wastage of papers, hand stamping of the changes should be done.

The Commission is writing separately to Ministry of Law for making suitable amendments in Form 6, 7, 8 and 8A. **It is made amply clear that furnishing of Aadhar Number is not mandatory but it is optional. Non furnishing of Aadhar Number will not be a ground for rejection of application. The applicants should be requested to give this information in their own interest to ensure defect free Electoral Roll, and for incorporation of correct data of electors in the rolls.**

Kindly acknowledge receipt and ensure compliance by field election machinery.

Yours faithfully,

3	Disposal of claims and objections	30.05.2015
4	Final Publication of the Electoral Roll in full shape and supply to all the Political Parties	06.06.2015

The Electoral Registration Officers (Joint Collectors) have published the draft roll on 18.5.2015 in their respective Constituency. The elected members of every local authority in the Local Authorities Constituency including the ex-officio and nominated members, will be electors of the Local Authorities Constituency.

The members who do not have right to vote in the Local Authority, are not entitled to be included in the roll for Local Authorities Constituency as per the Kanataka High Court's observation in L.Shivana Vs State of Karnataka & Ors. (86 ELR 336). The High Court observed that the voting rights of the members are dependent on the State Local Bodies Act, if they have the right to vote in their respective Local Bodies Act, then, they shall be deemed to be electors for Local Authorities Constituency. As such, the members who do not have voting right in the Local Authority will not be enrolled as electors in that particular Local Authority Constituency.

BHANWAR LAL,
CHIEF ELECTORAL OFFICER &
E.O. PRL.SECRETARY TO GOVERNMENT

--:o0o:--

The said instructions have been communicated to all the District Election Officers and they were clarified that they should not delete any elector ~~not to propose any deletion~~ on the ground that the elector has not been enrolled under the Aadhaar and not to delete any elector on the ground that the elector has not furnished the Aadhaar.

In respect of non-Aadhaar cardholders, who have been found during verification, instructions were issued to the District Election Officers to take special drive to enroll such electors with Aadhaar through Permanent Enrolment Centres or mobile kits and incorporate EID number which are given at the time of enrolment in the electoral roll. These EID number will automatically get be replaced by Aadhaar number when it is generated.

The Chief Electoral Officer has also made it clear in the Press Conferences / television interviews that the furnishing of Aadhaar is not mandatory and electoral services will not be denied in the absence of the Aadhaar, however, voters should come forward voluntarily to link the Aadhaar with EPIC for purification of electoral roll, as well as making shifting of voter easy for the elector.

In Andhra Pradesh and Telangana States, no deletion has taken place on the ground that the elector has not furnished the Aadhaar number and not having Aadhaar. But, deletions are taking place in the cases where the electors are not ordinary residents in the address mentioned in the electoral roll by issuing individual notices and giving opportunity to hear the electors by the EROs concerned. ?

NOTE ON AADHAAR LINKING

Aadhaar of the elector is linking with EPIC (Electoral Roll) as a part of the National Electoral Roll Purification and Authentication Programme launched by the Election Commission of India. Aadhaar of the elector is being collected from the electors by conducting door to door verification from the electors ordinarily residing in the address given in the electoral roll. During the verification, if any elector finds shifted / ineligible / dead / duplicate, such feed back is given to the Electoral Registration Officer by the Booth Level Officers for taking further action as envisaged in the Representation of People Act, 1950 & Registration of Electors Rules, 1961.

The Commission has issued instructions *1 that furnishing of Aadhaar number is not mandatory; it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court; that no electoral service will be denied to any elector on the ground of non furnishing of Aadhaar number; that non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment/objection against an application for new enrolment and non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from Electoral roll. The Commission has also instructed *2 that Aadhaar number of an elector shall not be displayed / reflected in electoral roll or EPIC or voter slips or shown in digitized form on website for public scrutiny or in any other document of the Commission , shareable with public or put in public domain and it must be ensured that Aadhaar database is not misused under any condition.

--:o0o:--

With reference to the telephonic conversation had with you, I state that Aadhaar of the elector is linking with EPIC (Electoral Roll) as a part of the National Electoral Roll Purification and Authentication Programme launched by the Election Commission of India. Aadhaar of the elector is being collected from the electors by conducting door to door verification from the electors ordinarily residing in the address given in the electoral roll. During the verification, if any elector finds shifted / ineligible / dead / duplicate, such feed back is given to the Electoral Registration Officer by the Booth Level Officers for taking further action as envisaged in the Representation of People Act, 1950 & Registration of Electors Rules, 1961.

The Commission has issued instructions vide letter No.23/Forms/2015-ERS, dt.15.04.2015 that furnishing of Aadhaar number is not mandatory; it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court; that no electoral service will be denied to any elector on the ground of non

furnishing of Aadhaar number; that non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment/objection against an application for new enrolment and non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from Electoral roll. The Commission has also instructed vide letter No.23/1/2015(NERPAP)ERS, dt.05.05.2015 that Aadhaar number of an elector shall not be displayed / reflected in electoral roll or EPIC or voter slips or shown in digitized form on website for public scrutiny or in any other document of the Commission , shareable with public or put in public domain and it must be ensured that Aadhaar database is not misused under any condition.

The said instructions have been communicated to all the District Election Officers and they were clarified that they should not delete any elector on the ground that the elector has not been enrolled under the Aadhaar and not to delete any elector on the ground that the elector has not furnished the Aadhaar.

In respect of non-Aadhaar cardholders, UIDAI authorities have made arrangements through the State Government to have special drive to enroll such electors with Aadhaar through Permanent Enrolment Centres or mobile kits and incorporate EID number, which is given at the time of enrolment.

The Chief Electoral Officer has also made it clear in the Press Conferences / television interviews / video conferences with the District Election Officers and Electoral Registration Officers that furnishing of Aadhaar is not mandatory and electoral services will not

be denied in the absence of the Aadhaar, however and voters should be requested to come forward voluntarily to link the Aadhaar with EPIC for purification of electoral roll.

In Andhra Pradesh and Telangana States, no deletion has taken place on the ground that the elector has not furnished the Aadhaar number and not having Aadhaar.

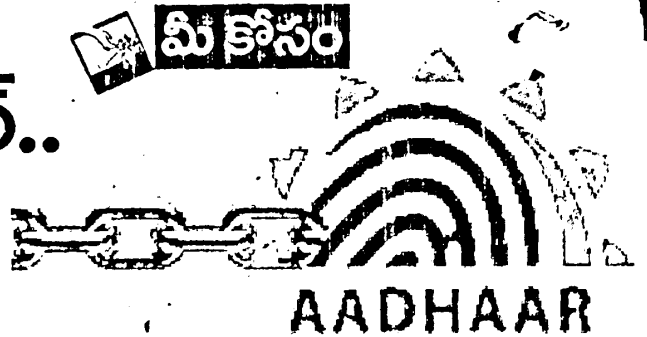
అన్నింటికీ ఆధార్..

- సంక్షేమ పథకాలన్నింటికీ వర్తింపు
- అనుసంధానం లేకుంటే ఇబ్బందులే
- పకడ్బందీగా అమలు చేస్తున్న ప్రభుత్వం



ఆధార్...ఆధార్... ఆధార్... కొన్నేళ్లుగా మన జీవితంలో ఇది ఓ భాగమైపోయింది. సంక్షేమ పథకాలు పొందేందుకు ఇదే ప్రధానమైంది. ప్రస్తుతం ఆహారభద్రత కార్డులు, సామాజిక పింఛన్లు, ఫాస్ట్ మంజూరుకు ఆధార్‌తో లింకు పెట్టారు. అధికారులు అధార్ నమోదుకు అన్ని మండల కేంద్రాల్లో శాశ్వత కేంద్రాలను ఏర్పాటు చేశారు. కానీ జిల్లాలో ఇంకా వేల మందికి ఆధార్ నెంబర్ రావాల్సి ఉన్నది. ఐదారేళ్లుగా ఆధార్ నమోదు చేపట్టినా ఇంకా తప్పిపోతున్న వారు ఎందరో ఉన్నారు. జిల్లాలోని అన్ని మండల కేంద్రాలు, పట్టణాల్లో ఎంపిక చేసిన మీసేవా కేంద్రాల్లో ఆధార్ నమోదు ప్రక్రియ కొనసాగుతోంది. నమోదు ఉచితం కాగా సవరణలకు రూ.16 చెల్లించాలి. చాలా మంది కార్డులు రాక, తిరస్కరణకు గురైన వారు తిరిగి నమోదు చేసుకోవడానికి ఆధార్ కేంద్రాలను ఆశ్రయిస్తున్నారు.

- నవతెలంగాణ సిటీ బ్యూరో

నమోదు ఉచితం...

ప్రభుత్వం ఆధార్ నమోదుకు. శాశ్వత మీసేవా కేంద్రాలను ఏర్పాటు చేసింది. శాశ్వత కేంద్రాల్లో నమోదు చేసుకుంటే ఉచితం. ఆధార్ కార్డులో పేరు, చిరునామా, ఇంటిపేరు, నెంబర్ తదితర సవరణలకు రూ.15 చెల్లించాలి. ఆధార్ నమోదుకు డబ్బులు అడిగినా, సవరణకు ఎక్కువ వసూలు చేసినా వినియోగదారులు మీ సేవ సెల్‌కు ఫిర్యాదు చేయాలి.

ఆధార్‌కు కావాల్సినవి..

ఆధార్ నమోదుకు పాస్‌పోర్టు సైజు ఫొటో, చిరునామా రుజువున్న రేషన్‌కార్డు, ఓటరుకార్డు, డ్రైవింగ్ లైసెన్స్, ఫొటో ఉన్న ఏదైనా జాతీయ బ్యాంకు పాస్‌బుక్, ఆధికారులు జారీ చేసిన ధృవపత్రాల్లో ఏదో ఒకటి సమర్పించాలి.

విద్యార్థులకు...

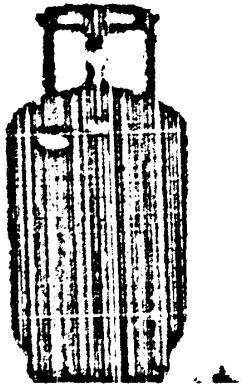
పాఠశాలల్లో విద్యార్థులపేర్లు నమోదు చేయాలంటే ఆధార్ తప్పనిసరి. ఇప్పటికే పలు ప్రభుత్వ పాఠశాలల్లో విద్యార్థుల పేర్లకు ఆధార్ సంఖ్య అనుసంధాన ప్రక్రియ ప్రారంభమైంది.

స్కాలర్‌షిప్‌లు...

కళాశాల విద్యార్థులు స్కాలర్‌షిప్‌లు పొందాలంటే ఆన్‌లైన్ దరఖాస్తులతో పాటు ఆధార్ నెంబర్‌నూ అనుసంధానం చేయాలి. రెన్యూవల్ అయినా ఆధార్ నెంబర్ తప్పనిసరి.

రైతులకు...

రైతుల రుణమాఫీకి ఆధార్ సంఖ్యను బ్యాంక్ వారికి అందజేయాలి. పట్టాదారు పాస్ పుస్తకాలకూ ఆధార్ అనుసంధానం చేస్తారు. మహిళా సంఘాల ఖాతాలకూ ఆధార్ అనుసం ధానం చేస్తున్నారు. ఇందిరమ్మ ఇళ్ల మంజూరు కావాలన్నా గతంలో మంజూరైన తాలూకు ఇళ్ల వివరాలకైనా ఆధార్ తప్పనిసరి. ఉపాధి హామీ పథకంలో ఆధార్ అనుసంధానం ప్రధాన ప్రక్రియ. ఆధార్‌కార్డును బ్యాంకు ఖాతాకు అనుసంధానంచేస్తేనే కూలీ డబ్బు జమవుతాయి. బోగస్ కూలీలకు చెక్ పెట్టేందుకు ఆధార్ తప్పనిసరి చేశారు. బ్యాంకు ఖాతాను తెరవాలన్నా ఆధార్ తప్పనిసరి. ఇది వరకే ఖాతా(లు) ఉంటే ఈ నెంబర్‌నూ ఆనుసం ధానం చేసుకోవాలి. 'నో యువర్ కస్టమర్' పేరిట ఆధార్ కార్డును అనుసంధానం చేస్తున్నారు. ఆహార భద్రత కార్డులు న్న ప్రతి ఒక్కరి ఆధార్ నెంబర్‌ను అధికారులు సేకరిస్తున్నారు. వికలాం గ, వృద్ధాప్య వితంతు పింఛన్లు పొందలంటే ఆధార్ నమోదు తప్పనిసరి. ఆధార్ నెంబర్ లేదని ఎంతో మందికి పింఛన్లు నిలిపివేయడం మనకు తెలిసిందే?



గ్యాస్ కనెక్షన్‌కు అనుసంధానమిలా...

గ్యాస్ కనెక్షన్‌కు ఆధార్ కార్డు కావాల్సిందే. సబ్సిడీ మొత్తం బ్యాంకులో పడాలంటే ఆధార్ నెంబర్, బ్యాంక్ అకౌంట్ నెంబర్‌తో మ్యాచ్ చేయించుకోవాలి. అలాగే గ్యాస్ ఏజెన్సీలోనూ వివరాలు ఇవ్వాలి. ఓటర్లుగా పేరున్న వారు సైతం ఆధార్ నెంబర్‌ను జతచేయించుకోవాలి. రెండు, మూడు చోట్ల ఓట్లు ఉంచకుండా ఈ పద్ధతి సహకరిస్తుంది. మరి ప్రతీ దానికి ఆధార్ ఎందుకంటే ఒక పథకం ఒకరికి ఒక్కసారే వర్తించాలి. నిబంధనల కు విరుద్ధంగా ఎక్కువసార్లు వర్తింపడానికి వీల్లే దు. అందుకే యూనిక్ ఐడెంటిఫికేషన్ నెంబర్‌ను భారత ప్రభుత్వం కల్పించింది. ఇది ప్రజలకు మేలు చేసేదే. అందుకే ఆధార్ పొందాలి.

ఇతర సర్వీసులు

ఇంటికి విద్యుత్ కనెక్షన్ పొందాలన్నా బోరు మోటార్ల కనెక్షన్లకైనా ఆధార్ లేనిదే దరఖాస్తు చేయరాదు. గతంలో దరఖాస్తు చేస్తే వచ్చేది. ఇపుడు ఆధార్ ఇస్తేనే మంజూరు చేస్తారు.

The attention of all the District Election Officers in Andhra Pradesh and Telangana is invited to the reference cited. They are aware that instructions were issued to re-verify all door locked and shifted cases and take necessary action for deletion of ineligible / duplicate / dead / shifted electors and multiple entries after following the procedure based on door to door verification and all door locked cases have to be checked twice once in morning hours and if still found locked, second time, in evening hours duly pasting sticker on the door along with BLO Phone number ~~as already instructed~~.

The District Election Officers are informed that publicity is being undertaken through print and electronic media / SMS to enable all such categories of electors to link their Aadhaar. As a result, many of the electors, whose names listed in the above categories, will be linking the Aadhaar with EPIC through various methods i.e., SMS / Portal / Call Centre etc. All such Aadhaars received from the electors listed in the above categories will be sent to ERO login in EPIC-Aadhaar portal. The Electoral Registration Officers shall seed such Aadhaars with EPIC after demographic verification by them. However, ~~all~~ dead/ ineligible/ door locked / shifted cases ~~shall be re-verified once again by the Supervisory Officers and~~ for which Aadhaar has been seeded, shall be compulsorily verified by the Supervisory officer before deleting them following due procedure

[P.T.O]

~~action to be taken according to law duly following the procedure even after seeding of Aadhaar.~~

The lists of the electors in the category of shifted / dead / ineligible / door locked cases ~~shall~~ should be supplied by the ERO to the political parties at Constituency level in rural area / Division or Ward level in urban area with a request to verify the same and furnish their feedback to BLO / ERO / AERO. The said lists are also available on the CEOs' web sites and publicity regarding availability of lists may be given at district level.

All the District Election Officers are, therefore, requested to issue immediate instructions to all the EROs / AEROs / BLOs / Supervisors for strict compliance of the above instructions.

The attention of all the District Election Officers in Andhra Pradesh and Telangana is invited to the reference cited. They are aware that instructions were issued to re-verify all door locked and shifted cases and take necessary action for deletion of ineligible / duplicate / dead / shifted electors and multiple entries after following the procedure based on door to door verification and all door locked cases have to be checked twice once in morning hours and if still found locked, second time, in evening hours duly pasting sticker on the door along with BLO Phone number.

The District Election Officers are informed that publicity is being undertaken through print and electronic media / SMS to enable all categories of electors to link their Aadhaar. As a result, many of the electors, whose names listed in the categories of ineligible / dead / door locked / shifted cases, will be linking the Aadhaar with EPIC through various methods i.e., SMS / Portal / Call Centre etc. All such Aadhaars received from the electors listed in the above categories will be sent to ERO login in EPIC-Aadhaar portal. The Electoral Registration Officers shall seed such Aadhaars with EPIC after demographic verification by them. However, all dead / ineligible / shifted cases, for which Aadhaar has been seeded, shall be <u>compulsorily verified</u> by the Supervisory Officer before deleting them following due procedure.

The lists of the electors in the category of shifted / dead / ineligible / door locked cases should be supplied by the ERO to the political parties at Constituency level in rural area / Division or Ward level in urban area with a request to verify the same and furnish their feedback to BLO / ERO / AERO. The said lists are also available on the CEOs' web sites and publicity regarding availability of lists may be given at district level.

All the District Election Officers are, therefore, requested to issue immediate instructions to all the EROs / AEROs / BLOs / Supervisors for strict compliance of the above instructions.

OFFICE OF THE CHIEF ELECTORAL OFFICER,
ANDHRA PRADESH & TELANGANA

Ground Floor, South 'H' Block, A.P.Secretariat, Hyderabad-500022

Letter No. 736/Elecs.E/A2/2015-13| Dated: 07.08.2015.

To
~~Sri Vinod Zutshi,~~ Shri Tapas Kumar
~~Deputy Election Commissioner,~~ Sr. Principal Secretary,
Election Commission of India,
Nirvachan Sadan,
Ashoka Road,
New Delhi-110001.

Sir,

Sub:- NERPAP – Linking of Aadhaar with EPIC and purification of electoral rolls – Cent percent completion of linking and purification in Nizamabad district – Recommendation to declare the Nizamabad district as first district to complete the programme – Reg.

--:o0o:--

The Election Commission has made announcement of Early Bird Incentives to the District Election Officers and Incentives to BLOs / AEROs / EROs ~~will be given~~ for cent percent completion of Aadhaar linkage and purification of electoral rolls.

In Telangana State, Nizamabad district has completed cent percent verification, Aadhaar linking and purification of electoral rolls by weeding out the dead / shifted / ineligible electors. The statistics are given below:

Description	Nizamabad
Total No. of electors	1888348
Total electors verified	1888348
Total Duplicates / ineligible / dead / shifted cases identified by BLOs	484789
Total number of deletions	484681
Number of electors as on 01.08.15	1403667
No. of UID seeded	1403442
Percentage of seeding	99.99

The District Election Officer, Nizamabad / Electoral Registration Officers / Assistant Electoral Registration Officers / Booth Level Officers / Supervisory Officers have worked very hard and ~~paid special attention to the~~ period of ~~campaign~~ along with all the Political prestigious nation-wide programme announced by the Election Parties for Commission of India and achieved cent percent Aadhaar linking with the implementation of the EPICs and also purified the electoral rolls.

[P.T.O]

Sri Ronald Rose, IAS., Collector and District Election Officer, Nizamabad has taken various effective measures for verification of electors and collection of Aadhaar numbers and also for re-verification of shifted / door locked cases several times - all while coordinating with the Political Parties by involving them fully in the programme, he has monitored the programme with the EROs / AEROs / BLOs throughout the period. His interaction and involvement directly in the programme is the main reason for cent percent achievement.

The Nizamabad district is the first district, which has completed cent percent Aadhaar linking duly purifying electoral rolls, hence it deserves Early Bird Incentive and Sri Ronald Rose, IAS., Collector and District Election Officer, Nizamabad deserves appreciation from the Commission.

C.E.O. & Pri. Secy. To Govt. Gen. Admn.
07 AUG 2015
A.P. Secretariat, Hyd.

I, therefore, request you to place the matter before the Commission for consideration of the proposal.

OFFICE OF THE CHIEF ELECTORAL OFFICER,
ANDHRA PRADESH & TELANGANA
Ground Floor, South 'H' Block, A.P.Secretariat, Hyderabad-500022

Letter No. 736/Elecs.E/A2/2015-131 Dated: 07.08.2015.

To
Sri Tapas Kumar,
Sr.Principal Secretary,
Election Commission of India,
Nirvachan Sadan,
Ashoka Road,
New Delhi-110001.

Sir,

Sub:- NERPAP – Linking of Aadhaar with EPIC and purification of electoral rolls – Cent percent completion of linking and purification in Nizamabad district – Recommendation to declare the Nizamabad district as first district to complete the programme – Reg.

--:o0o:--

The Election Commission of India has made announcement of Early Bird Incentives to the District Election Officers and Incentives to BLOs / AEROs / EROs for cent percent completion of Aadhaar linkage and purification of electoral rolls.

In Telangana State, Nizamabad district has completed cent percent verification, Aadhaar linking and purification of electoral rolls by weeding out the dead / shifted / ineligible electors. The statistics are given below:

Description	Nizamabad
Total No. of electors	18,88,348
Total electors verified	18,88,348
Total Duplicates / ineligible / dead / shifted cases identified by BLOs	4,84,789
Total number of deletions	4,84,681
Number of electors as on 01.08.15	14,03,667
No. of UID seeded	14,03,442
Percentage of seeding	99.99

The District Election Officer, Nizamabad / Electoral Registration Officers / Assistant Electoral Registration Officers / Booth Level Officers / Supervisory Officers have worked very hard alongwith all the Political Parties for implementation of the prestigious nation-wide programme announced by the Election Commission of India and achieved cent percent Aadhaar linking with the EPICs and also purified the electoral rolls.

(P.T.O.)

Sri Ronald Rose, IAS., Collector and District Election Officer, Nizamabad has taken various effective measures for verification of electors and collection of Aadhaar numbers and also for re-verification of shifted / door locked cases several times. While coordinating with all the Political Parties by involving them fully in the programme, he has monitored the programme with the EROs / AEROs / BLOs throughout the period. His interaction and involvement directly in the programme is the main reason for cent percent achievement.

The Nizamabad district is the first district, which has completed cent percent Aadhaar linking duly purifying electoral rolls, hence it deserves Early Bird Incentive and Sri Ronald Rose, IAS., Collector and District Election Officer, Nizamabad deserves appreciation from the Commission.

I, therefore, request you to place the matter before the Commission for consideration of the proposal.

Yours faithfully,

CHIEF ELECTORAL OFFICER

ముఖ్య ఎన్నికల అధికారి
భారత ఎన్నికల సంఘం,
హైదరాబాద్.

విషయం : జీహెచ్ఎంసీ పరిధి మరియు తెలంగాణలో రాజ్యాంగ వ్యతిరేకంగా జరుగుతున్న ఓట్ల తొలగింపు గురించి...

ఓటు అనేది భారత ప్రజలకు రాజ్యాంగం ద్వారా కల్పించబడిన ప్రాథమిక హక్కు. ప్రస్తుతం గత మూడు మాసాలుగా తెలంగాణ ప్రాంతంలో జరుగుతున్న ఓట్ల చేర్పులు, తొలగింపులు ఒక కుట్రపూరితమైన ఉద్దేశ్యంతో, ఒక రకమైన పక్షపాత ధోరణితో దురుద్దేశపూరితంగా జరుగుతున్న విషయాన్ని మీ దృష్టికి తీసుకువస్తున్నాం. మీ ద్వారా ఓట్ల నమోదు, తొలగింపు విధులకు నియమించబడిన అధికారులు భారత ఎన్నికల సంఘం విధి విధానాల ప్రకారం పనిచేయవలసిన అవసరం ఉన్నది. అదేవిధంగా ప్రజాప్రాతినిధ్య చట్టంలోని నియమావళికి అనుగుణంగా ఈ ప్రక్రియ జరగవలసిన అవసరం ఉన్నది. కానీ వీటన్నింటినీ వదిలి తమరు నియమించిన ఎన్నికల అధికారులు వారి ఇష్టానుసారం అధికారంలో ఉన్న పార్టీ ఆదేశాల మేరకు పనిచేస్తున్నట్లు తెలుస్తున్నది. ఈ విషయమై గత 15 రోజులుగా అనేక దినపత్రికలు, వార్తా ఛానళ్లు వివిధ రకాల వార్తలు ప్రచురించియున్నారు. ప్రభుత్వానికి, అధికార పార్టీకి అనుబంధంగా ఉన్న 'నమస్తే తెలంగాణ' పత్రిక కూడా... **"మీ చేత నియమించబడిన అధికారులు క్షేత్రస్థాయి పరిశీలన చేయకుండా ఇంట్లో కూర్చుని నివేదికలు తయారుచేస్తున్నారని, ఇళ్ళలో కూర్చుని డోర్ లాక్‌లు, వలసలు అంటూ కాకి లెక్కలు అప్పగిస్తున్నారని"** కూడా ప్రచురించారు.

జీహెచ్ఎంసీ పరిధిలో ఉన్న 24 నియోజకవర్గాలలో 2014 సాధారణ ఎన్నికల నాటికి 83.77 లక్షల ఓటర్లు ఉండగా, అందులో తమరు నియమించిన ఎన్నికల అధికారులు 'వలసల' (షిఫ్టెడ్) కేటగిరీలో 21.86 లక్షల ఓటర్లను (మొత్తం ఓట్లలో 26%), 'డోర్ లాక్' కేటగిరీలో 13.18 లక్షల ఓటర్లను (మొత్తం ఓట్లలో 16%) తొలగింపుల కేటగిరీలో చేర్చారు. ఇందులో అత్యధికంగా ప్రతిపక్షాలకు చెందిన శాసనసభ్యులు ప్రాతినిధ్యం వహిస్తున్న ప్రాంతాలకు చెందినవి అయి ఉండడాన్ని తమ దృష్టికి తీసుకువస్తున్నాము. కొన్ని దశాబ్దాలుగా హైదరాబాద్‌లో స్థిర

నివాసం ఉన్నవారి ఓట్లు, అనేక ప్రభుత్వ/ప్రైవేటు సంస్థలలో పనిచేస్తున్న వారి ఓట్లు, అనేక దశాబ్దాలుగా హైదరాబాద్‌లో వ్యాపారం/వృత్తి చేసుకుంటున్న వారి ఓట్లు తొలగించడం మరియు వారికి ఎటువంటి సమాచారం తమరి ద్వారా అందకపోవడం అత్యంత బాధాకరం. మీరు గానీ, మీ సిబ్బందిగానీ తొలగింపు కేటగిరీలో చేర్చబడిన ఓటర్లలో అత్యధికులకు అనేక సంవత్సరాల నుంచి మీ కార్యాలయం ద్వారా ఎన్నికల ప్రక్రియకు సంబంధించిన విషయాలు వారివారి సెల్‌ఫోన్‌లకు సంక్షిప్త సమాచారం కూడా అందజేయబడుతుంది. ఈ తొలగింపు విషయాన్ని కనీసం మీరు ఆ సంక్షిప్త సమాచారాల రూపంలో కూడా అందజేయలేదు. ఎన్నికల విధుల్లో ఉన్న అధికారులు నిర్లక్ష్యంగా, బాధ్యతారహితంగా పనిచేయడం బాధాకరం. ఈ విషయమై తమరు తగిన చర్యలకు వెంటనే ఆదేశించవలసిందిగా కోరుతున్నాము.

అదేవిధంగా, ఆధార్ అనుసంధానం కూడా తమరు నియమించిన అధికారులు చేపట్టియున్నారు. భారత అత్యున్నత న్యాయస్థానం గతంలో వెలువరించిన అనేక తీర్పుల్లో ఆధార్ అనుసంధానం ద్వారానే ప్రాథమిక హక్కులు, సౌకర్యాలు ప్రజలకు అందుబాటులో ఉంటాయి అనే నిబంధన చెల్లదు అనేది చాలా సుస్పష్టంగా పేర్కొన్నారు. కానీ మీరు, మీ ద్వారా నియమించబడిన అధికారులు ఇచ్చిన ప్రకటనల ద్వారా ప్రజలలో ఒక రకమైన భయాందోళనలు కలిగించాయి. ఇటీవలి వరకు జీహెచ్ఎంసీ పరిధిలో ఆధార్ అనుసంధానం 31.62 లక్షల ఓట్లకు (మొత్తం ఓట్లలో 37.75%) మాత్రమే జరిగి ఉండగా, ఆధార్ అనుసంధానం పూర్తి కావచ్చిందని, మిగతా ఓటర్లకు ఓటు హక్కు రాబోయే స్థానిక సంస్థలు, ఇతర ఎన్నికలలో ఆధార్ అనుసంధానం కాని వారికి ఉండబోదని ప్రకటనల ద్వారా తెలియజేస్తున్నారు. ఇది భారత రాజ్యాంగం మరియు ప్రజా ప్రాతినిధ్య చట్టం ప్రకారం ప్రజల యొక్క ప్రాథమిక 'ఓటు' హక్కును తిరస్కరించడమే. ఆధార్ అనుసంధానం కాలేదనే కేటగిరీలో 12.64 లక్షల ఓట్లు (మొత్తం ఓట్లలో 15.09%) తొలగింపు కేటగిరీలో చేర్చినట్లుగా మా దృష్టికి వచ్చిన విషయాన్ని తమరికి తెలియపరుస్తున్నాము.

అత్యధికంగా విద్యాధికులు, ఉద్యోగులు, మేధావులు నివాసం ఉంటున్న జీహెచ్ఎంసీ పరిధిలో వలసల కేటగిరీలో 21.86 లక్షల ఓటర్లను (మొత్తం ఓట్లలో 26%), 'డోర్ లాక్' కేటగిరీలో 13.18 లక్షల ఓటర్లను (మొత్తం ఓట్లలో 16%), ఆధార్ అనుసంధానం కాలేదనే కేటగిరీలో 12.64 లక్షల ఓట్లు (మొత్తం ఓట్లలో 15.09%) మొత్తం కలిపి 47.68 లక్షల ఓట్లు (57.09%) తొలగింపులకు తమరు, తమచే నియమించబడిన సిబ్బంది నిర్ణయించడం అత్యంత బాధాకరం.

ఇందుకు ప్రధాన కారణం ఓట్ల నమోదు విధులకు సరైన సిబ్బందిని నియమించకపోవడం, పక్షపాత ధోరణితో నియమించబడినవారు పనిచేయడం, అధికారంలో ఉన్న పార్టీలు వారి ప్రయోజనాలకోసం పనిచేయడం, దురుద్దేశపూరితంగా కొంతమంది తాత్కాలిక ఉద్యోగుల ద్వారా ఈ ప్రక్రియలను నిర్వహించడం, ఎన్నికల విధుల్లో ఉన్న సిబ్బందిపై పర్యవేక్షణాలోపం అని మేము భావిస్తూ మీ దృష్టికి ఈ విషయాలన్నీ ఆధారాలతోసహా తీసుకువస్తున్నాము. ఈ ఓట్ల నమోదు ప్రక్రియ మొత్తాన్నీ బాధ్యత కలిగిన కేంద్ర ప్రభుత్వం అధికారుల పర్యవేక్షణలో జరిపి ప్రజల ప్రాథమిక హక్కును కాపాడవలసినదిగా తమరికి విన్నవించుకుంటున్నాము.

ఓటరుకు సరైన సమాచారం ఇవ్వకుండా ఓటరు జాబితా నుంచి పేర్లు తొలగించడం రాజ్యాంగం కల్పించిన హక్కును ఉల్లంఘించడమేనని న్యాయస్థానాలు కూడా నిర్ధారించాయి. ఇష్టానుసారంగా ఓట్లు తొలగింపు చేసిన వారిపై చర్యలు తీసుకోవాల్సిందిగా కోరుతున్నాం. 2014 సాధారణ ఎన్నికల్లో ఓటు హక్కు ఉన్నవారందరి ఓట్లను యథాతథంగా ఉంచేందుకు తగు ఆదేశాలు ఇవ్వవలసిందిగా కోరుతున్నాము.

South 'H' Block, A.P. Secretariat, Hyderabad.

Memo No.736/Elecs.E/A2/2015-132 Dated: 07.08.2015

Sub:- EPIC-Aadhaar Linkage – Deletion of large number of electors on the ground of shifted & non-furnishing of Aadhaar – Report – Called for -Regarding.

Ref:- From Telugu Desam Party representation dt.07.08.2015.

–:o0o:–

A copy of the representation cited is sent herewith to the District Election Officers of Hyderabad, Rangareddy and Medak. In the representation, it has been alleged that number of deletions i.e., 47.68 lakhs (57.09% of total electors) have been proposed in GHMC area duly categorised as door locked / shifted / not linked with aadhaar and verification has not been done properly.

In this regard, several times, instructions have been issued to all the District Election Officers not to propose any deletion on the ground that the elector has not been enrolled under the Aadhaar or Aadhaar has not been linked. The electors found in the category of shifted / door locked shall be re-verified by the Supervisory level officers before deleting them following due procedure. (X) It is observed that in GHMC area, 24,322 deletions of electors have been carried out during last week whereas there were 239 deletions in June, 2015 and 857 in July, 2015 in the ~~entire~~ AC.

The District Election Officers of Hyderabad, Ranga Reddy and Medak are, therefore, requested to furnish a factual report

(X) It has also been instructed to undertake random checks of the reports of the BLOs through the Supervising officer before it is acted upon.

on the representation of the Telugu Desam Party in the reference cited by 12.08.2015.

Letter No.736 /Elections.E/A /2015-134, Dt.08.08.2015

To
Sri Sumit Mukherji,
Secretary
Election Commission of India,
Nirvachan Sadan,
Ashoka Road,
New Delhi – 110 001

Sir,

It is submitted that the Chief Minister of Telangana State has talked to me over phone at 2.22 pm on 20.7.2015 and informed that he came to know about the programme through the media, about the linking of aadhaar with EPIC in the State, that the progress in other districts is quite satisfactory, but in the area of Greater Hyderabad Municipal Corporation, it is very seems to be poor; that the Chief Secretary and the Commissioner, GHMC who have attended some other review meeting are available with him and requested me to come for a discussion on the issue to know why it is lagging behind in the capital city and how it can be expedited to bring at par with the rest of the State. Accordingly, I have met the Chief Minister when the Chief Secretary and the Commissioner, GHMC, who is the DEO., Hyderabad were present. I have explained the instructions issued by the ECI on the NREPAP issue, the progress in other districts, which was around 82% %, and in GHMC area with 24 ACs, 35.31%, the reasons for poor performance in GHMC area and the strategy to bring at par with other districts of Telangana State.

2. With regard to e-mail of DEC (V2) dt. 28.7.15 Apropos to telephonic conversation, I furnish herewith the factual report on the contentions of the petitioner made in e-mail dt. 28.07.2015, which is marked to the CEC and all the officers of the Commission :—

i) The Commission has launched NERPAP in the month of March, 2015. Based on the instructions of the Commission, EPIC-Aadhaar linkage is being taken up in all the districts of Andhra Pradesh & Telangana States.

ii) In Andhra Pradesh, Aadhaar has been linked to 76.22% of electors and in Telangana State (except GHMC area), the linking is 84.45%, whereas in 24 Assembly Constituencies of GHMC area, on the day of my discussion with the Chief Minister on 20.7.2015, it was 35% and now it is 45%.

iii) The electors shown as in-eligible, dead, shifted, door locked, not enrolled on the day of discussion, it was 64.86% in GHMC area and now it is 53.16%.

iv) This shows that there is poor progress of the programme in GHMC Area and the door to door verification has not been conducted properly. There are many complaints stating that BLOs have not visited their houses in GHMC area whereas there is not even a single complaint from remaining 9 districts falling outside of GHMC area in Telangana State.

v) This was discussed in various meetings / video conferences with the Commissioner, GHMC, but there was no fruitful result. The District Election Officer of Hyderabad, who is the Commissioner, GHMC did not seem to have evinced much interest in NERPAP, of course, other pressing needs were getting diverted his attention from the NERPAP.

vi) The Commission has also sanctioned staffing pattern for the offices of the Chief Electoral Officer, District Election Officers and ERO / RO in the month of March, 2014 and ~~subsequently~~ revised in September, 2014. Accordingly, required proposals have been submitted to the State

Government for sanction of posts, but the State Government has not cleared the proposal till date. In spite of the letter of the Chief Election Commissioner to the Chief Secretary to the Government. This pending issue has also been brought to the notice of the Commission during their visit to Hyderabad in the month of July, 2015.

vii) In the letter dt 16.03.2015 addressed to the Chief Secretaries of the States, the Commission has desired that the offices of EROs / AEROs may kindly be strengthened immediately and every ERO / AERO should be provided with atleast one computer with internet connection and one printer along with one data entry operator in his office exclusively for election work. The Commission has also directed that the vacancies of Booth Level Officers, if any, may be filled immediately so that the ground work for the programme can be completed within the given schedule. The Commission has approved a one time remuneration of Rs. 2500/- for a BLO (in addition to annual honorarium) and Rs. 5000/- for a Supervisor for supervision in 8-10 polling stations for this programme (NERPAP). The remuneration of Rs. 2,500/- as mentioned to the BLOs will be in addition to the annual honorarium / remuneration currently being paid to them. The Commission has also asked the Chief Electoral Officer to make specific proposals on the above points to the State Government and requested the State Government that the proposals whenever received from Chief Electoral Officers may be considered positively. Accordingly, proposals have been submitted to the State Government, which are pending till now. & file

viii) The Commission has also requested the Chief Electoral Officer to furnish the panel of IAS Officers in the super time scale in consultation

with the State Government for appointment of Special Observers to oversee the NERPAP in the districts. Accordingly, the file has been circulated to the State Government for providing the list of Officers, but has not been received till now. The programme is coming to an end as per the schedule.

ix) The Commission has also enhanced the remuneration to the BLOs to Rs.6,000/- per annum and also fixed Rs.12,000/- per annum as honorarium to the Supervisors. This also needs approval of the State Government and the file has been sent to the Finance Department but file pending till now.

x) Besides, In addition, required budget for the NERPAP as well as revision of electoral rolls and elections has to be obtained from the State Government. The funds required for the present ongoing NERPAP has not been cleared by the State Finance Department so far due to financial crunch reported to have been facing by the State, prevailing in Finances.

xi) Apart from the above issues, it is submitted that the State has been bifurcated into two States and Telangana came into existence w.e.f. 2.6.2014. The Telangana State Government has been provided only two sections for O/o.CEO, Telangana (2 Section Officers, 4 Asst.Section Officers & 3 Office Subordinates) and one Officer in the rank of Dy.CEO. Out of 2 SOs, one post is vacant and out of 4 ASOs, 2 posts are vacant. Thus, the staff provided are not at all sufficient to cope up with the work load, and this issue was raised with Chief Secretary several times with a request to provide the staff as per the staffing pattern sanctioned by the

Commission, but in vain. This has also brought to the notice of the Commission during the last visit on 01.07.2015.

xii) The office accommodation provided by the Telangana Government is also not sufficient even for 2 sections and one officer. As advised by the CEC, during his visit to Hyderabad on 1.7.2015, enquiries were made in the vicinity of Secretariat to hire the building for CEO, Telangana but no suitable building is available for letting out due to prime location. Even in far away areas, the building owners are not willing to let out as the rent fixed by the Roads & Buildings Department of the State Government is much lower than the prevailing market rate.

xiii) All the proposals for appointment of EROs / ROs etc. have to be made to the Commission in consultation with the State Governments, which means the approval of the Chief Minister.

xiv) In respect of delimitation of Assembly Constituencies according to the A.P.Reorganization Act, 2014, the Commission has informed that in view of the third proviso to clause (3) of Article 170 of the Constitution, they are not in a position to carry out a full-fledged delimitation exercise in respect of Telangana & AP States, in the absence of an enabling legislation in this regard and advised the State Governments to take up the matter of delimitation of both the States and convey the views of the State Governments. Accordingly, both the State Governments have been informed by circulating a note and it is still pending in Telangana State. During the above discussions on 20.7.2015, when it was brought to the notice of the Chief Minister, he was more than willing to send the views of the State Government.

xv) Commission has been requested to declare the NERPAP as a revision of rolls programme, so that the district machinery comes on deputation to ECI and we could have better implementation without disturbance of election staff. But, the Commission has not issued any such orders in this regard. Almost for 20 days, there was no work under NERPAP because almost all the Government employees were busy in Pushkaralu.

xvi) All the proposals regarding release of funds, provision / requisition of staff, providing accommodation to the visiting dignitaries from the Commission / from other States, issue of election notifications by the Governor of the State, issue of notifications by the State Governments under Rule 74 of the R.P. Act, 1951, nomination of members under Governor's quota to the Legislative Council have to be processed by the Chief Electoral Officer in the capacity of the Ex-officio Principal Secretary to Government for Elections and circulated through the Chief Minister to the Governor.

xvii) It is further submitted that the Commission has changed the Returning Officer (Commissioner, GHMC) after the announcements of elections to Mahabubnagar-Ranga Reddy-Hyderabad Graduates' Constituency on the proposal made by the State Government directly without consulting the Chief Electoral Officer and the Commission notified the Special Commissioner, GHMC as RO for the said Constituency during-last-biennial elections, which has also been noticed as one of causes of poor performance in GHMC area in comparison with the rest of the State of Telangana.

xviii) It is relevant to mention here that the Commission launched a Pilot Project in November, 2014 in Greater Municipal Corporation Hyderabad and Nizamabad district before NERPAP and based on the experience sharing of these two areas, the Commission held a National Consultation on 14th February, 2015 at Hyderabad and formulated the NERPAP for the entire country. The Nizamabad district completed cent percent Aadhaar seeding, whereas it has not reached even 50% in GHMC area in spite of several visits to the Constituencies by the Chief Electoral Officer / Officers of the CEO Office and review meetings held several times.

3. It is further submitted that during the meeting with the political parties on delimitation proposal of Local Authorities' Constituencies of Telangana State held at Hyderabad by the Commission, all the political parties have supported the linking of Aadhaar with EPIC except AIMIM (Majlis Party). Thus, there has been no non-cooperation by the Political Parties in implementation of NERPAP. The same Majlis Party with significant presence in Nizamabad District has fully supported NERPAP and achieved cent percent linking, which shows that if DEO and Electoral Machinery takes special interest, the attitude of the Political Party can be changed in favour of the Programme.

4. It clearly shows that the complainant in the instant case is made by the vested interests who are vehemently opposing the implementation of NERPAP in Hyderabad District of GHMC and not even RR District (part) and Medak District (part) where the electors' strength is more than the Hyderabad District of GHMC area. With regard to the contents of the e-mail enclosed, it is further submitted that I have conducted phone-in programme for one hour each in all the major Telugu News channels of Andhra Pradesh and Telangana and

-3275-

clarified their all the doubts of the electors and instructions of the Commission on NERPAP. Further, Strict instructions have been issued to all the DEOs to re-verify the shifted cases once and door locked cases thrice and paste the sticker on the door of the residence with the particulars of the BLO to contact, supply the list of all categories of electors to Political Parties at AC, Ward/Division level (urban areas) for their feed back.

5. In view of the above circumstances explained and on the request of the Chief Minister, I have met the Chief Minister in the capacity of Chief Electoral Officer & EO Principal Secretary to Government in the interest of the prestigious NERPAP launched by the Commission and to speed up the programme in GHMC area. After the discussion, the entire GHMC officials including the non-electoral machinery, have been engaged in implementation of the programme by launching a drive in GHMC area comprising 24 ACs by making announcements through mike in all the localities requesting the electors to come forward and link the Aadhaar with EPIC and also calling upon eligible citizens who have not yet enrolled as electors or shifted their residence from one constituency to another to submit applications for enrolment as electors. Commissioner, GHMC has organized a special campaign today and tomorrow (8.8.15 and 9.8.15) with BLOs and other staff to assist BLOs at each polling station in GHMC area (24 ACs) to collect Aadhaar / applications, to clarify doubts etc. The programme is in full swing and all the Political Parties are coming forward to fully involve in the programme of collection of Aadhaar from the electors and purify the electoral rolls.

6. Further, at present, there are no elections to any house in the Telangana State and there is no model code of conduct in place. As such, there is no restriction for the Chief Electoral Officer to meet the Chief Minister for discussion on any such issues and ongoing programmes, as enumerated in paras 2 supra, as when the State's financial position is not in good shape, release of funds is based on the priority of the programmes, which is invariably decided by the Chief Minister.

This is submitted for kind information of the Commission and further instructions, if any.

Yours faithfully,

CHIEF ELECTORAL OFFICER

<><><><><><>

The District Election Officer & Commissioner, GHMC has conducted a meeting with the Representatives of Political Parties on 06-08-2015 at 10.00 AM in Face to Face Hall, Head Office, GHMC, to discuss the status of seeding of Aadhaar with EPIC in GHMC.

At the outset the DEO & Commissioner, GHMC has extended warm welcome to all the office bearers of the Political parties. The DEO has briefed them about the existing problems regarding the voter list in all big cities of India, one of them being that voters keep constantly shifting from one location to another and get enrolled at every new location without deleting old enrollment thereby causing many duplicate entries in the voters list. This causes difficulties in planning the elections properly and results in very less voter turn out percentage during elections.

The DEO informed that, according to 2011 census total population of GHMC area is 67.31 lakhs whereas voters are about 73 lakhs, hence the elector – population ratio is

disproportionate. If Electoral roll is prepared properly without any errors and duplicates then elections can be planned properly and executed to the level of perfection leading to increase in the voter turnout percentage.

The DEO informed that the ECI has started this prestigious project of National Electoral Roll for Purification and Authentication program for purifying the Electoral roll (NERPAP), and to generate error free electoral roll. The percentage of Aadhaar seeding with voter card is 44% in the GHMC area. From 24th July onwards, the machinery of GHMC has been geared up fully in the work to collect the Aadhaar from the voters to seed them. In just last one week more than six and half lakh entries Aadhaar collected and seeded and around 50000 - 60000 voter Aadhaar cards are being linked every day.

He also informed that in some areas the response from the public is poor and that the following measures are being taken to increase the percentage by peoples participation and requesting the representatives of political parties to extent their support.

1. One employee of GHMC is deployed at the all the fair price shops of the GHMC area to collect the Aadhaar number from the ration card holders who come to take the ration from the FP shop.
2. The staff members are also provided with the forms 6/7/8/8A and instructed to supply the same to the people who are not enrolled and collect the forms back so along with the Aadhaar number to enroll their names in the electoral roll.
3. The SKS data has been obtained and the same is being used to extract the Aadhaar numbers of voters to ensure optimum seeding of Aadhaar in GHMC area.
4. Special campaign day is planned on 08-08-2015. The BLOs and other GHMC staff forming a team will be deputed to the Polling stations to collect the Aadhaar details. The political representatives are requested to motivate the people at their level and to visit their respective polling stations with their Aadhaar details to provide the same to the employees attending the duties for the purpose.
5. In case the people do not have the Aadhaar cards, Aadhaar enrollment centres have been established at the citizen service centres of all the 18 circles offices of GHMC. People can enroll themselves at any of the Aadhaar enrollment centre.

It is observed that about 18 lakh voters are shifted and about 10 lakh voters are found door locked and requested, hence requested the representatives to extend their cooperation for improvement in percentage of Aadhaar seeding

The representatives of political parties have made the following suggestions:

- To increase publicity through mikes sets, scrolling in TV and Radio jingles.
- The services of tax collectors, electricity bill readers and water meter readers may also be utilized.
- To display hoardings at important junctions to spread message among the public.
- To cross check the door locked and shifted cases and visit such cases in morning, evening and on holidays.
- Colony associations and Residential welfare associations may also be involved.
- The BLO system may be strengthened.
- To display the banners at the fair price shops with an appeal to the people to link their Aadhaar card with EPIC card.
- To display the list of seeded and unseeded voters on the website.

3291

The DEO has informed the representatives of political parties that :

1. Arrangements have already been made for engaging 400 Autos fitted with mike sets to propagate in the less coverage areas.
2. Deploying circle staff to visit the Door lock cases three times to identify the permanent shifting.
3. Notices are issued to all the shifted/door lock cases under Section 21 of R.P.Act by giving 7 days time.
4. In respect of the newly occupied families, the form-6 are supplied and filled in forms are collected with Aadhaar details for enrolment who are not enrolled.
5. In respect of not enrolled Aadhaar enrollment centres have been opened at the citizen service centres of all the 18 circle offices of GHMC in addition to the regular Permanent Enrolment centres.

The DEO & Commissioner, GHMC has requested all the representatives of political parties to extend their cooperation in motivating the voters to furnish their Aadhaar /EPIC details for seeding them and for preparation of purified electoral rolls.

ELECTION COMMISSION OF INDIA

NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No. 23/1/2015(NERPAP)-ERS

Dated: 13th August, 2015

To,

The Chief Electoral Officers of
All States and Union Territories.

Subject: National Electoral Rolls Purification & Authentication Programme (NERPAP) – Collection of Aadhaar Number from the applicants - regarding

Sir/Madam,

I am directed to refer to the Commission's letter No. 23/1/2015-ERS dated 27th February, 2015 issuing detailed guidelines for National Electoral Rolls Purification & Authentication Programme (NERPAP) activities launched on 3rd March, 2015. One of the major objectives of NERPAP is linking and authentication of EPIC data of electors with Aadhaar data of UIDAI. For this purpose, currently Aadhaar Number of electors is being collected through various modes throughout the country.

2. In this connection, I am to state that the Hon'ble Supreme Court of India, while considering Writ Petition (Civil) No. 494 of 2012 (Justice K.S. Puttaswamy (Retd.) & Another v/s Union of India & Others),has, by way of an interim measure, passed, *interalia*, the following Order on 11th August, 2015 -

> ***".....2. The production of an Aadhaar card will not be condition for obtaining any benefits otherwise due to a citizen;***
>
> ***3. The Unique Identification Number or the Aadhaar card will not be used by the respondents for any purpose other than the PDS Scheme and in particular for the purpose of distribution of foodgrains, etc. and cooking fuel, such as kerosene. The Aadhaar card may also be used for the purpose of the LPG Distribution Scheme;***
>
> ***4. The information about an individual obtained by the Unique Identification Authority of India while issuing an Aadhaar card shall not be used for any other purpose, save as above, except as may be directed by a Court for the purpose of criminal investigation;"***

3. Accordingly, in the light of the above Order, the Commission has directed the following –

(i) All further activities relating to collection/feeding/seeding of Aadhaar Number being undertaken currently under NERPAP shall be suspended with immediate effect till further directions from the Commission. In other words, henceforth no more collection of Aadhaar Numbers from electors or feeding/seeding of collected Aadhaar data shall be done by any election authority or official connected with the NERPAP.

(ii) No Aadhaar data shall be collected from any other agency/data hub/organization of Central Government/State Government, nor should the data collected so far be used for any authentication/other purpose.

(iii) So far maintenance of data security and confidentiality of Aadhaar data, already collected from electors or from some other Government Departments/Agencies is concerned, the Commission's instructions contained in letter No. 23/1/2015(NERPAP)-ERS dated 22nd May, 2015 shall be adhered to scrupulously by all election officials involved in the activity.

(iv) All DEOs, EROs, AEROs, BLOs and other field level electoral machinery shall be sensitized of the Commission's above instructions for strict compliance. Any violations of these instructions will be viewed seriously by the Commission and attract disciplinary action.

(v) Proper publicity shall be given to disseminate the Commission's above instructions. A Press Note shall be issued by CEOs and DEOs clarifying the position in the wake of the Supreme Court's Order, referred to above, for information and compliance by all concerned.

(vi) All publicity being done in respect of NERPAP activities relating to collection of Aadhaar Number shall be stopped immediately and all publicity material pertaining thereto, available on CEO's website shall be withdrawn. Information about suspension of this activity should be displayed on the website and notice boards in the offices of DEOs and EROs/AEROs.

(vii) Other activities of NERPAP for purification except collection/feeding/seeding of Aadhaar Number, will continue and be carried out during the period of Continuous updation and special Summary Revision, 2016.

4. These instructions shall be brought to the notice of all concerned. All concerned will ensure strict compliance of order of Hon'ble SC as stated above. (A copy annexed)

5. Kindly acknowledge receipt of the letter and ensure strict compliance.

Yours faithfully,

(NARENDRA N BUTOLIA)

CONTEMPT PETITION (CIVIL) NO.470 OF 2015 IN WP(C) 494/2012

INTERIM ORDER

After the matter was referred for decision by a larger Bench, the learned counsel for the petitioners prayed for further interim orders. The last interim order in force is the order of this Court dated 23.9.2013 which reads as follows:-

"....

All the matters require to be heard finally. List all matters for final hearing after the Constitution Bench is over.

In the meanwhile, no person should suffer for not getting the Aadhaar card inspite of the fact that some authority had issued a circular making it mandatory and when any person applies to get the Aadhaar card voluntarily, it may be checked whether that person is entitled for it under the law and it should not be given to any illegal immigrant."

It was submitted by Shri Shyam Divan, learned counsel for the petitioners that the petitioners having pointed out a serious breach of privacy in their submissions, preceding the reference, this Court may grant an injunction restraining the authorities from proceeding further in the matter of obtaining biometrics etc. for an Aadhaar card. Shri Shyam Divan submitted that the biometric information of an individual can be circulated to other authorities or corporate bodies which, in turn can be used by them for commercial exploitation and, therefore, must be stopped.

The learned Attorney General pointed out, on the other hand, that this Court has at no point of time, even while making the interim order dated 23.9.2013 granted an injunction restraining the Unique Identification Authority of India from going ahead and obtaining biometric or other information from a citizen for the purpose of a Unique Identification Number, better known as "Aadhaar card". It was further submitted that the respondents have gone ahead with the project and have issued Aadhaar cards to

about 90% of the population. Also that a large amount of money has been spent by the Union Government on this project for issuing Aadhaar cards and that in the circumstances, none of the well-known consideration for grant of injunction are in favour of the petitioners.

The learned Attorney General stated that the respondents do not share any personal information of an Aadhaar card holder through biometrics or otherwise with any other person or authority. This statement allays the apprehension for now, that there is a widespread breach of privacy of those to whom an Aadhaar card has been issued. It was further contended on behalf of the petitioners that there still is breach of privacy. This is a matter which need not be gone into further at this stage.

The learned Attorney General has further submitted that the Aadhaar card is of great benefit since it ensures an effective implementation of several social benefit schemes of the Government like MGNREGA, the distribution of food, ration and kerosene through PDS system and grant of subsidies in the distribution of LPG. It was, therefore, submitted that restraining the respondents from issuing further Aadhaar cards or fully utilising the existing Aadhaar cards for the social schemes of the Government should be allowed.

The learned Attorney General further stated that the

respondent Union of India would ensure that Aadhaar cards would only be issued on a consensual basis after informing the public at large about the fact that the preparation of Aadhaar card involving the parting of biometric information of the individual, which shall however not be used for any purpose other than a social benefit schemes.

Having considered the matter, we are of the view that the balance of interest would be best served, till the matter is finally decided by a larger Bench if the Union of India or the UIDA proceed in the following manner:-

1. The Union of India shall give wide publicity in the electronic and print media including radio and television networks that it is not mandatory for a citizen to obtain an Aadhaar card;

2. The production of an Aadhaar card will not be condition for obtaining any benefits otherwise due to a citizen;

3. The Unique Identification Number or the Aadhaar card will not be used by the respondents for any purpose other than the PDS Scheme and in particular for the purpose of distribution of foodgrains, etc. and cooking fuel, such as kerosene. The Aadhaar card may also be used for the purpose of the LPG Distribution Scheme;

4. The information about an individual obtained by the Unique

Identification Authority of India while issuing an Aadhaar card shall not be used for any other purpose, save as above, except as may be directed by a Court for the purpose of criminal investigation.

Ordered accordingly.

–:o0o:–

The attention of all the District Election Officers in Andhra Pradesh and Telangana is invited to the references cited. In the reference fourth to sixth cited, it has been informed that Early Bird Incentives to the District Election Officers; Appreciation Certificates to District Election Officers who achieved 95% before 31.05.2015 and Incentives to BLOs / AEROs / EROs will be given. Awards / incentives were proposed to be given at State level as well as District level.

Now, it has been decided to give the following State level awards / incentives to the DEOs / EROs / AEROs / Dy.Tahsildars / BLOs in the ceremonial function at State level in connection with National Voters' Day on 25.01.2016. The District level awards / incentives shall be given by the District Election Officers on 15.08.2015 at Independence Day celebrations at district level to the 1 (One) Electoral Registration Officer and 3 (Three) Booth Level Officers. The list of EROs & BLOs, who have been selected for the award / incentive in each district is enclosed herewith.

In respect of district level awards / incentives for AERO / Dy.Tahsildars (2 per district) and Supervisor (2 per district), the District Election Officer shall select the officers and give the award to them on 15.08.2015 along with EROs / BLOs. The Cash prize for District level award will be Rs.10,000/- for ERO, Rs.8,000/- for AERO / Dy.Tahsildar, Rs.7000/- for Supervisor and Rs.5,000/- for BLO and the budget will be provided later.

(P.T.O.)

In addition to the above categories, the District Election Officer is at liberty to issue Certificates to the officers who have done the work to achieve the targets and to purify the electoral rolls. Cash awards will not be issued to such officers.

A Model Certificate to be issued to the District level awardees is enclosed herewith and the same may be got printed and issued.

BHANWAR LAL,
CHIEF ELECTORAL OFFICER &
E.O. PRL.SECRETARY TO GOVERNMENT

The attention of all the District Election Officers of Andhra Pradesh and Telangana is invited to the references cited and a copy of the ECI letter fifth cited is sent herewith. They are aware that the Commission has issued instructions for suspension of all further activities relating to collection / feeding / seeding of Aadhaar number being undertaken with immediate effect in the light of the Supreme Court's interim order dt.11.08.2015 of the Hon'ble Supreme Court of India in W.P.(Civil) No.494 of 2012.

2. In the reference first cited, the Commission has communicated the modified Forms 6, 7, 8 & 8A duly inserting the field of Aadhaar number and in the reference third cited, instructions on duties and responsibilities of BLOs have been issued and communicated the revised and standardized format of BLO Register, which were communicated vide this office memos second and fourth cited.

3. Now, the Commission vide its letter seventh cited has directed that the field provided for Aadhaar number in Electoral Database in Forms 6, 7, 8, 8A as prescribed and also Aadhaar number in BLO Register should immediately be removed and that to avoid wastage of paper, existing stock of the Forms and BLO Registers with field for Aadhaar Number shall be used by removing Aadhaar field by hand marking (blackening) with black sketch pen.

(P.T.O.)

4. In view of the above, all the District Election Officers are, therefore, requested to print the Form-6,7,8 & 8A without the field of Aadhaar number. If the modified forms have already been printed with the field of Aadhaar number, they can be used by removing Aadhaar field by hand marking (blackening) with black sketch pen, as instructed by the Commission.

5. The District Election Officers are requested to communicate these instructions to all EROs / AEROs / BLOs / Supervisors immediately.

ii) There shall be one BLO for each and every Polling Station. The DEOs shall ensure the appointment of BLO of every polling station. If any BLO is found non-resident or non-elector or not working in the area of the polling station, he / she shall be replaced with another official or anyone among the categories

(P.T.O.)

-3391

specified by the E.C.I., who is either an elector or resident or working in the area of Polling Station, which is under his / her charge.

iii) Also ensure that one supervisor is appointed for 10 BLOs and adequate training on their role is imparted to them.

iv) Training and Orientation of EROs and AEROs shall be completed by 31.08.2015 and to the BLOs / Supervisors by 07.09.2015. The DEO shall prepare the schedule of the EROs and AEROs training at district level and BLOs / Supervisors training programme has to be ensured by the ERO. A copy of the schedule of training shall be sent to this office for onward transmission to the Commission.

v) The pdf of duplicates generated in the O/o. CEO are already supplied in soft copy through FTP to the District Election Officers for delivering printed copies to the ERO concerned. The EROs, in turn, should have distributed these lists to the respective BLOs for report. All duplicates shall be deleted by 31.08.2015.

vi) Photographs of the non-photo electors, if any, and in case of any mis-match of photograph / non-recognisable / double photograph, should have been collected during the door to door verification and its integration to database shall be completed before draft publication.

vii) Mapping tables for rationalization of polling stations shall be prepared by 10.09.2015 without fail.

viii) Rationalization of Polling Stations (Splitting / merging of database according to the approved list of Polling Stations) will be taken up centrally at Hyderabad. For this purpose, the District Election Officer shall depute the Election Deputy Tahsildar (OR) Election Senior Assistant and the CMC technical person to Hyderabad with all relevant material and mapping tables so as to reach this office by 16.09.2015 at 10.30 a.m.

ix) The Election Sr.Asst.,/Election Deputy Tahsildar and the CMC Programmer should verify/certify the statistical reports / sample reports taken after the process at Hyderabad. The district team shall stay in Hyderabad till the process is completed.

x) The data base after rationalization along with the electoral roll with supplements for publication of draft roll will be handed over to the district personnel by 30.09.2015.

(P.T.O.)

5. Rationalization of Polling Stations:

i) The E.C.I. has issued detailed instructions for rationalization of polling stations in Annexure-A to the letter cited and the District Election Officers shall scrupulously follow the instructions for creation / merging of polling stations. The DEOs should conduct a meeting on 04.09.2015 with the representatives of all recognized political parties and legislators at district level and intimate the same to this office. The DEOs shall obtain suggestions / requests for creation / modification of the polling stations from representatives of political parties, process the same and prepare a list of proposed modifications. The schedule for rationalization of polling stations is as follows:

S. No.	Activity	Period of Activity to be completed (From date to date)
1	Process of rationalization	
	i) Preparation and supply of copies of proposals to Political Parties	By 31.08.2015
	ii) Meeting with Political Party representatives & MLAs / MPs to discuss the draft list of polling stations and suggestions received at the level of DEO	04.09.2015
	iii) Forwarding the list of proposed modifications in the existing list of polling stations to ECI	By 12.09.2015
	iv) Taking up splitting and merging of data as per the approved list of polling stations at o/o.CEO.	16.09.2015 to 25.09.2015
	v) Preparation of supplement of continuous updation and generation of entire roll for publication of Draft Rolls on 05.10.2015	By 30.09.2015

ii) The DEOs are, therefore, requested to arrange for 100% physical verification of the existing polling stations for this purpose, obtain information on number of voters and distance of each habitation attached to a Polling Station and obstacles in reaching the Polling Station like water stream, river, hillock etc. and other parameters laid down in the guidelines in Annexure-A attached to the reference cited. While sending the proposals

(P.T.O.)

-3393

for rationalization of polling stations, specific report on the points mentioned at Para 2D of Annexure-A shall be furnished.

iii) Only after obtaining the Commission's approval and publishing the same in accordance with the existing instructions, the draft publication of the electoral roll shall be done as per the new amended list of polling stations. On receipt of approval from the Commission, the updation of database as per the amended list of polling stations will be taken up centrally at Hyderabad from 16.09.2015 to 25.09.2015, for this, the DEOs shall prepare the mapping tables by 10.09.2015 as per the amendments proposed to the Commission.

6. The District Election Officers are requested to make a comprehensive plan to ensure the following activities before draft publication is put in public domain:-

(i) Provide the offline search for searching the names in the electoral rolls in ward offices in city areas. The SLA has already provided a tool for such search, however, the District Election Officers have to get it tested and monitor the same;

(ii) A Call centre with toll free number shall be set up at district level.. The number should be widely publicized and furnished to this office.

(iii) A detailed action plan of SVEEP with partner organizations including Government Departments, Educational Institutions, NSS, NYKS, Resident Welfare Associations, Self Help Groups, Media including Doordarshan and All India Radio, Department of Field Publicity, DAVP, Civil Society and Youth Organizations shall be worked out for wide publicity.

(iv) Detailed planning of events both in the cyber space and physical world for the entire duration of the campaign.

(v) Know your BLO campaign should be organized in each locality / Polling Station, so that every BLO is well known to the voters of his / her area.

(vi) Motivational and knowledge based training of all BLOs, Supervisors, EROs and AEROs must be organized. Motivation of BLOs is essential to the success of the campaign. For this purpose full compliance of the Commissions' existing instructions relating to remuneration / cash incentives, identity cards, name boards and other such measures should be ensured.

(P.T.O.)

(vii) Detailed interaction with Resident Welfare Association (RWA) should be organized in urban areas. Role of Booth Level Volunteers (BLVs) should be explained to them in the meeting. Depending on local need, suitable voter facilitation campaign should be planned in each and every colony with the help of RWAs, particularly, municipal corporations and metro cities.

(viii) In the meetings with educational institutions, the Principals should be asked to distribute blank Form 6 to the aspiring students, who should be motivated to fill in From 6 along with admission forms. One teacher in every educational institution should be made nodal officer to collect Form 6 from all eligible students, they will ensure that names are added in the Photo Electoral Roll and EPICs are distributed through him / her in that institution.

(ix) Detailed action plan for associating / seeking cooperation of various other organizations should be worked out and implemented.

(x) All forms i.e. form 6, 7, 8 ,8A and 6A with perforated sub-sections, in accordance with the Commission's instructions contained in its letter No.23/Forms/2015-ERS, dt.15.04.2015 ONLY are printed and used for revision exercise. The District Election Officers are permitted to print the required minimum quantity of forms at district level duly following the procedure.

(xi) The BLOs should be asked to make field visit to the households in urban areas during morning and evening hours, and not during day time. If during the visits, they find any house locked, then they should paste a sticker on the door, which, inter-alia, should mention:

"I had come to verify your name in the electoral roll, but you are not available. Please contact me .....(name)..... (Mobile No.) at ..... (Polling Station / office Address) on Sunday between 10.00 a.m. to 5.00 p.m."

ఓటర్ల లిస్టులో పేరు పరిశీలన కొరకు మీ ఇంటికి వచ్చినపుడు మీరు అందుబాటులో లేరు. అందువలన, దయచేసి వమ్మ.....(పేరు).....
(మొబైల్ నెంబరు) పోలింగు కేంద్రంలో అంటే .....
(పోలింగు కేంద్రం / కార్యాలయ చిరునామా)లో ఆదివారం నాడు ఉదయం 10.00 గంటలు మరియు సాయంత్రం 5.00 గంటల మధ్య కలువగలరు.

-3395-

The above adhesive stickers shall be printed and supplied by the District Election Officers through the Electoral Registration Officers concerned.

(xii) Ensure presence of the BLO at the PS Location / Ward office on 11.10.2015 and 01.11.2015 between 10.00 a.m. to 5.00 p.m. At that time, the BLO shall clarify the elector on registration / modifications / deletions / transpositions etc.

(xiii) The decision of ERO on any claim/objection forms shall, without fail, be intimated to the applicant detaching perforated sub-section of form.

(xiv) Statistical analysis using formats 1 to 8, prescribed by the Commission for this purpose, should be made not only for each AC but also for each polling station by the ERO/BLO concerned Based on this analysis, polling stations with sharp deviations should be identified and necessary corrective measures to address the problems should be taken by the concerned ERO/BLO. The DEO, on the basis of inputs received from each ERO, shall compile an Action Plan for entire District.

(xv) All records should at all times be kept up to date and reports of progress as well as lists of the locations where field operations are in progress should be available with the officers concerned.

(xvi) The District Election Officers are requested to submit their Plan of Action in the matter to this office latest by 31.08.2015 and to adhere to the time-line provided for each of the pre-revision activities strictly and send progress report on the above activities on weekly basis by post and make data entries in respective software application available on the CEO's Portal of the Commission.

(xvii) According to the schedule, the draft Photo Electoral Roll shall be published on 05.10.2015 in all the designated locations viz., Polling Station locations, Offices of the Electoral Registration Officers and Assistant Electoral Registration Officers, Fair Price Shops, Ward / Municipal / Panchayat Offices in the respective Assembly Constituency.

7. Keeping in view of the guidelines issued in the reference cited and the existing guidelines issued from time to time on revision of

(P.T.O.)

electoral rolls, the following consolidated instructions are issued for taking appropriate action by the District Election Officers:

(i) Purification of electoral rolls:

The purification of electoral rolls after re-verification of door locked electors and deleting of dead, duplicate, shifted and ineligible electors duly following the prescribed procedure shall be completed by 31.08.2015.

(ii) Disposal of applications received under continuous updation / during door to door verification:

All pending physical / e-registration applications (Form 6, 6A, 7, 8 & 8A) shall be disposed of and its data entry shall be completed by 31.08.2015 along with the data updation based on the de-duplication campaign by the BLOs, ensuring that no application would be pending, when the draft roll is published. The applications received from 01.09.2015 onwards till draft publication of Photo Electoral Roll, 2016 shall be verified and kept ready for data entry during claims and objections period of SSR, 2016.

(iii) A check of the presence of names of MPs, MLAs, MLCs and Persons holding declared offices:

EROs should check the presence of names of MPs, MLCs, MLAs and Persons holding declared offices in the rolls. Corrective action shall be taken duly following the due process of law before the draft publication. All DEOs are requested to ensure that there shall not be any complaint regarding missing of names of MPs, MLCs, MLAs and Persons holding declared offices from the electoral roll. Soon after the draft publication, the ERO should send a certificate in the form given in the Hand Book for ERO, 2012 to the CEO in regard to the names of the Members of Parliament, the State Legislatures and the Persons holding declared offices, which are being continued in the electoral roll.

According to Section 20 (4) of the R.P.Act, 1950, any person holding any office in India declared by the President in consultation with the Election Commission to be an office to which the provisions of this sub-section apply, shall be deemed to be ordinarily resident on any date in the constituency in which, but for the holding of any such office, he would have been ordinarily resident on that date. Hence, the holder of a declared office who desires to be registered as an elector in the constituency in which, but for his holding such office, he would have been ordinarily resident, can also get registered there. Declared office holders at the center are President and Vice President,

-339-

Ministers and Ministers of state and Deputy Ministers of the Union, Deputy Chairman and Members of the Planning Commission, Speaker and Deputy Speaker of the Lok Sabha, Deputy Chairman of the Rajya Sabha and Parliamentary Secretaries of the Union. Declared office holders of a state are, Governor, Cabinet Ministers, Ministers of State and Deputy Ministers, Chairman and Deputy Chairman of State Legislative Council, Speaker and Deputy Speaker of State Legislative Assembly, Parliamentary Secretaries of State and the Lt. Governor of UTs. A declared office holder will specify in his statement the place where he would have been ordinarily resident but for holding the office.

The ERO shall take necessary action for inclusion of the names of the electors who are the holders of declared offices on receipt of Form 1 under Rule 7 of Registration of Electors Rules, 1960 in the appropriate parts of the rolls in the absence of evidence to the contrary.

(iv) Corrections in the roll since last publication:

Changes in the already published final rolls during previous revision may have been necessitated on account of corrections suggested by the political parties, individuals and other agencies subsequently during continuous updation as well as during door to door verification by the Booth Level Officers. All such corrections / suggestions received after the last final publication should be checked and after following due procedure, if found necessary, need to be incorporated in the supplement of continuous updation to be prepared before the draft publication.

(v) Updation of Control Tables:

Time to time Instructions have been issued to update the correct names of the Revenue Divisions, Assembly Constituencies, Mandals, Villages and Habitations in English & Telugu in the electoral roll database. Even after several such repeated instructions, mistakes are still continuing in the database. The District Election Officers are, therefore, requested to carry out correction in the spelling mistakes in the names of habitations, villages, Mandals both in Telugu and English duly updating the other fields of control tables viz., Polling Station, Polling area, Section details etc., in the online database. There should be no errors in the control tables data base and in the draft electoral rolls to be published on 05.10.2015 under SSR, 2016. If any errors are noticed on the complaints from the Political Parties / individuals / NGOs / RWAs etc., EROs / AEROs will be held responsible for such serious lapses and Commission may take a serious view on such errors.

(P.T.O.)

(P.T.O.)

(vi) Creation of as number of Sections as possible:

According to the guidelines issued by the Commission, electoral roll Parts are required to be further sub-divided into sections. These sections are not statutory in nature. However, they are very important from the point of view of inter-relationship of control tables. They are also important in identifying the place of residence of an elector within a geographical location. If sections are properly made and maintained, breaking of parts into smaller parts or combining parts into larger parts becomes very easy. Similarly, at the time of fresh delimitation, sections can be useful in making a new delimited electoral roll. Some important points with respect to sections are reiterated below: -

a) A section should neither be very large nor very small. Ideally a section should have 60-100 voters.

b) A section should ideally have well defined boundaries for example, it can be houses on one side of the road or houses in a row or blocks of the same street in a colony etc. In large urban areas having multi-storied buildings, the apartment-building itself or even part of the building can be section.

c) It should be ensured that a section should never fall into multiple villages, multiple wards of a town or multiple wards of village panchayat. Similarly, one section should not fall in more than one administrative unit of any kind. When these guidelines are adhered to, the result would be that locating a voter in a section will also automatically locate him or her in any other administrative unit.

d) Details of all such administrative units that are linked with the section should be available in the sec_detail table. Section no. should be put against the name of every elector in the e_detail table.

e) A Section should be so organized that it can easily be hived off into a new Polling Station/ Part; whenever required.

f) A Section should always be contiguous.

On verification of existing electoral rolls, most of the Polling Stations are not properly divided into sections. In most of the cases, entire part has been made one section, which is obviously wrong method of sectionisation. Creation of as many number of sections as possible, particularly in urban areas / towns, certainly helps the elector as well as the administration for easy identification of elector in the roll. Hence, all the District Election Officers are requested to direct the EROs / AEROs to concentrate on this exercise.

-3399-

(vii) Appointment of BLO for each Polling Station and Uploading of details to CEO's web site:

The District Election Officers, who are creating new Polling Stations should ensure that BLO shall be appointed at the earliest for the new Polling Station before the draft publication of Roll i.e., 05.10.2015. The District Election Officers are also requested to furnish the information on the BLOs appointment along with the details of BLAs appointed by the political parties. The details of BLOs including bank details along with their photographs shall be uploaded to CEO's website before publication of draft electoral roll.

(viii)Availability and provisioning of Forms:

Adequate number of Forms required for the revision process, in required languages should be printed at district level and should supply to EROs for placing at all designated locations and with all revision related officials, particularly, with Booth Level Officers.

(ix) Printing of roll:

According to the ECI instructions, multiple copies of the photo electoral roll can only be laser printed or made through digital photocopier as quality copies cannot be made by photocopying with normal photocopiers. All DEOs, therefore, shall take necessary action to print the required number of copies of the photo electoral roll through the vendors using the laser printers or through digital photocopier at district level at economical rates duly following the procedure.

(x) Number of copies of the rolls to be printed:

The number of copies to be printed should be calculated taking into account the following considerations as mentioned in the Hand Book for E.R.Os., 2012:

i) Copies of the electoral rolls are to be supplied to the national and recognized state parties of the state, free of cost.

ii) Copes required for sale to political parties and candidates depending upon the actual requirement in the previous years.

iii) Copies required for use at the time of General/Bye-election due in the next two years depending upon the actual requirements in the previous General election/bye-election.

iv) Copies required to be kept for use in the office of Chief Electoral Officer, District Election Officer and the Electoral Registration Officer.

v) Copies required to be preserved as record.

vi) Copies required to be given to State Election Commission and Directorate of Local Bodies;

vii) Copies required for final publication

viii) Copies to be kept on the reserve stock.

Wherever electoral rolls are printed in more than one language, assessment of the requirements of copies in each language shall be made separately.

According to Rule 32 of the Registration of Electors (Amendment) Rules, 2013, one authenticated printed copy of the roll and one copy of the roll in electronic form shall be retained with the District Election Officer as a Permanent record. **All DEOs are requested to keep the one complete copy of roll both in Hard and soft format on the permanent basis in the custody of District Election Officer, since many citizens have been asking for the old data under RTI Act, 2005.**

(xi) Publicity:

Adequate publicity and awareness drive shall be ensured by DEOs regarding the summary revision programme. All the DEOs shall get the revision schedule properly disseminated to media, political parties and social organizations/RWAs and reach out to electors / eligible population extensively well before the date of draft publication of electoral rolls. For making the purpose of publication of draft rolls more effective, series of SVEEP events, periodeical meetings with Political Parties at Mandal, Constituency and District level and press meets may be organized for widest possible dissemination.

(xii) Consultations with Political Parties / other organizations:

District, Constituency and Mandal level consultations shall be held with Political Parties to apprise them of the revision schedule and seek cooperation expected of them before date of draft publication. Copies of the draft Electoral Rolls should be handed over to political parties in public meeting in the presence of press, media and celebrities. In any case, proper acknowledgement receipt must be obtained and kept in record. In addition, particulars of the locations where copies of the rolls will be available for inspection and the days fixed for meetings of Gram/Ward Sabhas; BLOs & BLAs and Resident Welfare Associations, etc. at the respective Polling Stations shall be informed to them.

(P.T.O.)

-340/

Consultations / meetings shall also be organized by the District Election Officers with the Civil Society Organizations / CII, FAPCCI, FAPSIA and other Commerce and Industry Organizations / RWAs / Consumer Protection Organizations / NGOs / S.H.Gs / Samaikhyas at district level, in order to discuss possible alternative strategies to achieve cent percent registration of all eligible citizens, to make the electoral registration more voter friendly and also involve them fully in connection with celebrations of National Voters Day on 25.01.2016.

The Civil Society Organisations / Resident Welfare Associations shall be asked to extend their full and active cooperation in enrolment of all eligible persons as electors, purification of rolls by weeding out shifted / dead / ineligible / duplicate electors and to extend their voluntary support to the Booth Level Officers by providing Booth Level Volunteers to work with BLOs to achieve the cent percent registration.

(xiii)Appointment of BLAs:

In order to enhance the participation by the recognised political parties in roll revision, the Commission has introduced the system of appointment of Booth Level Agent (BLA) for roll revision on the pattern of appointment of Polling Agents during polling.

According to ECI instructions, every recognised political party through its President or Secretary or any other office bearer of the party shall authorize one **district representative** to appoint Booth Level Agents (BLAs) in **Form ID : BLA 1** (copy enclosed). The Form must be singed, in ink only and should be delivered within 7 days of announcement of the scheduled date of draft publication.

The authorized district representative of Political Party will further appoint **Booth Level Agents (BLAs) for each Polling Station in Form ID : BLA 2** (copy enclosed). The Form must be singed in ink only. The BLA will collect one printed copy of relevant Part(s) of the draft electoral roll from the Designated Officer/Booth Level Officer.

Once a BLA is appointed by a Political Party for revision of electoral rolls for a particular year, his/her appointment as BLA will be valid for the later years also until and unless the nomination/authorization of such BLA is expressly withdrawn by the said Party or such BLA has ceased to be a registered elector of the Constituency for which he/she has been appointed.

(P.T.O.)

(P.T.O.)

The appointment of Booth Level Agents for each polling station and furnishing their names and addresses in the prescribed format to all the Electoral Registration Officers, District Election Officers and the Chief Electoral Officer shall be completed by **30.09.2015**. The Booth Level Agent (BLA) would take up Special Campaign for Roll Revision process on special campaign days falling on 11.10.2015 & 01.11.2015.

DEOs are requested to issue instructions to all the Designated Officers/BLOs to conduct these meetings and to give clear instructions that the minutes of the meetings must be recorded and the signatures of all the representatives present shall be obtained without fail and the EROs / AEROs shall visit at random at least 10% of the booth level meetings in the respective constituencies. A report on the conduct of these meetings should be furnished to this office.

(xiv)Designated locations:

The designated locations for filing of claims and objections for the **whole period shall be the offices of EROs/AEROs/BLOs / Polling Station locations.** The offices of urban and rural elected bodies (Municipal / Panchayat Offices) shall also function as designated locations on the dates of the meetings. During the period for filing claims and objections, an official working in the premises of the location shall be made incharge for supply of forms to the public, to receive the filled in forms and issue acknowledgement on behalf of ERO / AERO. For which, **no honorarium shall be paid to the incharge as he / she belongs to the same premises.**

On special campaign dates full compliment of staff representing EROs should be present at the designated locations and wide publicity be caused in advance. **The designated location will be the polling station on special campaign days.** The BLO of the Polling Station shall be available along with Booth Level Agent appointed by the Political Parties. Booth Level Officers and Booth Level Agents will sit together on the special campaign days i.e., on 11th October & 1st November, 2015 at the respective Polling Stations. On these Special Campaign dates, the BLO shall go through the voter lists with BLAs of recognized political parties and identify the corrections etc., and to receive the applications, guide the applicants and clear their doubts at the Polling Station.

(xv) Receipt of applications and data entry:

All applications received in Forms 6, 6A, 7, 8 and 8A should be computerized on daily basis. List of these applications will be posted

(P.T.O.)

-3403-

on the website of the CEO on day to day basis with a facility to know the status of each application by anyone. Anybody including representatives of Political Parties and candidates may see this list and lodge objections with the concerned ERO. Adequate publicity should be given by DEO to the fact that list of claims and objections is available on CEO's website and objections can be raised before the EROs based on this list. All DEOs and all EROs should inform the Political Parties during meetings about the publication of list of claims and objections on CEO's website and the latest instructions of the Commission about disposal of claims and objections. They should be informed in writing by the DEO/ERO about publication of list of claims and objections on CEO's website.

The list of claims and objections should be made available by ERO to all Political Parties on weekly basis. The ERO should call a meeting of all Political Parties at regular interval and personally handover list of claims and objections to them and obtain acknowledgment. The list should be incremental instead of cumulative.

(xvi)Receipt of Claims & Objections in bulk:

Applications presented **in bulk shall not be accepted.** Application in Form-6, Form-7, Form-8 and Form-8A should be submitted individually by the applicant concerned. However, applications in respect of family members of the same household may be allowed to be filed by one person of the same household at all designated locations. Similarly, BLAs shall be allowed to submit application forms in bulk to the BLOs subject to the following conditions:-

(i) Booth Level Agents of a recognized political polities shall not submit more than 10 forms to the Booth Level Officer at one time in a day.

(ii) If a BLA files more than 30 applications / forms during entire period of filing claims and objections, then the cross verification must be done by ERO / AERO themselves.

(iii) The forms submitted by the BLA shall be accompanied by a list of application forms with a declaration that he has personally verified the particulars contained in the application forms and is satisfied that they are correct.

(xvii) Decisions on Claims and Objections

Decision on claims and objections should be taken only after compliance of the following:-

i) At least seven clear days period has passed after list of claims and objections has been published on all the following:–

   a. Website of CEO as clickable lists for each polling station

   b. Notice board of ERO (in Forms 9, 10, 11 and 11A of Registration of Electors Rules, 1960)

   c. Notice board of polling station (in Forms 9, 10, 11 and 11A of RERs, 1960)

   d. A personal notice has been served on the person whose name is proposed to be deleted in cases other than death cases.

ii) At least seven clear days have passed after ERO has given the list of claims and objections to Political Parties.

iii) All deletions which are done for reason of death, shall be made only after ascertaining the facts to the satisfaction of ERO.

However, verification of applications shall be taken up on day to day basis on its receipt through BLOs / Supervisors and decision shall be taken by the ERO duly following the above guidelines.

(xviii) Verification of decisions on deletions –

All deletions except those which are done for reason of death of the elector should be verified by an officer not below the rank of Tehsildar before final order is passed on Form-7.

All cases of deletions must be cross verified by an officer senior to the ERO, if they fall in any of the following categories: -

a) Deletions in polling stations where the number of deletions exceed 2% of the total electors in the voters' list of the polling stations.

b) Deletions where the same person is the objector in more than 5 cases.

The District Election Officers are requested to appoint the officers senior to the EROs to cross-verify the deletions proposed by the EROs in the above cases.

-3405-

Cases of deletions except deletions by reason of death of the elector in which orders are passed by ERO, should be cross verified by supervisory officers in the following manner:-

a. 2% verification by Deputy DEO or equivalent officer (Joint Collector)

b. 1% verification by DEO.

c. 0.5% verification by Roll Observer.

The District Election Officers are requested to strictly follow the guidelines as mentioned above.

(xix)Providing elector information in requisite formats:

The electors' information in prescribed Formats 1-8 related to the draft publication of the electoral roll shall be furnished by the District Election Officer along with his studied comments and explanatory memoranda by 30.09.2015 without fail and keep this ready for reference by Roll Observers / officials of O/o.CEO.

The information in Formats 1-8 related to the final publication of the electoral roll due on 11.01.2016 shall be furnished by the District Election Officers along with their studied comments and explanatory memoranda to this office **by 31.12.2015** so as to furnish the consolidated information to the Commission by 1st January, 2016 and to obtain the prior written clearance of the Commission for final publication of the photo electoral rolls.

(xx) Monitoring

A weekly monitoring report on receipt, disposal of forms (6, 6A, 7, 7 & 8A) along with the details of acceptance and rejection form-wise shall be sent to the CEO through the DEO by every ERO, indicating the status of the week (Monday to Sunday), so as to reach this office by succeeding Monday.

Monitoring report in the prescribed format as available at Electoral Roll Monitoring Application at CEO's Portal on ECI website shall be updated periodically by the DEO / ERO as the case may be. DEO shall compile the entire reports of all ACs in the District and send it to this office with his / her comments. The DEO shall make all efforts and shall personally ensure that data entry in All India E-Roll Monitoring Application in ECI Portal through CEO's portal is accurate and made in time.

(P.T.O.)

Reporting to the Commission of progress made during the revision process in the prescribed formats available at ECI dashboard shall also be done regularly and in accordance with the procedure laid down therein. All the DEOs / EROs shall make necessary entries in the dash board for e-roll monitoring and in All India E-Roll Monitoring Application (AIERMA). The Commission has observed that there is avoidable laxity in this regard and reiterated that for absolute compliance by all the dash board has to be kept updated and if not, the concerned officer will be held responsible and disciplinary action will be initiated again him / her.

In addition to the above, DEOs have to **confirm draft publication at designated locations by 3.00 p.m. on 05.10.2015 along with the information on total number of electors A.C.-wise in the draft roll showing the General Electors (Men, Women & third gender), Service Electors (Men & Women) and Overseas electors (Men, Women & third gender) separately** and confirmation of final publication by 3.00 p.m. on 11.01.2016.

The dates and time prescribed for submission of various reports should be complied with scrupulously as a consolidated report has to be submitted to the ECI. Non-receipt or delayed receipt of these reports from even one district can delay the submission of consolidated report to the ECI.

(xxi)Miscellaneous:

(i) Control Rooms / Help Desks should be set up at the district / EROs' level to facilitate answering queries particularly regarding the designated locations etc.,

(ii) Two sets of Photo Electoral Rolls – one printed copy with images and another copy in CD-ROM without images shall be given to the Recognised National and State parties free of cost as per the E.C.I. guidelines. The political parties, while being given copies of draft rolls, should be requested in writing to verify the rolls and bring to the notice of DEO/ERO the shortcomings, if any, within the specified time.

(iii) Wide publicity about availability of the electoral rolls in CD-ROM and procedures of the revision should be given.

(iv) The Commission shall depute its observers to randomly check and supervise the Roll Revision process. All records at all times should be kept upto date and reports of progress as well as lists

(P.T.O.)

-3408

of the locations where field operations are in progress should be available with the officers concerned.

(v) Preparation of Elector Photo Identity Card (EPIC) for those getting enrolled on the basis of becoming 18+ for the first time with reference to 01.01.2016 as the qualifying date be completed by 20th January 2015 and handed over to BLO/AERO etc. by 22nd January 2015 for ceremonial distribution on 25th January 2016, the National Voters' Day at Polling Station.

The above instructions shall be communicated to all the Electoral Registration Officers / Assistant Electoral Registration Officers / Booth Level Officers / Supervisors and other revision related officials for strict compliance.

REGISTRAR

-3441-

WHEREAS:

A. UIDAI has been set up with the mandate of issuing unique identification numbers, i.e., "Aadhaar Numbers" to the residents of India, based on their biometric and demographic information.

B. The Aadhaar Number and Personal Identity Information (PID) of the Aadhaar Holder can be authenticated through an online mechanism provided by UIDAI for this purpose, which authentication mechanism is provided by UIDAI free of charge till 31st March, 2015, where after the same may or may not be charged for, at the sole discretion of UIDAI.

C. The Authentication User Agency is desirous of using the Aadhaar Authentication Services provided by UIDAI, through an Authentication Service Agency, so as to provide Aadhaar Enabled Services to its beneficiaries, clients and customers and has approached UIDAI, by way of an application, for appointment as an Authentication User Agency.

D. The Authentication User Agency is aware of, and understands, the fact that UIDAI's operation of the Aadhaar Authentication Services is subject to limitations posed by technology, and UIDAI does not represent and warrant the same to be defect free.

E. The Authentication User Agency is aware of, and understands that the Aadhaar Authentication Services are provided on an 'as is' basis, without any express or implied warranties in respect thereof, and UIDAI does not
assume any responsibility or liability for any damage, whether direct, indirect, incidental or consequential, arising as a result of the use of the Aadhaar Authentication Services except the damages which solely arise out of False acceptance by UIDAI biometric authentication services.

F. UIDAI has evaluated the application of the Authentication User Agency and has granted recognition to and approval for appointment of the Authentication User Agency as an Authentication User Agency for providing Aadhaar Enabled Services.

G. UIDAI has further evaluated the application of the Authentication User Agency and has granted recognition to and approval for appointment/empanelment of the Authentication User Agency as a KYC User Agency (KUA) for the e-KYC service, subject to annexure 1 duly signed by UIDAI and the Authentication User Agency. In such a case Authentication User Agency is also referred to as KYC User Agency (KUA) and references to Authentication User Agency also mean KYC User Agency and similarly Authentication Service Agency also mean KYC Service Agency.

NOW THEREFORE, in consideration of the mutual covenants and promises set forth herein and for other good and valuable consideration, the receipt and

For the avoidance of doubt, a document shall be construed as amended, modified or replaced only if such amendment, modification or replacement is executed in compliance with the provisions of such document(s).

2. APPOINTMENT OF AUTHENTICATION USER AGENCY

2.1 UIDAI hereby appoints the Authentication User Agency, as an Agency authorised to send requests for authenticating PID of Aadhaar Holder(s), subject to the terms and conditions of this Agreement.

2.2 The Authentication User Agency hereby unequivocally accepts its appointment as an Authentication User Agency, for providing Aadhaar Enabled Services to Aadhaar Holder(s), in terms of clause 2.1 above.

3. TERMS AND CONDITIONS OF APPOINTMENT OF AUTHENTICATION USER AGENCY

3.1 UIDAI hereby grants the Authentication User Agency a non-exclusive and revocable right to use Aadhaar Authentication Services, for providing Aadhaar Enabled Services to Aadhaar Holder(s), in the manner set out in this Agreement. The Authentication User Agency understands and agrees that it shall be responsible to UIDAI for all its Aadhaar authentication related aspects, covered by this Agreement, and in the event the Authentication User Agency outsources part(s) of its operations to other entities, the ultimate responsibility for the results of Aadhaar authentication related operations lies with the Authentication User Agency, and the Authentication User Agency shall ensure that the entity to which it has outsourced its operations is audited annually by information systems auditor certified by a recognized body. The Authentication User Agency also understands and agrees that it shall be responsible to UIDAI for all the Aadhaar authentication related aspects for all authentication requests which it transmits to the CIDR on behalf of Sub AUAs appointed by it. For avoidance of doubt, it is hereby expressly clarified that only entities contracted with UIDAI as an Authentication User Agency and their Sub AUAs shall be authorized to send request for authentication of PIDs of the Aadhaar holders. All the obligations of the Authentication User Agency under this agreement shall be equally applicable to the Sub AUAs. The Authentication User Agency understands that the Aadhaar Authentication Service shall be provided at the sole discretion of UIDAI, which reserves the right to add, revise, suspend in whole, or in part any of the Aadhaar Authentication Service, at any time with prior notice, in its sole discretion, for any reason whatsoever.

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

3.2 It is hereby mutually agreed between the Parties that the rights and obligations of the Authentication User Agency, under this Agreement, are non-transferable and non-assignable whether by sale, merger, or by operation of law, except with the express written consent of UIDAI.

3.3 The Authentication User Agency hereby unequivocally agrees that it shall use the Aadhaar Authentication Services, for providing Aadhaar Enabled Services to Aadhaar Holder(s), solely for the purposes set out in Schedule-II to this Agreement, and for no other purposes. In the event, the Authentication User Agency is desirous of using Aadhaar Authentication Services, for new and additional services/business functions without compromising or violating requirements specified by UIDAI with regard to network specifications, security etc., from time to time, it shall inform UIDAI in this regard

3.4 It is hereby expressly agreed between the parties that in cases where the Authentication User Agency or its Sub AUA forwards an authentication request to the Central Identity Data Repository, through an Authentication Service Agency, and in the event of an Aadhaar authentication failure for whatever reasons, the Authentication User Agency may invoke other means of Identity authentication for service provision to the Aadhaar Holder, and the Authentication User Agency or its Sub AUA shall bear full responsibility for any decision taken in this regard and UIDAI shall have no role in this regard.

3.5 The Authentication User Agency hereby unequivocally agrees that all backend infrastructure, such as servers, databases etc., required specifically for the purpose of Aadhaar authentication shall be based in the territory of India.

3.6 The Authentication User Agency hereby unequivocally agrees that the use of the Aadhaar Authentication Services by it for providing Aadhaar Enabled Services to Aadhaar Holder(s) and the Aadhaar Authentication Services shall not, in any manner, whether direct or indirect, be used for purposes that are anti-government or anti-State or discriminatory or related to money laundering or in contravention of any laws applicable in India.

4. OBLIGATIONS OF UIDAI

4.1 UIDAI shall:

a) determine rules and frameworks regarding the usage of Aadhaar Number and Aadhaar Identity Data;

b) register/certify/approve, by itself or through approved independent certification agencies, all the applications & devices, such as applications driving the authentication systems in the Authentication User Agency's and Sub AUA's systems, that will be used by the Authentication User Agency;

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

-3447-

c) determine and prescribe Standards and specifications for transmission of Aadhaar Identity Data for the purposes of Aadhaar Authentication Services and Aadhaar Enabled Services;

d) determine and prescribe Standards to ensure the confidentiality, privacy and security of Aadhaar Identity Data;

e) prescribe other Standards and specifications that UIDAI may deem necessary, in its sole judgment, for providing Aadhaar Authentication Services and Aadhaar Enabled Services;

4.2 Notwithstanding anything contained in Clauses 4.1 above, it is hereby clearly understood by the Parties that UIDAI shall have no responsibility or liability in relation to failures that may take place during the Aadhaar based authentication process, including but not limited to, failures as a result of, false reject, network or connectivity failure, device failure, possible down time at Central Identities Data Repository, etc.

5. OBLIGATIONS OF THE AUTHENTICATION USER AGENCY

5.1 The Authentication User Agency shall, for every service/business function for which it is desirous of using Aadhaar Authentication Services, chooses suitable authentication type, for each particular service, from Aadhaar Authentication package Framework provided by UIDAI from time to time, which indicates the identity credentials (PID) to be sought from the Aadhaar Holder, who is seeking to access the specific service/business function(s). For avoidance of doubt, it is hereby expressly stated that the choice of authentication type(s), in the manner provided above, shall be the sole decision of the Authentication User Agency, and no other entity, including UIDAI, Authentication Service Agency and Aadhaar Holder shall have any role in this decision of Authentication User Agency.

5.2 The Authentication User Agency shall obtain a consent from the Aadhaar holder, for using the Aadhaar number and Biometric information for providing the Aadhaar Authentication Service

5.3 The Authentication User Agency hereby unequivocally agrees that it shall, forthwith, upon appointment as an Authentication User Agency, shall establish network connectivity, through an Authentication Service Agency, duly approved by UIDAI, with the Central Identities Data Repository, established by UIDAI that contains all Aadhaar Identity Data, in compliance with all the specifications and standards prescribed by UIDAI, from time to time. The Authentication User Agency assumes complete responsibility with regard to its network connectivity with an Authentication Service Agency. And UIDAI shall have no responsibility in this regard. Provided where the Authentication User Agency has entered into another agreement with the UIDAI to act as an Authentication Service Agency, such an Authentication User agency need not engage another Authentication Service Agency.

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

5.4 The Authentication User Agency shall establish and maintain necessary authentication related operations, including their own systems, processes, infrastructure, technology, security, etc., which may be necessary for providing Aadhaar Enabled Services, in compliance with standards and specifications, issued by UIDAI from time to time.

5.5 The Authentication User Agency shall ensure that the network connectivity between authentication devices and the Central Identities Data Repository, used for sending their authentication requests is in compliance with the standards and specifications issued by UIDAI from time to time. The Authentication User Agency shall build and maintain the connectivity between authentication devices and the Authentication Service Agency's systems either by itself, or by outsourcing it to a service provider. The Authentication User Agency shall work with the Authentication Service Agency in ensuring the compliance of the connectivity between the Authentication Service Agency and Central Identities Data Repository.

5.6 The Authentication User Agency shall only employ the Authentication Devices and associated application components (such as sensor and extractor pairs for fingerprint and iris scanners) which are duly registered with/approved/certified by UIDAI or an agency appointed by UIDAI for this purpose. The Authentication User Agency understands the authentication type to be employed by it in providing Aadhaar Enabled Services and shall employ the Authentication Devices which confirm to the authentication type adopted by the Authentication User Agency, and UIDAI shall have no role to play in this regard, and shall have no liability or responsibility in this respect.

5.7 The Authentication User Agency shall install necessary Authentication Devices and other Information Technology devices along with device installation and maintenance kits, and the devices shall comply with specifications and standards prescribed by UIDAI from time to time. The Authentication User Agency shall ensure that the applications driving the authentication devices are duly registered with/approved/certified by UIDAI. The Authentication User Agency assumes complete responsibility for ensuring that the processes, procedures, systems and infrastructure at Authentication Device are in compliance with standards and specifications issued by UIDAI from time to time.

5.8 It is hereby expressly agreed between the Parties that in the event Authentication User Agency's federated authentication system includes Aadhaar authentication as well as the Authentication User Agency's local authentication system, the Authentication User Agency shall integrate their authentication systems with Aadhaar authentication system in compliance with standards and specifications issued by UIDAI from time to time.

5.9 The Authentication User Agency shall keep UIDAI informed of the Sub AUAs with whom they have entered into agreements and shall duly register them in the manner prescribed by UIDAI from time to time. The AUA shall issue a Sub AUA code to identify each Sub AUA and shall include the Sub AUA code in all authentication requests originating from that Sub AUA which it forwards to CIDR for authentication. The AUA shall keep the UIDAI informed of all Sub AUA codes that it issues. The Authentication User Agency shall ensure that the Sub AUAs comply with standards and protocols laid out by UIDAI from time to time. The Authentication User Agency understands that it shall be responsible for all authentication requests originating from the Sub AUA and routed through the Authentication User Agency

5.10 The Authentication User Agency shall keep UIDAI informed of the list of Authentication Service Agency(ies) with whom they have any agreement(s), in the manner prescribed by UIDAI from time to time. The Authentication User Agency shall inform UIDAI, forthwith, all relevant information pertaining to any agreement that it may enter into with an Authentication Service Agency and any subsequent modifications thereto, if any. Authentication User agency is obligated to send the agreement entered with Authentication Service Agency immediately upon request from UIDAI. In the event the Authentication User Agency disengages with an Authentication Service Agency, the fact of disengagement shall be communicated to UIDAI, by the Authentication User Agency, within such period as may be prescribed by UIDAI from the date of disengagement.

5.11 The Authentication User Agency shall ensure that the persons employed by it for providing Aadhaar Enabled Services and for maintaining necessary systems, infrastructure, processes, etc. in this regard, possess requisite qualifications for undertaking such works. The Authentication User Agency shall be responsible for ensuring that, in case Authentication Devices are operated by its own or its agents personnel, such personnel are suitably and adequately trained to conduct Aadhaar Enabled Services, in compliance with specifications and standards prescribed by UIDAI from time to time.

5.12 The Authentication User Agency shall, at all times, comply with standards, directions, specifications, etc. issued by UIDAI, in terms of network and other Information Technology infrastructure, processes, procedures, etc. for the purposes of availing Authentication services provided by UIDAI. The Authentication User Agency shall be further responsible, at all times, for compliance with specification issued by UIDAI, from time to time, with respect to all authentication related aspects. In the event the Authentication User Agency outsources part(s) of its operations to other entities, the ultimate responsibility for the results of authentication related operations shall lie with the Authentication User Agency.

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

5.13 The Authentication User Agency shall, at all times, comply with the provisions contained in the Information Technology Act, 2000 and the statutory rules framed there under, from time to time, in so far the same has application to its operations in accordance with this Agreement, and also with all other Laws rules and regulations, whether already in force or which may be enacted anytime in the future, pertaining to data security and management, data storage, sharing and data protection, as also with the National Identification Authority of India Bill, as and when the same is enacted into a law and comes into force, and shall ensure the same level of compliance by its Authentication Device.

5.14 The Authentication User Agency shall ensure that its operations and systems in terms of this Agreement are audited by information systems auditor certified by a recognized body on an annual basis to ensure compliance with UIDAI standards and specifications and the audit report should be shared with UIDAI upon request. In addition to the above, UIDAI may choose to, in its sole discretion, audit the AUA's operations and systems in terms of this Agreement by itself or through an auditor appointed by UIDAI, and the continuation of operations as the Authentication User Agency shall, at all times, be dependent upon the said audit confirming the compliance by the Authentication User Agency of the terms and conditions contained in this Agreement, and any failure in compliance of the same, if confirmed in the audit, may entail fine and/or penalties and termination of access to Aadhaar Authentication Services. "The Authentication User Agency unequivocally agrees to provide full co-operation to UIDAI or any agency approved and/or appointed by UIDAI in the audit process, and to provide to UIDAI or any agency approved and/or appointed by UIDAI, complete access to its procedures, records and information pertaining to services availed for UIDAI,

5.15 The Authentication User Agency shall monitor the operations of its Authentication Device, on a periodic basis, for compliance with the terms and conditions contained in this Agreement or with standards, directions, specifications, etc. issued and communicated by UIDAI, in this regard, from time to time.

5.16 The Authentication User Agency shall maintain logs of all authentication transactions processed by it, capturing the complete details of the authentication transaction, such as the Aadhaar number against which authentication is sought, authentication package, date and timestamp, etc. as prescribed by UIDAI from time to time but shall not, in any event, capture the PID information and shall retain the same for a duration, specified by UIDAI from time to time. The Authentication User Agency understands and agrees that the logs maintained by it shall be shared with any individual or entity only on a need-basis, and that the storage of the logs maintained by it shall comply with all the relevant laws, rules and regulations, including, but not limited to, the Information Technology Act, 2000 and the Evidence Act, 1872.

5.17 In case of any investigations around authentication related fraud(s) or dispute (s), the Authentication User Agency shall extend full cooperation to UIDAI, and/or any agency appointed/authorized by it and/or any other authorized investigation agency, including, but not limited to, providing access to their premises, records, personnel and any other relevant resource/information, etc. of or pertaining to its Authentication Device.

5.18 The Authentication User Agency, where ever applicable, shall be responsible for identifying exception-handling mechanisms in the event of failure of Aadhaar Authentication Services.

5.19 The authentication charges, for providing Aadhaar Enabled Services by the Authentication User Agency to its customers, shall be evolved by the Authentication User Agency and UIDAI shall have no say in this respect, for the time being, however, UIDAI's right to prescribe a different mechanism in this respect, in the future, shall be deemed to have been reserved.

5.20 The Authentication User Agency unequivocally agrees that all devices and applications used by it in running its Aadhaar authentication operations shall be duly certified/approved by UIDAI or an agency appointed/ approved by UIDAI (as and when UIDAI creates a certification mechanism for certifying Aadhaar enabled application). In the event the already certified/approved applications employed by the Authentication User Agency undergo modifications, the Authentication User Agency shall deploy the modified applications only after renewed certification/approval from UIDAI.

5.21 The Authentication User Agency agrees to incorporate and adopt standards, specifications and other terms and conditions as prescribed by UIDAI from time to time, in its agreement with the ASA for the purpose of availing Authentication services of UIDAI.

5.22 Authentication User Agency hereby agrees to inform UIDAI of any misuse of Aadhaar data or any compromise of Aadhaar related data or systems within their network.

6. REPRESENTATIONS AND WARRANTIES

6.1 UIDAI represents and warrants to the Authentication User Agency that:

(a) UIDAI is an authority set up by the Planning Commission, Government of India;

(b) UIDAI has all requisite powers and authority and has taken all actions necessary to execute, deliver, and perform its obligations under this Agreement;

(c) this Agreement has been validly executed by UIDAI and constitutes a valid agreement binding on UIDAI and enforceable in accordance with the laws of India;

Addl. Chief Electoral Officer
Spl Secretary to Govt.

6.2 The Authentication User Agency represents and warrants to UIDAI that:

(a) the Authentication User Agency is an entity legally constituted and validly existing under the laws of India;

(b) the Authentication User Agency has all requisite powers and authority and has taken all actions necessary to execute, deliver, and perform its obligations under this Agreement;

(c) this Agreement has been validly executed by the Authentication User Agency and constitutes a valid agreement binding on the Authentication User Agency and enforceable in accordance with the laws of India.

7. INTELLECTUAL PROPERTY

7.1 The Authentication User Agency is aware that "Aadhaar" is the intellectual property of UIDAI and the Authentication User Agency understands that any unauthorized reproduction of the same constitutes infringement and may be subject to penalties, both civil and criminal.

7.2 It is hereby mutually agreed between the Parties that the Authentication User Agency shall have a non-exclusive right to use the Aadhaar name and logo and to represent itself as an entity providing Aadhaar Enabled Services to Aadhaar Holder(s), subject to the condition that all rights, title and interest, including intellectual property rights, in the Aadhaar name and logo shall vest, at all times, either during the operation of this Agreement or otherwise, in UIDAI.

7.3 The Authentication User Agency hereby unequivocally agrees that it shall use the Aadhaar name and logo, without any modification, in its promotional, educational and informational literature, for the duration of this Agreement.

7.4 The Authentication User Agency hereby unequivocally agrees that it shall not authorize any other entity or individual to use the Aadhaar name and logo, except with the prior written permission of UIDAI.

7.5 The Authentication User Agency hereby unequivocally agrees that upon becoming aware of unauthorized use, copy, infringement or misuse of the Aadhaar name and/or logo, and any rights, title and interest therein, including intellectual property rights, it shall notify UIDAI about such unauthorized use forthwith. At the request and cost of UIDAI, the Authentication User Agency shall take part in or give assistance in respect of any legal proceedings and execute any documents and do any things reasonably necessary to protect the rights, title and interest of UIDAI, including intellectual property rights, in respect of the Aadhaar name and logo.

8. INDEMNITY AND LIMITATION OF LIABILITY

8.1 The Authentication User Agency understands that the use of Aadhaar Authentication Services by the Authentication User Agency does not result in incurring of any liability by UIDAI whatsoever. The Authentication User Agency alone is responsible for the proper and judicious use of the Aadhaar Authentication Services. UIDAI shall not, in any case, be held responsible for damage and/or harm, direct or indirect, material or immaterial, or of any nature whatsoever, arising from any unavailability of the Aadhaar Authentication Services or its use by the Authentication User Agency except the damages which solely arising out of false acceptance by UIDAI biometric authentication services.

8.2 It is hereby mutually agreed between the Parties that UIDAI shall not be liable for any unauthorized transactions occurring through the use of Aadhaar Authentication Services and the Authentication User Agency hereby fully indemnifies and holds UIDAI harmless against any action, suit, proceeding initiated against it or any loss, cost or damage incurred by it as a result thereof.

8.3 Without prejudice to generality of the above, the Authentication User Agency shall indemnify and keep UIDAI harmless and indemnified from and against all claims, liabilities, losses and incurred costs, fines, penalties, expenses, taxes, assessment, punitive damages, fees (including advocate's/ attorney's fee), liabilities (including any investigative, legal and other expenses incurred in connection with, and any amounts paid in settlement of, any pending or threatened legal action or proceeding), judgments, awards, assessments, obligations, damages, etc., which UIDAI may suffer or incur arising out of, or in connection with:

a) any act, neglect, default or omission on the part of the Authentication User Agency, its subsidiaries or any person associated with the Authentication User Agency, including but not limited to liabilities arising from non compliance of Standards and Regulations prescribed by UIDAI, from time to time, unauthorized use or disclosure of Confidential Information and failure to comply with data protection and storage requirements, as prescribed by UIDAI, from time to time;

b) any breach by the Authentication User Agency of the terms and conditions or its appointment or its obligations under this Agreement;

c) any breach by the Authentication User Agency of its obligations under any Law(s) or contract, etc;

d) default or omission on the part of the Authentication User Agency to follow statutory instructions and guidelines issued by the Government of India, National Identification Authority of India (as and when setup) and any other governmental authority.

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

8.4 In the event of a Third Party bringing a claim or action against UIDAI, as a consequence of the use of Aadhaar Authentication Services by the Authentication User Agency or its Sub AUA, the Authentication User Agency shall:

a) defend and / or to assist UIDAI in defending, at the Authentication User Agency's cost, such claims or actions, either in a legal proceeding or otherwise;

b) indemnify UIDAI and keep UIDAI indemnified and harmless, at all times, against all actions, claims, demands, costs, charges and expenses arising out of or incurred by reason of any infringement of intellectual property rights of any Third Party in connection with the use of the Aadhaar Authentication Services, irrespective of whether or not UIDAI incurs any liability in this regard by virtue of any judgment of a court of competent jurisdiction.

8.5 The Authentication User Agency is aware of, and understands, the fact that UIDAI's operation of the Aadhaar Authentication Services is not completely free from defect, and UIDAI does not represent and warrant the same to be defect free. Unless otherwise expressly specified in writing, the Aadhaar Authentication Services are provided on an 'as is' basis, without any express or implied warranties in respect thereof. It is hereby mutually agreed between the Parties that under no circumstances shall UIDAI be liable for any damages whatsoever, whether such damages are direct, indirect, incidental consequential and irrespective of whether any claim is based on loss of revenue, interruption of business or any loss of any character or nature whatsoever and whether sustained by the Authentication User Agency or by any other person, as a result of the operation of this Agreement or otherwise except the damages which solely arising out of false acceptance by UIDAI biometric authentication services.

8.6 The maximum liability for which UIDAI may be held responsible in respect of a false acceptance shall be restricted to the amount of that transaction or the actual unrecovered direct loss to the Authentication User Agency or maximum amount of liability fixed by UIDAI time to time , whichever is less Provided that:

a) The Authentication User Agency actually suffers a direct loss of the said amount, and there being no recourse of recovery thereof from the incorrect beneficiary account or

b) Where recourse does exist, it would be incumbent on the Authentication User Agency to diligently pursue recovery and where recovery either partial or full, has been effected, the liability of UIDAI would stand reduced by that extent.

The liability as mentioned above will be subject to the Compliance by Authentication User Agency of all the procedures, standards and specification as prescribed by UIDAI from time to time in this regard.

8.7 It is hereby mutually agreed that this Clause 8 shall survive the termination of this Agreement.

9. CONFIDENTIALITY, DATA PROTECTION, SECURITY AND USE OF INFORMATION

9.1 The Authentication User Agency and all its Sub AUAs shall treat all information, which is disclosed to it as a result of the operation of this Agreement, as Confidential Information, and shall keep the same confidential, maintain secrecy of all such information of confidential nature and shall not, at any time, divulge such or any part thereof to any third party except as may be compelled by any court or agency of competent jurisdiction, or as otherwise required by law, and shall also ensure that same is not disclosed to any person voluntarily, accidentally or by mistake.

9.2 The Authentication User Agency shall use the Confidential Information strictly for the purposes of authentication of the Aadhaar Holder, and for providing Aadhaar Enabled Services, in accordance with this Agreement. The Authentication User Agency shall ensure compliance with all applicable laws and regulations including but not limited to regulations on data protection under the Information Technology Act, 2008 when collecting information from residents for their business purposes.

9.3 The Authentication User Agency shall scrutinize the data collected by it, while processing authentication requests, on a periodic basis, and shall preserve such data collected in relation to an authentication request until such as may be prescribed by UIDAI from time to time.

9.4 The Authentication User Agency is prohibited from storing any PID in their data base or in any storage device of any nature whatsoever including Authentication Device or in any machine, device or instrument of any kind whatsoever, removable storage devices or in physical form, at point in time.

9.5 The Authentication User Agency hereby unequivocally agrees to undertake all measures, including security safeguards, to ensure that the information in the possession or control of the Authentication User Agency, as a result of operation of this Agreement, is secured and protected against any loss or unauthorised access or use or unauthorised disclosure thereof.

9.6 It is hereby mutually agreed between the parties that UIDAI assumes no responsibility or liability for any action or inaction, use or misuse of the Confidential Information and other data in the control of the Authentication User Agency. The Authentication User Agency agrees and acknowledges that any loss, damage, liability caused or suffered by the Authentication User Agency due to disclosure of all information of confidential nature shall be borne by Authentication User Agency without transferring any liability or responsibility towards UIDAI.

9.7 It is hereby mutually agreed that this Clause 9 shall survive the termination of this Agreement.

10. TERM, TERMINATION AND CONSEQUENCES

10.1 This Agreement shall be in force for a period of 3 (three) years from the Effective Date, unless renewed by mutual consent, in writing, of the Parties, prior to expiry of this Agreement, upon such terms and conditions as may be mutually agreed between the Parties.

10.2 UIDAI shall have the right to terminate this Agreement by giving thirty (30) days notice, in writing, prior to expiry of the Term, without any protest or demur from the Authentication User Agency, in the event of the Authentication User Agency:

a) fails to comply with the Standards or the decision and directions issued by UIDAI, from time to time, with regard to the interpretation and enforcement of the Standards;

b) is in breach of its obligations under this Agreement;

c) uses the Aadhaar Authentication Services for any other purpose than those specified in Schedule-II of this Agreement;

d) is in liquidation, or if a receiver has been appointed in respect of the Authentication User Agency or the Authentication User Agency becomes subject to any form of insolvency administration or files for voluntary liquidation.

e) In case the AUA is also an ASA, termination of the ASA agreement with UIDAI will automatically terminate this agreement.

10.3 The Authentication User Agency shall have no right to compensation for termination of this Agreement by UIDAI, in pursuance of clauses 10.2 above.

10.4 The termination of this Agreement by UIDAI, in pursuance of clauses 10.2 above, shall result in automatic cancellation of the registration of the Authentication User Agency, granted by UIDAI, without any notification, in this regard, to the Authentication User Agency.

10.5 The Authentication User Agency may terminate this agreement by giving 30 days' notice in writing to the UIDAI.

10.6 Upon termination of this Agreement, the Authentication User Agency shall, forthwith, cease to use the Aadhaar name and logo for any purposes, and in any form, whatsoever.

11. FORCE MAJEURE

11.1 The Parties agree that neither of them shall be liable to the other for any loss, delay, damage or other casualty suffered or incurred by the other owing to earthquakes, floods, fires, explosions, acts of God, acts of State, war, terrorism, action of any governmental authority or any other cause, which is beyond the reasonable control of that Party ("**Force Majeure**") and any failure or delay by any Party in the performance of any of its obligations under this Agreement owing to one or more of the foregoing causes shall not be considered as a breach of any of its obligations under this Agreement. The Parties however agree that any financial failure or non-performance of any financial obligations or covenants of the Parties shall not constitute Force Majeure.

11.2 The Party claiming benefit of Force Majeure shall however not be entitled to the same unless it has intimated the other Party of the occurrence of such event within a period of seventy two (72) hours from the occurrence of such Force Majeure event indicating therein the steps that it is taking or intending to take to mitigate the effect of such Force Majeure on the performance of his obligations under this Agreement.

11.3 In the event, the Force Majeure event continues for a period of more than ninety (90) days, the Party shall renegotiate this Agreement in good faith and if the Parties do not reach any consensus on modifications to this Agreement within a period of one hundred twenty (120) days from the date of occurrence of the Force Majeure event, this Agreement shall automatically stand terminated on such date.

12. GOVERNING LAW AND DISPUTE RESOLUTION

12.1 This Agreement shall, in all respects, be governed by, and construed in accordance with the laws of India.

12.2 Any dispute of whatever nature, which arises out of, in relation to, or otherwise connected with:

(a) the interpretation or effect of;
(b) the validity, enforceability or rectification (whether in whole or in part) of;
(c) the respective rights or obligations of the Parties; and/or
(d) a breach (including a breach of any representation and warranty and/or the materiality thereof and/or the amount of compensation payable in order to remedy such breach and/or the breach or failure to comply with any covenants or undertakings contained herein) or the termination or cancellation of, this Agreement or in regard to whether either Party have unreasonably withheld its approval or consent under circumstances in which it may not do so; shall be dealt with in accordance with succeeding provisions of this Clause 12.

(All disputes arising out of reasons mentioned herein-above shall be collectively referred to hereinafter as a "**Dispute(s)**").

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

12.3 All Disputes shall at the first instance be resolved through good faith negotiations, which negotiations shall begin promptly after a Party has delivered to the other Party a written request for such consultation.

12.4 If the Parties are unable to resolve the Dispute in question within thirty (30) days of the commencement of negotiations in terms of Clause 12.3, then the Dispute shall, unless the Parties otherwise agree in writing, be referred for determination in accordance with the remaining provisions of this Clause 12.

12.5 The Dispute shall be referred to arbitration in accordance with the provisions of the (Indian) Arbitration and Conciliation Act, 1996.

12.6 The venue for arbitration shall be New Delhi, India and the language used in the arbitral proceedings shall be English.

12.7 The reference shall be referred to arbitration of an Arbitrator, to be nominated by Secretary, Department of Legal Affairs ("Law Secretary"). The award of the Arbitrator shall be binding upon Parties to the dispute.

12.8 The decision of the Arbitrator appointed to deal with such matters shall be accepted by the Parties as final and binding.

12.9 The Parties shall continue to be performing their respective obligations under this Agreement, despite the continuance of the arbitration proceedings, except for the disputed part under arbitration.

12.10 The Parties shall use their best endeavors to procure that the decision of the Arbitrators shall be given within a period of six (6) months or soon thereafter as is possible after it has been demanded.

12.11 This Clause 12 is severable from the rest of this Agreement and shall remain in effect even if this Agreement is terminated for any reason.

12.12 The Courts in New Delhi, India shall have exclusive jurisdiction in relation to this Agreement, including this Clause 12.

12.13 All fees and costs pertaining to arbitration proceedings shall be borne equally by the Parties.

12.14 All other fees and costs incurred by the Parties shall be borne by the respective Parties.

SCHEDULE I

(Aadhaar Authentication Services – operation metrics and conditions)

1. The system designed by UIDAI for providing authentication services shall be available across multiple data centres. Other than planned outage the system is expected to run at 98% uptime which translates to about 3 hours of unexpected down time in a week.

2. The CIDR response time is expected to be between 1 to 3 seconds.

3. In order to ensure that the authentication service is friendly to the resident Aadhaar holder it is important that the authentication user agency and sub authentication user agency provide an efficient application to maintain end use latency under 5 seconds. AUAs/Sub-AUAs should consider round trip network latency from their devices to UIDAI data center and back while planning service roll out on the field. Depending on the choice of network and bandwidth, on the field performance may vary. It is important that for a good resident experience, AUAs/Sub-AUAs should try to keep the full round trip service time to be less than 8-10 seconds on an average.

4. In situations where OTP is being used as a factor for authentication, the delivery of the OTP to the Aadhaar number holder depends on SMS/Email delivery which is not in the control of UIDAI as these services are provided by external service providers. It is expected that OTP will be delivered within a reasonable time. AUAs/Sub-AUAs are encouraged to use OTP API to ensure reliability of inbound OTP request. OTP validity is specified within the message to make it easier and is currently kept at 30 min.

ANNEXURE 1

e-KYC Agreement
(Annexure to UIDAI - AUA agreement)

1. Terms and Conditions

i. Aadhaar e-KYC is an Aadhaar Enabled Service offered by the UIDAI through the Authentication Service Agencies to Authentication User Agencies.

ii. Aadhaar e-KYC service is offered free of charge till a pricing policy decision is announced by UIDAI.

iii. UIDAI hereby grants the Authentication User Agency a non-exclusive and revocable right to use the Aadhaar e-KYC service to provide services to Aadhaar Holders. The Authentication User Agency understands that the Aadhaar e-KYC Service shall be provided at the sole discretion of UIDAI, which reserves the right to add, revise, suspend in whole, or in part any of the Aadhaar e-KYC Service, at any time with prior notice, in its sole discretion, for any reason whatsoever. All the obligations of the Authentication User Agency under this agreement shall be equally applicable to the sub-AUAs.

iv. The Authentication User Agency hereby unequivocally agrees that all backend infrastructure, such as servers, databases etc., required specifically for the purpose of Aadhaar e-KYC shall be based in the territory of India.

v. It is hereby clearly understood by the Parties that UIDAI shall have no responsibility or liability in relation to failures that may take place during the Aadhaar e-KYC process.

2. Obligations of UIDAI

UIDAI shall:

i. Provide e-KYC data to the Authentication User Agency through the Authentication Service Agency upon authorization of the e-KYC request by an Aadhaar Holder, in the form of successful biometric or OTP-based Aadhaar authentication;

ii. Provide the e-KYC data in a manner conformant to the standards and processes described in the Demographic Data Standards and Verification Procedure (DDSVP) Committee Report;

Addl. Chief Electoral Officer
Spl Secretary to Govt.
G.A(Elections) Department
A.P. Secretariat, Hyderabad -22

iii. Provide e-KYC data conforming to Section 3 (Authentication of electronic Records), Section 4 (Legal recognition of electronic records), Section 5 (Legal recognition of digital signatures) and Section 6 (Use of electronic records and digital signatures in Government and its agencies) of the Information Technology Act, 2000;

iv. Determine and prescribe Standards and specifications for transmission of Aadhaar Identity Data for the purposes of Aadhaar e-KYC services;

v. Determine and prescribe standards to ensure the confidentiality, privacy and security of e-KYC data;

3. Obligations of Authentication User Agency

i. The Authentication User Agency shall maintain logs of all e-KYC transactions processed by it, capturing the complete details of the e-KYC transaction, such as the Aadhaar number against which e-KYC is sought, transaction code, authentication type, requesting AUA, requesting authentication device, date and timestamp, etc. as prescribed by UIDAI from time to time. The Authentication User Agency understands and agrees that the logs maintained by it shall be shared with any individual or entity only on a need-basis, and that the storage of the logs maintained by it shall comply with all the relevant laws, rules and regulations, including, but not limited to, the Information Technology Act, 2000 and the Evidence Act, 1872.

ii. The e-KYC data resulting from an e-KYC request contains PID data for the purposes of service delivery. The storage of e-KYC data shall comply at all times with all the relevant laws, rules and regulations, including, but not limited to, the Information Technology Act, 2000 and the Evidence Act, 1872.

iii. The e-KYC data shall not be used by the AUA for purposes other than that for which the resident has explicitly given his/her consent.

iv. The AUA shall not share the e-KYC data with any other agency for whatsoever purposes.

v. The AUA shall be responsible for obtaining the explicit consent (biometric or OTP based) of the resident for authorizing UIDAI to transfer his/her e-KYC details to the designated service provider.

vi. The AUA shall maintain records of obtaining the consent of the resident for a time period specified by UIDAI and allow access to UIDAI or any entity authorized by it to the related records.

of the district, where the incident took place, shall have to examine the case and issue detailed speaking sanction orders and furnish the same and other relevant documents along with the proposal for release of funds towards payment of ex-gratia.The DEOs should not send proposals to the Chief Electoral Officer for sanction of ex-gratia, as the DEO is the competent authority to sanction the ex-gratia. In respect of exgratia to the CAPF/SAP personnel, necessary sanction orders shall be issued by the DEO concerned soon after the issue of required orders by the Government.

4. The CEO has stated that the preparation of nazrinaksha of the part with the help of digital maps is important task, which need to be paid attention of the electoral administration, so as to define polling area very accurately. As there is time constraint to complete the task including physical verification before the draft publication under SSR, 2016, initially, the following three categories of Polling stations shall be covered for preparation of digital maps of the PSs:

i) One village without hamlets / other habitations having one Polling Station;

ii) One village with few hamlets / habitations, but having one polling station;

iii) One village having more than one polling station for which demarcation shall be made within village map using the present maps.

5. The CEO has stated that the ECI has issued instructions to suspend the further activities for Aadhaar seeding based on the interim direction of the Hon'ble Supreme Court, the purification of electoral rolls under NERPAP shall be taken-place. While retaining the

eligible elector under law, shifted / duplicate / ineligible electors etc. shall be deleted duly following due process of law. If any elector is responded based on the notice issued by the ERO and the ERO is satisfied with the reply / supporting documents submitted by the elector, the ERO shall take action accordingly and the status mentioned as 'Shifted' shall be revised and his / her name shall be retained. Similarly, in case of door locked cases, the ERO shall decide the cases based on whether such electors are permanently migrated or temporarily migrated and status shall be revised. The CEO has also stated that the o/o.CEO has communicated lists of duplicates and BLOs have also identified certain duplicates during door to door verification. Such duplicates shall be removed before draft publication and ensure that no duplicate entry is present when the draft roll is published. If any duplicates found in the draft roll to be published on 05.10.2015, the ERO will be held responsible and ECI may take serious view towards this. The DEOs shall monitor the deletion of duplicates and furnish a certificate.

6. In respect of SSR, 2016, the CEO, while mentioning the number of applications in Form-6, 7, 8 & 8A pending district-wise, has also stated that all applications pending shall be disposed before draft publication so as to avoid submission of forms through physically / online by the same electors again on the ground that their name is not found place in the draft electoral roll. As the draft roll is to be published on 05.10.2015 and data will be frozen for taking up the rationalization of polling stations, the EROs shall dispose of all pending applications before 10th September and ensure that no application received at the time of draft publication of roll under SSR, 2016 from the same persons. The CEO has also stated that he will take up the

personal review with the DEOs of the districts where there is large pendency of applications within a week. 7. The CEO has requested the DEOs to draw up a plan of action for the training to the EROs / AEROs / BLOs / Supervisors and submit the same to the O/o.CEO and to complete the training programme before draft publication on 5.10.15. The SLMTs trained by the IIIDEM, Ecil, New Delhi will train the District Level Master Trainers, ~~at the~~ EROs and the ALMTs at each District H.Qrs in the second and third weeks of Sept-2015. Accordingly training programme for A-EROs Supervisors and BLOs ~~have~~ by the ALMTs have to be finalised by the DEOs from 18th September onwards.

8. 9 The CEO has stated that the proposals for requirement of funds under NERPAP, SSR, 2016 are awaited from the DEOs of Adilabad, Vizaianagaram and Prakasam and requested to expedite the same, so as to submit the consolidated proposal to Finance Department to obtain funds. The funds sought for by the DEOs in respect of General Elections, 2014 / bye-elections biennial elections will be released in consultation with the State Finance Department.

9. 10 The CEO has also stated that DEOs shall furnish the expenditure particulars for the funds already released, (in the prescribed formats already communicated) so as to send the same to the Accountant General for issue of Audit Certificate by the AG for reimbursement of central assistance due to both the States.

10. 11 The CEO has informed that the physical verification of EVMs and data entry in the EVM tracking software shall be completed by 15th September, 2015 as fixed by the Commission. In respect of problem

(Contd)

-3531

in data entry of EVMs of BEL make, BEL authorities are making data entry in the software and after completion of data entry by the BEL, DEOs can make data entry.

11. The CEO has also instructed all the DEOs to furnish the pending reports with respect to 'paid news' as called for vide Memo No.2491/Elec.B/A2/2015-1, Dt.15.6.2015 and Memo No.6751/Elecs.B/A2/ 2015-6, Dt.26.8.2015 as the ECI is pressing for the same.

12. The CEO has asked the District Election Officers to raise any specific issues. All the DEOs have informed that there are no specific issues. Most of the DEOs have requested to release the funds, as Data Entry Operators are pressing for the same for settlement of their claims. The DEOs of Srikakulam, Visakhapatnam, East Godavari, Krishna, Kurnool, Anantapur, Adilabad, Ranga Reddy, Khammam have raised that some posts of EROs are vacant and they shall be replaced. Some of them have stated that they submitted proposals for approval. The CEO has informed that the proposals are not received and they should submit the same immediately to take up the issue with the State Government as well as with the ECI. The DEO, Krishna has informed that Government of Andhra Pradesh has issued orders changing the nomenclature of Additional Joint Collectors as "Joint Collector-II" and requested to change the nomenclature of AJC in the EROs' notification.

13. 14. All the DEOs have assured to complete the physical verification of EVMs before 15.09.2015. The DEO of Chittoor and the Joint Collector, Ranga Reddy have stated that physical verification of

(P.T.O.)

EVMs has not been conducted due to pendency of Election Petitions. The CEO suggested to obtain the permission of the Hon'ble High Court through GP / Advocate General for opening of godown and to take up the physical verification duly giving proper justification to the court.

14-15 The District Election Officer, Karimnagar has requested to release funds for construction of EVM godown. The CEO has informed that budget will be released shortly and instructed the DEOs who have sought revised administrative sanction for additional work / 1st floor, to submit the proposal in full shape along with the detailed estimates submitted by the engineering department with justification etc.

15-16. The CEO has instructed the District Administration of Nellore to sort out the house number problem in Nellore City and Rural Assembly Constituencies and correct the electoral roll by 10th September, 2015 and he will visit the district to review this item. The CEO has also instructed the DEO, Guntur to rectify the issue of shifting of polling stations in Narasarapet AC, as there are many complaints and the issue shall be sorted out during the present rationalization of polling stations duly consulting all the political parties.

16-17. While concluding the video conference, the CEO has once again requested all the DEOs to complete the elimination of duplicates / shifted / ineligible / dead electors and to take up all pre-revision activities as per the schedule communicated so as to publish the draft roll under SSR, 2016.

MINUTES OF THE VIDEO CONFERENCE HELD BY THE CHIEF ELECTORAL OFFICER ON 03.09.2015 FROM 11.00 A.M. TO 2.00 P.M. WITH ALL THE DISTRICT ELECTION OFFICERS AND ELECTORAL REGISTRATION OFFICERS

--:o0o:--

The Chief Electoral Officer, Andhra Pradesh and Telangana, has conducted video conference with all the District Election Officers and Electoral Registration Officers of Andhra Pradesh and Telangana States on 03.09.2015 to review the ongoing NERPAP Programme, disposal of pending claims & objections and preparedness for SSR, 2016.

2. While initiating the video conference, the Addl.CEO (AS) has explained the proposal of the Commission for preparation of digital maps of all Polling Stations (Nazari Naksha) clearly depicting the sections or other details and obtained the views of the District Election Officers to finalise the modalities. The DEO, Visakhapatnam has suggested to link the electors' house numbers to the Property Tax database in Urban Local Bodies. The DEO, Krishna has suggested that the officials should physically go around the boundaries of the polling stations, obtain geo coding and make polygons on the digital maps. The DEO, West Godavari has also suggested the same as proposed by the DEO, Krishna. The DEOs of Visakhapatnam and West Godavari have expressed their interest to undertake pilot project in Visakhapatnam and Eluru Municipal Corporation areas. Accordingly, it was decided to take up these pilot projects along with SSR, 2016.

3. The CEO while addressing the conference has expressed displeasure in settling the exgratia cases in respect of officers / staff died / sustained injuries during General Election-2014 eventhough the period of more than a year elapsed. He has stated that Government has issued revised orders enhancing the ex-gratia and the District Election Officer of the district, where the incident took place, have to examine the case and issue speaking sanction orders and furnish the same and other relevant documents along with the proposal for release of funds towards payment of ex-gratia.The DEOs should not send proposals to the Chief Electoral Officer for sanction of ex-gratia, as the DEO is the competent authority to sanction the ex-gratia. In respect of exgratia to the CAPF/SAP personnel, necessary sanction orders shall be issued by the DEO concerned soon after the issue of required orders by the Government.

4. The CEO has stated that the preparation of nazari naksha of the polling station with the help of digital maps is important task, which need to be paid attention of the electoral administration, so as to define polling area very accurately. As there is time constraint to complete the task including physical verification before the draft publication under SSR, 2016, initially, the following three categories of Polling stations shall be covered for preparation of digital maps of the PSs:

i) One village without hamlets / other habitations having one Polling Station;

(P.T.O.)

ii) One village with few hamlets / habitations, having one polling station;

iii) One village having more than one polling station for which demarcation shall be made within village map using the present maps.

Computer based interface for preparing these maps will be provided by O/o.CEO by 09.09.2015.

5. The CEO has stated that the ECI has issued instructions to suspend further activities for Aadhaar seeding based on the interim direction of the Hon'ble Supreme Court, however, the purification of electoral rolls under NERPAP shall be continued. While retaining the eligible elector under law, dead / shifted / duplicate / ineligible electors shall be deleted duly following due process of law. If any elector is responded based on the notice issued by the ERO and the ERO is satisfied with the reply / supporting documents submitted by the elector, the ERO shall take action accordingly and the status mentioned as 'Shifted' shall be revised and his / her name shall be retained in the draft electoral roll to be published on 05.10.2015. Similarly, in case of door locked cases, the ERO shall decide the cases based on whether such electors have permanently migrated or temporarily migrated and status shall be revised in the photo electoral roll accordingly. The CEO has also stated that from the o/o.CEO, lists of duplicate electors were communicated besides certain duplicates identified by the BLOs during door to door verification. Such duplicates shall be removed duly following the procedure before draft publication and it shall be ensured that no duplicate entry is present when the draft roll is published. If any duplicates found in the draft roll to be published on 05.10.2015, the ERO will be held responsible and ECI may take serious view of this lapse. The DEOs shall monitor the deletion of duplicates and furnish a certificate.

6. In respect of SSR, 2016, the CEO, while mentioning the number of applications in Form-6, 7, 8 & 8A pending district-wise, has instructed that all applications pending shall be disposed of before draft publication so as to avoid submission of applications again physically / online by the same electors on the ground that their name does not find place in the draft electoral roll. As the draft roll is to be published on 05.10.2015 and data will be frozen for taking up the rationalization of polling stations, the EROs shall dispose of all pending applications before undertaking rationalization exercise to ensure that no application received upto 31.08.2015 is kept pending at the time of draft publication of roll under SSR, 2016. The CEO has also stated that he will take up the personal review with the DEOs of the districts where there is large pendency of applications within a week.

7. The CEO has requested the DEOs to draw up a plan of action for training to the EROs / AEROs / BLOs / Supervisors and submit the same to the O/o.CEO and to complete the training programmes before draft publication on 05.10.2015. The SLMTs trained by the IIIDEM, ECI, New Delhi will train the

(P.T.O.)

District Level Master Trainers, EROs and the ALMTs at each District Headquarters in the second and third week of September, 2015. Accordingly, training programmes for AEROs, Supervisor and BLOs by the ALMTs have to be chalked out by the DEOs from 18th September onwards.

8. The CEO has also stated that all the DEOs have been requested to upload the bank details of the Booth Level Officers in ERMS using the ERO login credentials in order to credit the honorarium directly to the bank accounts of the BLOs under intimation to the District Election Officers. But, the DEOs have not uploaded the details of all the BLOs in the district. The CEO has requested the DEOs to complete the task within a week.

9. The CEO has stated that the proposals for requirement of funds under NERPAP, SSR, 2016 are awaited from the DEOs of Adilabad, Vizaianagaram and Prakasam and requested to expedite the same, so as to submit the consolidated proposal to Finance Department to obtain funds. The funds sought for by the DEOs in respect of General Elections, 2014 / bye-elections / biennial elections will be released in consultation with the State Finance Department.

10. The CEO has also stated that DEOs shall furnish the expenditure particulars (in the prescribed formats already communicated) for the funds already released, so as to send the same to the Accountant General for issue of Audit Certificate by the AG for reimbursement of central assistance due to both the States.

11. The CEO has informed that the physical verification of EVMs and data entry in the EVM tracking software shall be completed by 15th September, 2015 as fixed by the Commission. In respect of problem in data entry of EVMs of BEL make, BEL authorities are making data entry in the software and after completion of data entry by the BEL, DEOs can take up the data entry.

12. The CEO has also instructed all the DEOs to furnish the pending reports with respect to 'paid news' as called for vide Memo No.2491/Elec.B/A2/2015-1, Dt.15.6.2015 and Memo No.6751/Elecs.B/A2/ 2015-6, Dt.26.8.2015 since the ECI is pressing for the same.

13. The CEO has asked the District Election Officers to raise any specific issues for clarification on any item of work. Most of the DEOs have requested to release the funds, as Data Entry Operators are pressing for the same for settlement of their claims. The DEOs of Srikakulam, Visakhapatnam, East Godavari, Krishna, Kurnool, Anantapur, Adilabad, Ranga Reddy, Khammam have raised that some posts of EROs are vacant and they shall be filled up / substituted. Some of them have stated that they had submitted proposals for approval. The CEO has informed that the proposals are not received in respect of most of the cases and they should submit the same by fax immediately to take up the issue with the State Government as well as with the ECI. The DEO, Krishna has informed that Government of Andhra Pradesh has issued orders changing the nomenclature of Additional Joint Collectors as "Joint Collector-II" and requested to change the nomenclature of AJC in the

(P.T.O.)

EROs' notification. The CEO has directed to put up the file with the Note for circulation.

14. All the DEOs have assured to complete the physical verification of EVMs before 15.09.2015. The DEO of Chittoor and the i/c DEO, Ranga Reddy have stated that physical verification of EVMs has not been conducted due to pendency of Election Petitions. The CEO suggested to obtain the permission of the Hon'ble High Court through GP / Advocate General for opening of godown and to take up the physical verification duly giving proper justification to the Court.

15. The District Election Officer, Karimnagar has requested to release funds for construction of EVM godown. The CEO has informed that budget will be released shortly and instructed the DEOs who have sought revised administrative sanction for additional work / 1st floor, to submit the proposal in full shape along with the detailed estimates submitted by the engineering department with justification.

16. The CEO has instructed the District Administration of Nellore to sort out the house number problem in Nellore City and Rural Assembly Constituencies and correct the electoral roll by 10th September, 2015 and he will visit the district to review this item. The CEO has also instructed the DEO, Guntur to rectify the issue of shifting of polling stations in Narasarapet AC, as there are many complaints and the issue shall be sorted out during the present rationalization of polling stations duly consulting all the political parties.

17. While concluding the video conference, the CEO has once again requested all the DEOs to complete the elimination of duplicates / shifted / ineligible / dead electors and to take up all pre-revision activities as per the schedule communicated so as to publish the draft roll under SSR, 2016.

OFFICE OF THE CHIEF ELECTORAL OFFICER,
ANDHRA PRADESH & TELANGANA
South 'H' Block, A.P. Secretariat, Hyderabad

Letter No. 736/Elections.E/A2/2015 – 134

Dt.08.08.2015

To
Sri Sumit Mukherji,
Secretary
Election Commission of India,
Nirvachan Sadan,
Ashoka Road,
New Delhi – 110 001

Sir,

It is submitted that the Chief Minister of Telangana State has talked to me over phone at 2.22 pm on 20.7.2015 and informed that he came to know about the linking of aadhaar with EPIC programme through the media, that the progress in other districts is quite satisfactory, but in the area of Greater Hyderabad Municipal Corporation, it seems to be very poor; that the Chief Secretary and the Commissioner, GHMC who have attended some other review meeting are available with him and requested me to come for a discussion on this issue to know why it is lagging behind in the capital city and how it can be improved to bring at par with the rest of the State. Accordingly, I have met the Chief Minister when the Chief Secretary and the Commissioner, GHMC, who is the DEO., Hyderabad were present. I have explained the instructions issued by the ECI on the NREPAP issue, the progress in other districts, which was around 82%, and in GHMC area with 24 ACs, 35.31%, the reasons for poor performance in GHMC area and the strategy to bring at par with other districts of Telangana State.

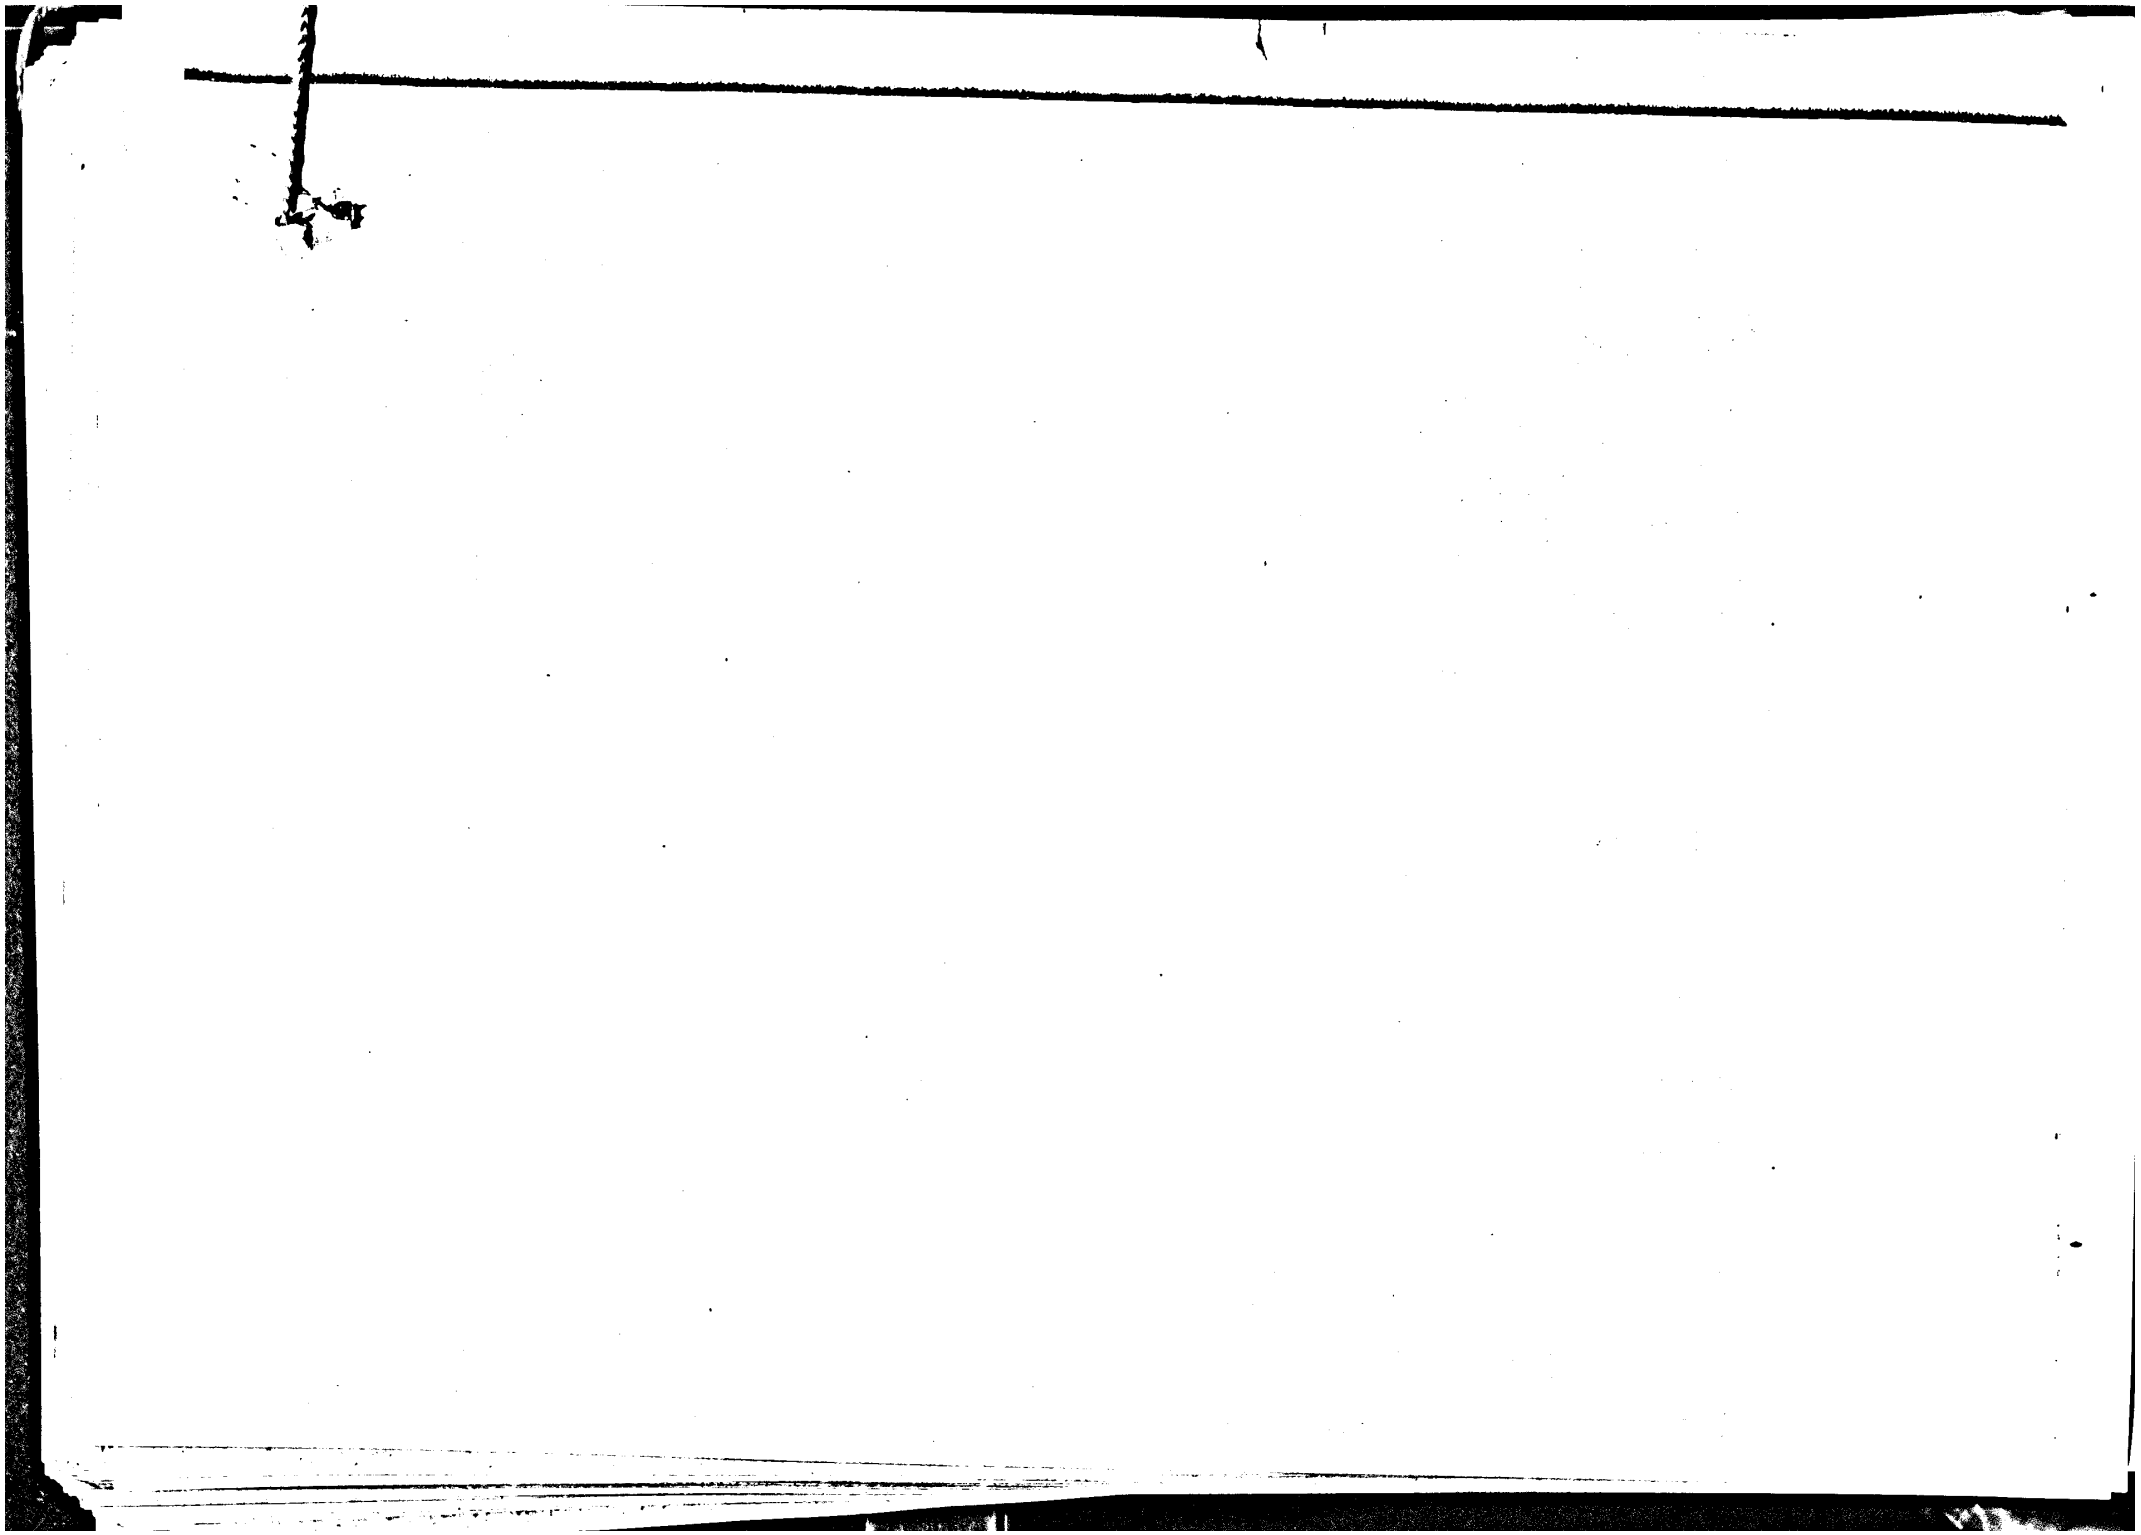
2. With regard to e-mail of DEC (VZ)(dt.28.7.15, I furnish herewith the factual report on the contentions of the petitioner made in his e-mail dt.21.07.2015, which was marked to the CEC and all the officers of the Commission:-

i) The Commission has launched NERPAP in the month of March, 2015. Based on the instructions of the Commission, EPIC-Aadhaar linkage is being taken up in all the districts of Andhra Pradesh & Telangana States.

ii) In Andhra Pradesh, Aadhaar has been linked to 76.22% of electors and in Telangana State (except GHMC area), the linking is 84.45%, whereas in 24 Assembly Constituencies of GHMC area, on the day of my discussion with the Chief Minister on 20.7.2015, it was 35% and now it is 45%.

iii) The electors shown as in-eligible, dead, shifted, door locked, not enrolled on the day of discussion, it was 64.86% in GHMC area and now it is 53.16%.

iv) This shows that there is poor progress of the programme in GHMC Area and the door to door verification has not been conducted properly. There are



-3281-
-3547-

many complaints stating that BLOs have not visited their houses, in GHMC area whereas there is not even a single complaint from remaining 9 districts, falling outside of GHMC area in Telangana State.

v) This was discussed in various meetings / video conferences with the Commissioner, GHMC, but there was no fruitful result. The District Election Officer of Hyderabad, who is the Commissioner, GHMC did not seem to have evinced much interest in NERPAP, of course, other pressing needs were getting diverted his attention from the NERPAP.

vi) The Commission has also sanctioned staffing pattern for the offices of the Chief Electoral Officer, District Election Officers and ERO / RO in the month of March, 2014 and revised in September, 2014. Accordingly, required proposals have been submitted to the State Government for sanction of posts, but the State Government has not cleared the proposal till date in spite of the letter of the Chief Election Commissioner to the Chief Secretary to the Government. This issue has also been brought to the notice of the Commission during their visit to Hyderabad in the month of July, 2015.

vii) The Commission has approved a one time remuneration of Rs. 2500/- for BLO (in addition to annual honorarium) and Rs. 5000/- for Supervisor for supervision in 8-10 polling stations for this programme (NERPAP). The Commission has also asked the Chief Electoral Officer to make specific proposals on the above points to the State Government and requested the State Government that the proposals whenever received from Chief Electoral Officers may be considered positively. Accordingly, proposals have been submitted to the State Government, which are still pending.

viii) The Commission has also requested the Chief Electoral Officer to furnish the panel of IAS Officers in the super time scale in consultation with the State Government for appointment of Special Observers to oversee the NERPAP in the districts. Accordingly, the file has been circulated to the State Government for providing the list of Officers, but has not been received till now. The programme is coming to an end as per the schedule.

ix) The Commission has also enhanced the remuneration to the BLOs to Rs.6,000/- per annum and also fixed Rs.12,000/- per annum as honorarium to the Supervisors. This also needs approval of the State Government. The file has been sent to the Finance Department but still pending.

x) Besides, required budget for the NERPAP as well as revision of electoral rolls and elections has to be obtained from the State Government. The funds required for the present ongoing NERPAP has not been cleared by the State Finance Department so far due to financial crunch reported to have been prevailing in the State Finances.

xi) It is further submitted that the Andhra Pradesh State has been bifurcated into two States and Telangana came into existence w.e.f. 2.6.2014. The Telangana State Government has provided only two sections for O/o.CEO,

Telangana (2 Section Officers, 4 Asst.Section Officers & 3 Office Subordinates) and one Officer in the rank of Dy.CEO. Out of 2 SOs, one post is vacant and out of 4 ASOs, 2 posts are vacant. Thus, the staff provided are not at all sufficient to cope up with the work load. This issue has been highlighted before the Chief Secretary several times with a request to provide the staff as per the staffing pattern sanctioned by the Commission, but in vain. This has also brought to the notice of the Commission during the last visit on 01.07.2015.

xii) The office accommodation provided by the Telangana Government is not sufficient even for 2 sections and one officer. As advised by the CEC, during his visit to Hyderabad on 1.7.2015, enquiries were made in the vicinity of Secretariat to hire the building for CEO, Telangana but no suitable building is available for letting out due to prime location. Even in far away areas, the building owners are not willing to let out as the rent fixed by the Roads & Buildings Department of the State Government (eligibility criteria to get passed the bills of rent from the State Treasury) is much lower than the prevailing market rate.

xiii) All the proposals for appointment of EROs / ROs etc. have to be made to the Commission in consultation with the State Governments, which means the approval of the Chief Minister.

xiv) Commission has been requested to declare the NERPAP as a revision of rolls programme, so that the district machinery comes on deputation to ECI and we could have better implementation without disturbance of electoral staff. But, the Commission has not issued any such orders in this regard. Almost for 20 days, there was no work under NERPAP because almost all the Government employees were busy in Pushkaralu in both the States.

xv) All the proposals regarding release of funds, provision / requisition of staff, providing accommodation to the visiting dignitaries from the Commission / from other States, issue of election notifications by the Governor of the State, issue of notifications by the State Governments under Rule 74 of the R.P. Act, 1951, nomination of members under Governor's quota to the Legislative Council have to be processed by the Chief Electoral Officer in the capacity of the Ex-officio Principal Secretary to Government for Elections Wing and circulated through the Chief Minister to the Governor.

xvi) It is further submitted that the Commission has changed the Returning Officer (Commissioner, GHMC) after the announcements of elections to Mahabubnagar-Ranga Reddy-Hyderabad Graduates' Constituency on the proposal made by the State Government directly without consulting the Chief Electoral Officer and the Commission notified the Special Commissioner, GHMC as RO for the said Constituency which has also been noticed as one of causes for poor performance/ non-compliance in GHMC area in comparison with the rest of the State of Telangana.

xvii) It is also relevant to mention here that the Commission launched Pilot Projects in November, 2014 in Greater Hyderabad Municipal Corporation area and

Nizamabad district and based on the experience sharing of these two projects, the Commission organised a National Consultation on 14th February, 2015 at Hyderabad and formulated the NERPAP for the entire country. The Nizamabad district had completed cent percent Aadhaar seeding, whereas in GHMC area it has not reached even 50% in spite of several visits to the Constituencies by the Chief Electoral Officer / Officers of the CEO Office and review meetings / Video Conferences.

3. It is further submitted that during the meeting held by the Commission with the Political Parties on delimitation proposal of Local Authorities' Constituencies of Telangana State at Hyderabad, all the Political Parties have supported the linking of Aadhaar with EPIC except AIMIM (Majlis Party). Thus, there has been no non-cooperation by the Political Parties in implementation of NERPAP. It is also submitted that the same Majlis Party with significant presence in Nizamabad District has fully supported NERPAP and achieved cent percent linking, which shows that if DEO and Electoral Machinery takes special interest, the attitude of the Political Party can be changed in favour of the Programme.

4. It clearly shows that the complaint in the instant case is made by the vested interests, who are vehemently opposing the implementation of NERPAP in Hyderabad District of GHMC and interestingly they are not opposing in RR District (part) and Medak District (part) of GHMC area where the electors' strength is more than the Hyderabad District.

5. With regard to the contents of the e-mail enclosures (news papers clippings) it is further submitted that I have conducted phone-in programme for one hour each through all the major Telugu News channels of Andhra Pradesh and Telangana and clarified all the doubts of the electors and instructions of the Commission on NERPAP. Further, strict instructions have been issued to all the DEOs to re-verify the shifted cases once and door locked cases thrice and paste the sticker on the door of the residence with the particulars of the BLO to contact, supply the list of all categories of electors to Political Parties at AC, Ward/Division level (urban areas) for their feed back.

6. In view of the above circumstances and on the request of the Chief Minister, I have met the Chief Minister in the interest of the prestigious NERPAP and to speed up the programme in GHMC area. After the discussion, the entire GHMC officials including the non-electoral machinery, have been engaged in implementation of the programme by launching a drive in GHMC area comprising 24 ACs by making announcements through mike in all the localities requesting the electors to come forward and link the Aadhaar with EPIC and also calling upon eligible citizens, who have not yet enrolled as electors or shifted their residence from one constituency to another to submit applications for enrolment as electors. Commissioner, GHMC has organized a special campaign today and tomorrow (8.8.2015 and 9.8.2015) with the BLOs and other staff to assist BLOs at each polling station in GHMC area (24 ACs) to collect Aadhaar / applications, to clarify doubts etc. The programme is in full swing and all the Political Parties are coming forward to fully involve in the programme of collection of Aadhaar from the electors and purify the electoral rolls.

7. Further, at present, there are no elections to any house in the Telangana State and there is no model code of conduct in place. As such, there is no restriction for the Chief Electoral Officer to meet the Chief Minister for discussion on any such issues and programmes as enumerated in para 2 supra, as when the State's financial position is not in good shape, release of funds is based on the priority of the programmes, which is invariably decided by the Chief Minister. This is submitted for kind information of the Commission and further instructions if any.

Yours faithfully,

CHIEF ELECTORAL OFFICER

Please see the letter received from the DEO., Hyderabad at page 227 Cf. 15

The DEO., Hyderabad in his letter dt.02.03.2015 has stated that they have requested to exempt the Electoral Registration Officers / Assistant Electoral Registration Officer of the GHMC area from the launching of the programme of Aadhaar seeding from 26.02.2015 to 31.03.2015 so as to enable them to attend and complete the time bound activities flagged by the Government of Telangana in the GHMC area before the closure of financial year 2014-15 and orders are awaited in the matter. He has requested to issue necessary orders exempting the EROs & AEROs of GHMC area from launching the programme of linking of Aadhaar with EPICs till the closure of the financial year 2014-15. 16, ✓ P.227 Cf.

In this connection, it is submitted that on the request made by the Commissioner, GHMC & DEO., Hyderabad vide his letter dt.25.02.2015, he has been informed that the request made therein is under consideration and in the meantime, he has been requested vide this office Memo dt.02.03.2015 to depute the technical persons along with Election Superintendent / Sr.Assts., for the proposed training at Dr.MCR HRD Institute, Hyderabad on 3rd & 4th March, 2015. Instructions were also issued to all the DEOs to launch the programme formally on 03.03.2015. 17 ⊗ P. 17-19 Cf. ✓ P.21 Cf. ⊗ P. 23-26 Cf.

It is submitted that detailed instructions have been issued on National Electoral Rolls Purification and Authentication Programme (NERPAP) vide this office memo dt.05.03.2015. The actual field work commences from 01.04.2015 in all the districts. Hence, the DEO., Hyderabad may be requested to launch the programme formally immediately and actual work can be commenced from 01.04.2015 according to the schedule communicated vide this office memo dt.05.03.2015. 18 (XX) P. 59-75 Cf.

In the Memo dt.05.03.2015, the date for Special Camp at every polling station at item No.10 in the Schedule has been typed as 22.04.2015 instead of 12.04.2015 mistakenly. Similarly, at para xvii on page 8 of the said memo, instructions were issued that ERO should take 19

Sub:- Improvement in Electoral Rolls- National Electoral Rolls Purification and Authentication Programme (NERPAP) – Commission's meeting dt. 21st May, 2015 on 'Issues and challenges in Linking Aadhaar with ER data' – Instructions - regarding.

Ref:- From the ECI Letter No. 23/1/2015(NERPAP)-ERS, dt.13.07.2015

--:o0o:--

113. Please see the letter received from the ECI at Flag-M and orders of the CEO thereon.

114. 2. Submitted that in the ref. cited, the ECI has stated that a meeting was held on 21st May, 2015 to discuss 'Issues and challenges in Linking Aadhaar with ER data in UIDAI and NPR states' as it was attended by DG, UIDAI, DG, C-DAC and senior officers of RGI, BSNL, NIC and CSC; besides CEOs of Arunachal Pradesh, Meghalaya, Odisha, Tamilnadu and West Bengal. Main decisions taken in the meeting are as follows:-

1. **Issues related to UIDAI** - there is considering progress in the development of Web API for DSDV services and the service will be made available shortly to EROs for seeding purpose.
2. **Issues related to RGI** - RGI has provided RGI Data base with Aadhaar number, enrolment number and TIN number to States who have made request to them. Addl. RGCR, RGI has assured that the CEOs may bring any issue to the notice of RGI and the matter will be sorted out immediately. The CEOs may send their request for data directly to RGI and the data would be made available through concerned CPSUs.
3. **Issues related to BSNL** - the network issues in North Eastern States will be looked into immediately and BSNL will provide necessary support for routine maintenance to them.
4. **Collection of Aadhaar and data security** - the Commission has issued following instructions for compliance:

   a. Furnishing of Aadhaar number is not mandatory; it is only optional and may be furnished voluntarily, as clarified by the Hon'ble Supreme Court.

   b. No electoral service will be denied to any elector on the ground of non furnishing of Aadhaar number.

   c. Non-furnishing of Aadhaar number will not be a ground for rejection of application for new enrolment/objection against an application for new enrolment.

[P.T.O]

[C.No.736/Elect.E/A2/15]

d. Similarly, non-furnishing of Aadhaar number will not be a ground for deletion of name of an existing elector from Electoral roll.

e. Collection of Aadhaar number is only for the purpose of authentication of details of electors and confidentiality and security of data must be ensured during the process of feeding and seeding.

f. Aadhaar number of an elector shall not be displayed / reflected in electoral scrutiny or in any other document of the Commission, shareable with public or put in public domain. It must be ensured that Aadhaar database is not misused under any condition.

(3) 115

The Commission has directed to approach RGI and UIDAI directly, in case of any specific issue relating to linking of Aadhaar with ER data so that the matter may be resolved without lapse of time. The Commission has also directed that the instructions related to 'Aadhaar collection and security of database' issued earlier vide letter dt.22.05.2015 shall be complied by all the concerned.

(4) 116

In this connection, it is submitted that,

(i) with regard to 'Issues related to UIDAI', the DG, UIDAI has been requested to provide DSDV tool to complete the linking of Aadhaar with EPIC database including non-consent data, UID in respect of EID and Aadhaar issued in other states vide this office Letters dt.22.05.2015 & 02.07.2015. ← at flgs. Memo No. 736/Elecs.E/A2/2015- , Dated: .05.2015

Sub:- Improvement in Electoral Rolls – National Electoral Rolls Purification and Authentication Programme (NERPAP) – EPIC-Aadhaar Linkage – Deletion of duplicate entries / correction of data entry mistakes - Regarding

--:o0o:--

The District Election Officer, Krishna in Andhra Pradesh and Nizamabad in Telangana are informed that the SLA has generated the lists of duplicate voters based on the Aadhaar number linked and also generated a list of errors i.e., data entry mistakes such as same Aadhaar number has been linked to two different electors. The said have been placed at FTP Server **10.160.18.169\From_GAD**. The same shall be downloaded from the above ftp site.

Despite repeated instructions on finding of duplicates during door to door verification based on the ordinary residence of the elector, the duplicate entries still exist in the database. This clearly shows that the BLOs have not conducted the door to door verification properly and there is lack of supervision by the EROs and other senior officers of the district.

All the District Election Officers are, therefore, requested to get the entire list of duplicates verified again in all the Assembly Constituencies, get the duplicate entries deleted by 15.06.2015 without fail duly following the procedure. The Electoral Registration Officer shall prepare a list of the names of duplicate electors / repeated names and shall exhibit on the notice board of his office a copy of the list together with a notice as to the time and place at which the question of deletion of these names from the roll will be considered. He can also publish the list and the notice in such other manner as he may think fit. Besides this,

[P.T.O]

individual notices shall also be issued to the electors as to which entry the elector shall be retained and the name can also be read out in the Gramsabha duly recording the minutes of the Gramsabha. After considering any verbal or written objections that may be preferred, he must decide the question of deletion of these names. In case of repeated names in the electoral rolls in the same polling station with same house number and same particulars, one entry can be kept in respect of each elector deleting the remaining entries of the same elector suo-motu without any notice.

Similarly, the lists with data entry mistakes such as same Aadhaar number has been linked to different electors shall also get re-verified by the Booth Level Officers and entries shall be corrected by obtaining the Aadhaar number afresh from the electors.

The District Election Officers are also requested to issue immediate instructions to all the EROs / AEROs / BLOs / Supervisors and further follow up action. They shall be cautioned that if any duplicates / mistakes are found after re-verification, penal action will be initiated against erring officials as per the Election Laws.

The seeding of Aadhaar in EPIC database has been completed ——— % in Krishna district and _____% in Nizamabad district. The overall seeding of Aadhaar in EPIC database in the States of Telengana and Andhra is _____%.

The polling station-wise PDFs have been updated. While generating the list of duplicate EPIC for the same, Aadhaar, wherever latest EPIC ID found, all the duplicates have been placed in the list of polling station. The BLO is asked to verify the existence of the person at the address of the latest EPIC card and retain him in the electoral roll, if found correct. For all the other EPIC IDs, which are not latest, the ER should follow the process of deletion.

The data of generation of EPIC has also been indicated by the SUA in the PDFs enclosed.

*In case the elector is not found to be ordinarily resident at the address given in the latest EPIC, necessary action for deletion may be taken after following due procedure.

Correction of wrong entries:

It is observed that some errors have been made while doing data entry. In —— records of Krishna district —— have been found to be wrongly data entered, such as wrong age, male in Aadhaar Card and vice-versa female in EPIC etc. These errors may be due to wrong collection of Aadhaar card or wrong entries of data. This needs to be checked by the BLO wherever required, thoroughly cross checked and then entries made in the system again.

ELECTION COMMISSION OF INDIA

Nirvachan Sadan, Ashoka Road, New Delhi-110001

No. 23/1/2015-ERS (NERPAP)

Dated: 10th April 2015

To,

The Chief Electoral Officers of
All States and Union Territories.

Subject: **Improvement in Electoral Rolls- National Electoral Rolls Purification and Authentication Programme (NERPAP)-Special Camp on 12.04.2015-regarding.**

Ref: ECI letter No. 23/1/2015-ERS, dated 27.02.2015

Sir/Madam,

I am directed to refer to the Commission's letter dated 27.02.2015 on the subject cited above and to state that as per the instructions contained therein, a nation-wide Special Camp has to be organised on 12.04.2015 (Sunday) at booth levels in all assembly constituencies in the Country by the EROs for NERPAP activities, and thereafter, atleast one such Special Camp will be organized every month on any Sunday, as fixed by CEOs. The Commission has directed that the following measures may be taken for the Special Camp immediately:-

1. Wide publicity of the programme – The Commission has directed that for the camp day programme and major activities, to be undertaken on the camp day, such as collection of Aadhaar, EPIC number and mobile number / mail ID and receiving applications for deletion of multiple entries / correction of entries / replacement of photographs will be given wide publicity in the following manner :-

   (i) Publicity through print / visual / audio / Government websites or CEO's portal / various internet gateways / SMS or mobile phone.

   (ii) Publicity through posters / distribution of pamphlets and other traditional local methods such as beat of drums.

   (iii) All recognized political parties must be informed in writing by DEOs about the Camps. They should be requested to depute BLAs to remain present in the Camp.

   (iv) The assistance of Booth Awareness Groups (BAGs) comprising of Booth Level Government Functionaries, para workers, representatives of local bodies, BLAs, BLVs, Head or representative of

Schools/Colleges in the Booth Area, NSS/NYK volunteers and member representatives of local CSO/NGO may also be taken for the publicity of the Special Camp and also for facilitating electors in collection of data and filling of the Forms etc. during the Special Camp. Further, electors should be made convinced that such details are being collected from them not only for sake of purification of electoral rolls but also for facilitation and extending services to the citizens during future elections.

2. Availability of copy of latest electoral roll of the part and Forms in sufficient quantity - BLOs shall keep copy of final electoral roll, 2015 of the relevant part and Forms 6, 6A, 7, 8, 8A and Format prescribed for collection of Aadhaar number, mobile number/email ID etc. in sufficient number at the designated location during Special Camp.

3. Activities on Special Camp day –

(i) Collection of Aadhaar, EPIC number and mobile number / e-mail ID through hard copy – The electors visiting the camp may be requested to give their above details in the format prescribed for Aadhaar submission. The BLO shall compare the details furnished in the formats with those in the original documents and return the original to the concerned elector then and there. The filled up format will be collected by BLO in the camp.

(ii) Collection of application for deletion of multiple entries and correction– The electors visiting the camp may be helped to search their names in the electoral roll available with BLOs and if name of an elector appears at more than one place, he may be requested to fill up Form 7 for deletion of his name from all those places except from that place where he actually resides. In case an elector submits his Form 7 for deletion of multiple entries relating to him appearing in the roll of some other part or some other AC, that Form should also be received at the Special Camp. After the camp a list of such Form 7 should be prepared and sent alongwith original Form 7 to the ERO of the concerned AC for taking necessary action. For correction of erroneous entries the elector may be advised to submit Form 8. Similarly, in case of shifting of address within an AC, the elector may be advised to fill up Form 8A.

(iii) Collection of applications for improvement of image quality – If some elector makes a request for replacement of his old / poor quality image in the electoral roll / EPIC, he may be asked to submit Form 8 for the purpose.

(iv) It is further clarified that though, the Special Camps are being organised for the above activities, however, if a person submits Form 6 for fresh enrolment or change in address out of an AC, that should also be collected at the camp.

4. Visits by officers – DEOs / EROs / AEROs and Supervisors will monitor the activities at Special Camps. They will make visits to the polling stations on camp day. The officers will chalk out their travelling plans in such a manner that all the polling stations in their respective areas are covered atleast by any one of the officers and no polling station is left unvisited.

5. Compilation of data and submission of report – Every BLO in-charge of the Special Camp at booth level shall submit a report (in format 1A and 1B enclosed) on the camp day activities undertaken on Special Camp day to the ERO. The EROs shall compile the data of all Forms / formats collected from electors by BLOs at the Special Camps and prepare a report (in format 2A and 2B enclosed) in respect of AC under his charge. The DEO shall compile the data in respect of all ACs within the district under his jurisdiction (in format 3A and 3B enclosed) and submit the same to the CEO who will send a consolidated report (in format 4A and 4B enclosed) in respect of all districts in the State to the Commission, together with specific inputs on the public response received on the camp day.

6. Disposal of Forms received at special camps - The filled up Forms collected during the Special Camps shall be treated as Forms received during continuous updating of electoral rolls, however, the applicant should not be insisted upon submitting the Forms in duplicate as required under Rule 26 of the Registration of Electors Rules, 1960. For public scrutiny, photo copy of the Forms so received shall be displayed on notice board during the 7 days' notice period. An account of number of Forms and Formats received on the Special Camps should be maintained by the BLOs separately. Forms received during Special Camps should be disposed of by the EROs within the minimum possible time after the mandatory notice period, following due procedure of law. The list of additions, modifications and deletions made in a part during continuous updation shall be prepared and displayed on the notice board of

EROs and also at the polling stations during the next Special Camp day. Formats received during Special Camps shall aiso be acted upon immediately after Special Camp day by ERO concerned so that feeding of Aadhaar so collected should be completed within the given timeline. The Commission has also directed that a proper record of disposal of all Forms shall be maintained by the EROs.

7. The above instructions may be brought to the notice of all the concerned for strict compliance.

Yours faithfully,

(NARENDRA N. BUTOLIA).

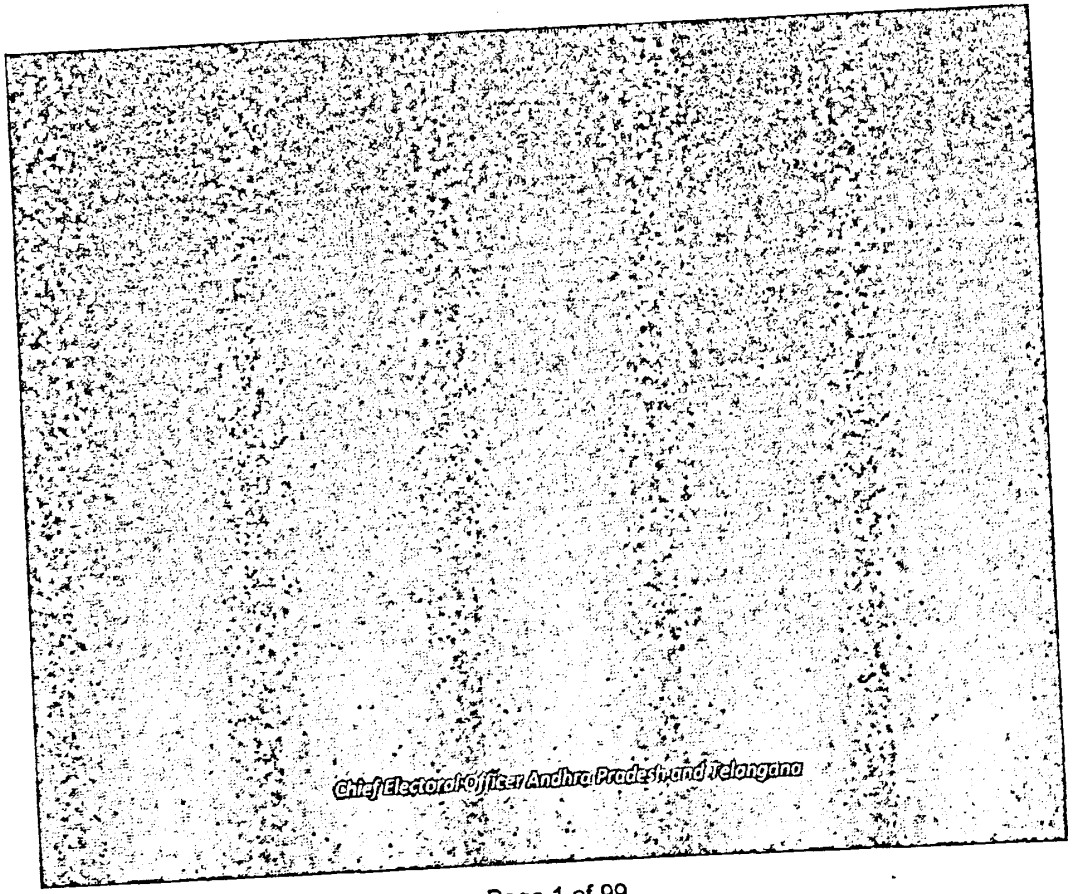
NOTE
EPIC – AADHAAR SEEDING



Aadhaar?

Aadhaar is a 12 digit individual identification number issued by the Unique Identification Authority of India on behalf of the Government of India. This number will serve as a proof of identity and address, anywhere in India. Aadhaar letter received via India Post and e-Aadhaar can be downloaded from UIDAI website are equally valid.

Any individual, irrespective of age and gender, who is a resident in India and satisfies the verification process laid down by the UIDAI can enrol for Aadhaar. Each individual needs to enroll only once which is free of cost. Each Aadhaar number will be unique to an individual and will remain valid for life. Aadhaar number will help you provide access to services like banking, mobile phone connections and other Govt and Non-Govt services in due course.

Aadhaar will be:

- Easily verifiable in an online, cost-effective way
- Unique and robust enough to eliminate the large number of duplicate and fake identities in government and private databases
- A random number generated, devoid of any classification based on caste, creed, religion and geography

Aadhaar is

- A 12-digit unique identity for every Indian individual, including children and infants
- Enables identification for every resident Indian
- Establishes uniqueness of every individual on the basis of demographic and biometric information

- It is a voluntary service that every resident can avail irrespective of present documentation
- Each individual will be given a single unique Aadhaar ID number
- Aadhaar will provide a universal identity infrastructure which can be used by any identity-based application (like ration card, passport, etc.)
- UIDAI will give Yes/No answers to any identity authentication queries

Aadhaar isn't

- Just another card
- Only one Aadhaar card per family is enough
- Collects profiling information such as caste, religion, and language
- Mandatory for every Indian resident who has identification documents
- An individual can obtain multiple Aadhaar ID numbers
- Aadhaar will replace all other IDs
- UIDAI information will be accessible to public and private agencies

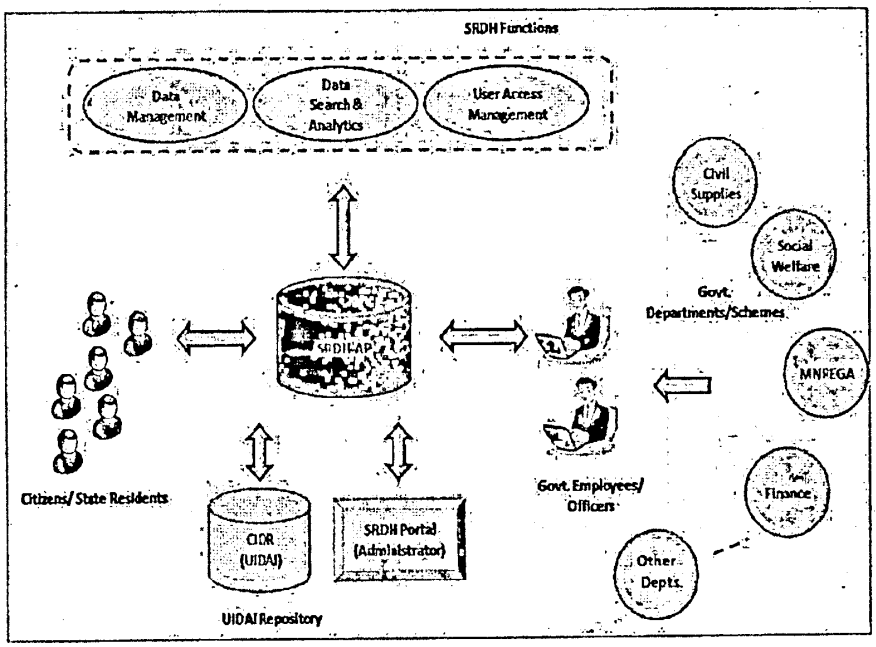
SRDH (State Resident Data Hub)

State Resident Data Hub (SRDH) of Andhra Pradesh and Telangana is a comprehensive portal for managing demographic (Name, Gender, Age, Photograph and Address) as well as biometric information for facilitating "Unique ID" based identity authentication.

SRDH is an exclusive source of information on state residents and will be integrated with departmental applications for the purpose of availing Government Welfare Scheme benefits.

UIDAI collected AP State resident information and verified it through a process of data sanitization/de-duplication to ensure uniqueness of data.

SRDH now further extends the utility of the demographic data of state residents by linking the "Aadhaar No." to the collaterals (multiple unique identities) of a beneficiary in multiple Government Welfare Schemes.



SRDH adheres to the principle of "Single Source of Truth", as it maintains demographic & biometric information of Andhra Pradesh state residents provided by Unique IDentity Authority of India (UIDAI) at one place & replica at several other locations. SRDH paves the way for accurate identification of the beneficiary at the time of disbursal of the benefits, later followed by multiple perspectives of analysis such as the distribution, the pattern of use, the comparison of eligibility criteria

across multiple schemes, etc., of beneficiaries. SRDH is a complete portal which hosts services as:

- Data Management
- User Access Management
- Data Search & Analytics

SRDH portal currently hosts a copy of demographic data (along with the respective Aadhaar No.) of all beneficiaries who have been allotted Aadhaar Nos.

SRDH Framework provides unique centralized repository for residents of AP with citizen demographic information with UID Number and integrated with availing scheme IDs and there by provide online citizen verification and validation services using to the departments as part of beneficiary selection and service delivery. It facilitates departments to implement welfare schemes more efficiently and effectively. It ensures that the delivery of services to the intended beneficiaries.

Following are the services provided by SRDH Framework through online portal

- Demographic Verification: The citizen profile can be viewed online with Citizen KYR information along with beneficiary IDs by integrating all the departments' data.
- Biometric Authentication: Biometric Authentication ensures the beneficiary selection and benefit is reaching to the intended beneficiaries on time.
- Data Synchronization: One stop update for citizen information.

De-Duplication of electors by Integration of UID -AADHAAR with Electoral Database

The EPIC database is having many duplicates which need to be removed with proper authentication. Aadhaar seeding in electoral roll database is the fool proof method for removal of duplicates in electoral roll database.

Objective of the Project

- Purification of electoral roll by removing duplicates / non-existent electors / ineligible electors
- Identification of unregistered eligible voters and achieving saturation of electoral rolls
- Make shifting of elector from one place to another place easier without creating duplicates
- Deletion of name from previous address at the time of registration at new place.

Requirements:

- UID-Aadhar database
- Software for seeding the Aadhar number in the electoral roll database
- Software for de-duplication

Approach:

State Resident Data Hub (SRDH) of Andhra Pradesh and Tegangana is a comprehensive portal for managing demographic (name, gender, age, photograph and address) for facilitating "UniqueID" identity authentication. The information in this portal is sourced by the UIDAI. It is intended to use this SRDH Portal and search engine for seeding UID (Aadhar number) in the Electoral roll database.

Methodology

- To initiate de-duplication, it is required to seed Aadhaar number in the EPIC database. It can be done by the following methods .
    - In-organic seeding : Directly through portal based on the provided matches by verifying the EPIC and Aadhaar photos and demographic data in the portal.
    - Organic seeding : After field survey, Aadhaar number is entered against the EPIC Number. Seeding done after verifying the EPIC and Aadhaar photos and demographic data in the portal. If Aadhaar is not collected feedback is given as dead, shifted, duplicate, ineligible etc.
    - Self Seeding – The following additional facilities have been made available for providing Aadhar number by the elector:
        i) Mobile Applications : Mobile applications for Android & IOs have been hosted on google play store and CEOs web site. The app shall be downloaded and installed on mobile phones. With the help of apps, the elector can upload his UID number & EPIC number.
        ii) Seeding through Portal with OTP
        iii) Call Center (Toll free No.1950) Seeding – Elector can inform the UID number and EPIC number over phone and operator will update the same on portal.
        iv) SMS Seeding – Elector can also seed the UID number through SMS by sending message to 08970499899 "SEEDEPIC [space] [EPIC No] [space] [Aadhaar No]

Procedure:

- After the seeding is done by either of the methods, the SRDH software performs Demographic authentication using AUA/ASA link (link with CIDR UIDAI database).
- The Elector name, relation name address, age and gender from the EPIC database is taken along with the seeded Aadhaar number and programmatically sent to UIDAI for verification
- Once this seeding is completed, SRDH runs a de-duplication engine to find out the probable duplicates based on the following
    - Same Aadhaar seeded against multiple EPICs
    - Demographic data comparison within the same geographical location (District, Mandal, Village)
    - Then reports will be generated about the seeding progress. Since both the databases – EPIC and UID are having photos, the duplicates can be easily identified and removed.
- The report shall be printed and sent for field verification through BLOs.
- Wherever the EPIC database and UID database (one to one) for the electors is matched and correct, there is no need for further verification. The UID number can be seeded.
- In the cases of any mis-matching of two databases (eg demographic data is same and photograph is different or photograph is same but some of the demographic data is varied) and multiple entries (one Aadhaar number and multiple entries in electoral roll), such reports shall be prepared polling station-wise and sent through the Zonal Level Officer for the verification.

- BLO shall verify the correctness of both the data and mention the same in the remarks column. In case, the elector is not available / shifted his residence, suitable remarks shall be made by the BLO duly enquiring from the neighbours.
- Wherever the UID number is not available, the BLO has to collect the copy of Aadhar Card from the elector or note down the aadhar number from the original card and mention in the report.

Experience:

GHMC

- A pilot project has been taken up in 15 Polling Stations in GHMC comprising of Hyderabad and Ranga Reddy districts.
- After verification of 19533 electors in 15 PSs, UID has been seeded for 7,912 electors, which forms 40.51% of the total electors. 43.18% of the electors were found shifted / ineligible / dead / duplicate. The details are as below:

Description	No. of Electors	%
Total No. of electors	19533	
No. of UID Seeded	7912	40.51%
Not enrolled with Aadhaar	1638	8.39%
Shifted	7473	38.26%
Dead-303, Duplicate-652 & Ineligible-146	1101	5.64%
Door Locked after several visits	697	3.57%

Nizamabad:

The result of pilot in Nizamabad district shows that after verification of 18,88,349 electors in 9 ACs, UID has been seeded for 18,60,795 electors, which forms 98.54% of the total electors. The details duplicates found are as below:

Description	No. of Electors
Total No. of electors	18,88,349
No. of UID Seeded	18,60,795
Percentage of seeding	98.54
Total Duplicates identified by BLOs/EROs / Based on the matches and UID number	73,735
Percentage duplicates against total electors	3.9

Assembly Constituency-wise details are at Annexure.

Purification of Electoral Rolls by Integration of UID -Aadhaar with Electoral Database

Chief Electoral Officer,
Andhra Pradesh & Telangana

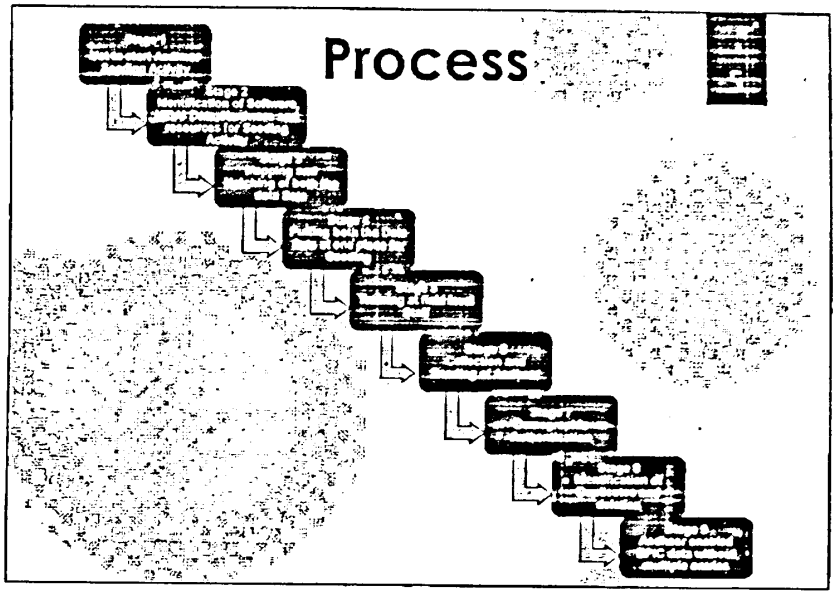
Objective

- Purification of electoral roll by removing multiple entries / non-existent electors / ineligible electors
- Identification of unregistered eligible voters & achieving saturation of electoral rolls
- Make shifting of elector from one place to another place easier without creating duplicates
- Deletion of name from previous address at the time of registration at new place.
- Using biometrics for voter identification in future

Introduction

- The electoral roll / EPIC database is having many multiple entries
- Need to be removed with proper authentication
- Aadhaar seeding in electoral roll database is the fool proof method for removal of duplicates in electoral roll database.

Administrative



Requirements

- Electoral roll / EPIC database
- UID-Aadhaar database
- Software for seeding the Aadhaar number and finding matching entries in electoral roll database
- Software for identification and removal of multiple entries

Requirements (Contd...)

- In AP & Telangana, SRDH will be utilised for the project, with which Aadhaar data is available for the residents of the two States.
- In the states, where SRDH is not available, UIDAI may provide the database of Aadhaar to the CEOs
- If the Aadhaar data is not available with the CEO locally, bulk seeding / authentication will not be possible.

Approach

- Using the SRDH portal & search engine for seeding UID (Aadhaar number) in the electoral roll database.
- State resident data hub (SRDH) is a comprehensive portal for managing demographic (name, gender, age, photograph and address) for facilitating "unique id" identity authentication.
- The demographic information in this portal is sourced from the UIDAI.

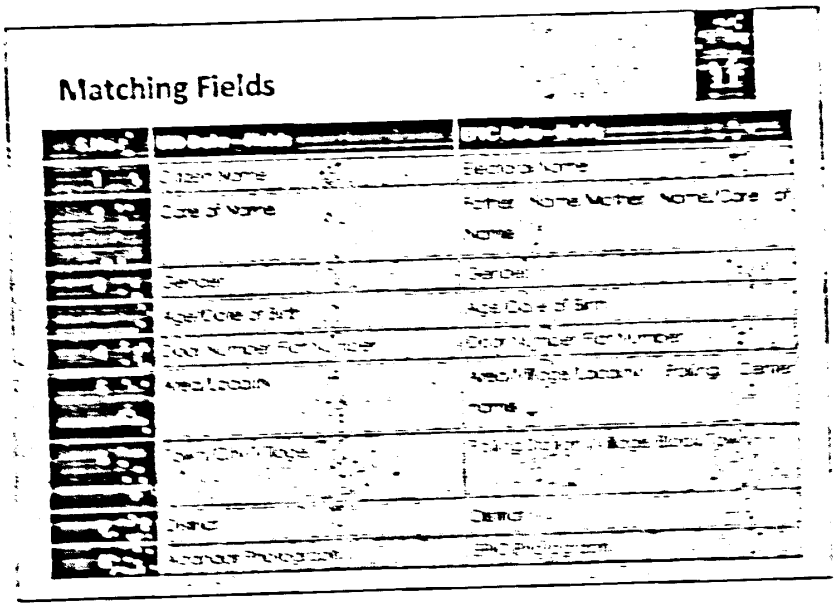
Methodology

- CEO office will share the electoral roll(EPIC) database with SRDH applicatio...
- The application will match the electoral roll / EPIC entry with Aadhaar / ration card / or any other departmental data with wider coverage of population above 18 years of age and seed the Aadhaar number in the electoral roll.
- For the 50% and above matched cases, they will incorporate the Aadhaar number against the elector.
- For less than 50% matching with uid, Aadhaar will not be incorporated against their EPIC number.
- The list will be generated in pdf format as per the house number polling booth-wise as being done for the electoral roll.
- These lists will be made available online in the EPIC-Aadhaar seeding portal
- Can be downloaded by the ERO using log-in credentials.
- ERO will print the lists and supply to the AERO's/ BLO's for field verification.

Pre-requisites for Replication in other States

- Aadhaar generation should be more than 75%
- UIDAI to share Aadhaar demographic data along with photographs with the Seeker State SRDH / Nodal agency.
- Seeker State has already the AUA-ASA link with CIDR, UIDAI for demographic authentication.
- The EPIC Aadhaar Seeding Software developed for AP & TS will be deployed at the seeker State SDC/ EPIC data center.
- Webservices from the seeker state SRDH will be used by this software.
- Train the Trainers: Training can be provided to the seeker state identified officials - System Integrator, EPIC department officials by the CEO AP using the services of the application developer who is doing this work for AP and TS.

Matching Fields



Citizen Name	Elector's Name
Date of Name	Father, Name Mother, Name/Date of Name
Gender	Gender
Age/Date of Birth	Age/Date of Birth
[illegible]	[illegible]
Area/Location	Area/Village/Location, Polling Center Name
[illegible]	[illegible]
District	District
[illegible]	[illegible]

Other data collection options

- 1. Mobile Applications
  - Android
  - Data verified & submitted from EPIC database & EPICs as voter
- 2. Self Seeding
  - Seeding through portal with OTP
- 3. Call Center Seeding
  - Toll free no. 1950
- 4. SMS Seeding
  - SEED EPIC space EPIC No. space Aadhaar No. & sent to 1950
- Verification in the B.L.O. EPIC and confirmed online

12/21/2015

Procedure

- BLO has to take up door to door verification both in the matched & not matched cases
- BLO has to verify the correctness of the Aadhaar number already incorporated in the list.
- Wherever the UID number is not available, the BLO has to note down the Aadhaar number from the original card and mention in the report.
- If the elector is not available / shifted his residence, suitable remarks shall be made by the BLO duly enquiring from the neighbours.
- In case of door lock cases or absence of any adult member at the time of his visit, BLO shall visit that house at least three times on different occasions

Procedure (Contd..)

- If even after three such visits, he finds the house locked or is not able to meet any adult member of the household, then he should paste a sticker on the door with contact address /phone number of the BLO
- The elector can be advised to link the Aadhaar number with any of the following
  - ✓ Seeding through portal
  - ✓ SMS
  - ✓ Call center
  - ✓ Mobile app
- Even after three such visits and pasting of sticker, if the elector does not turn up, the BLO shall report the matter to his supervisor with a specific remarks that the elector is not the ordinary resident of the address given / shifted / dead / duplicate.
- One supervisor shall be appointed for every 10 to 15 BLO's.
- The supervisor shall re-verify 1% of the electors again and report to the AERO / ERO.

Treating the campaign as Intensive Revision

- Imposing ban on Transfers of all Election Related officers DEOs/EROs/AEROs including BLOs till the draft publication of SSR, 2016
- Incentive may be given to the BLO/AERO/ERO/DEO who achieves 80% and above seeding of correct Aadhaar
- Electors, who are not having Aadhaar, UIDAI shall facilitate the registration & issue of Aadhaar through Permanent Aadhaar Centres
- During door to door verification, Form-6 may be collected from adult members who are having Aadhar number and not enrolled as electors

Training

- CEO Office AP along with SRDH authorities will provice training to the Resource Persons of IIIDEM
- Training material will be provided
- Duration of training will be 2 days
  - 1st day – Introduction and Understanding of Process, Technical work flow demonstration of the Software and all other detail of data collection like mobile self seeding, call center
  - 2nd day - Hands on experience of software and field experience
- In turn, IIIDEM will Train the SLMTs from each State
- SLMTs train the DLMTS (District Level Master Trainers)
- DLMTs train the ERO/AERO/BLO

Action to be taken by the AERO /ERO

- Computer operator, computer and internet connectivity will be provided by the AERO for online data entry.
- Existing computers already provided for permanent Designated Locations at each Mandal / Taluk headquarter will be utilized for the purpose
- Budget for computer operator and internet connectivity will be provided by the ECI.
- AEROs should take up supervisory check to the extent of 1% of the entries.
- The entries checked by supervisors and AERO should be different from each other
- They should not visit the same household again and again for verification.

Action to be taken by the AERO /ERO (contd..)

- Once the entire demographic authentication is completed, SRDH will run a de-duplication process over the entire state to find out the duplicates based on the following:
  - ✓ Same Aadhaar seeded against multiple epics
  - ✓ Since both the databases – EPIC and UID are having photos, the duplicates can be easily identified.
  - ✓ Lists of duplicates will be generated based on the Aadhaar number incorporated in the electoral rolls and said lists will be made available to the eros in pdf format for further verification.
  - ✓ Such duplicates can be removed duly following the procedure already mentioned supra.
- The final product will be an electoral roll without multiple entries.

Strategies

- Press Briefings
- Involvement of BLAs
- Advertisements in print & electronic media
- Spl.Camps
- Dedicated infrastructure such as computer, internet connectivity required
- Exclusive Data Entry operator is required at ERO / AERO evel

Pilot seeding in 15 polling stations in GHMC (urban)

Description	No. of Electors	%
Total No. of electors	19533	
No. of UID Seeded	7912	40.51%
Not enrolled with Aadhaar	1638	8.39%
Shifted	7473	38.26%
Dead-303, Duplicate-652 & Ineligible-146	1101	5.64%
Door Locked after several visits	697	3.57%

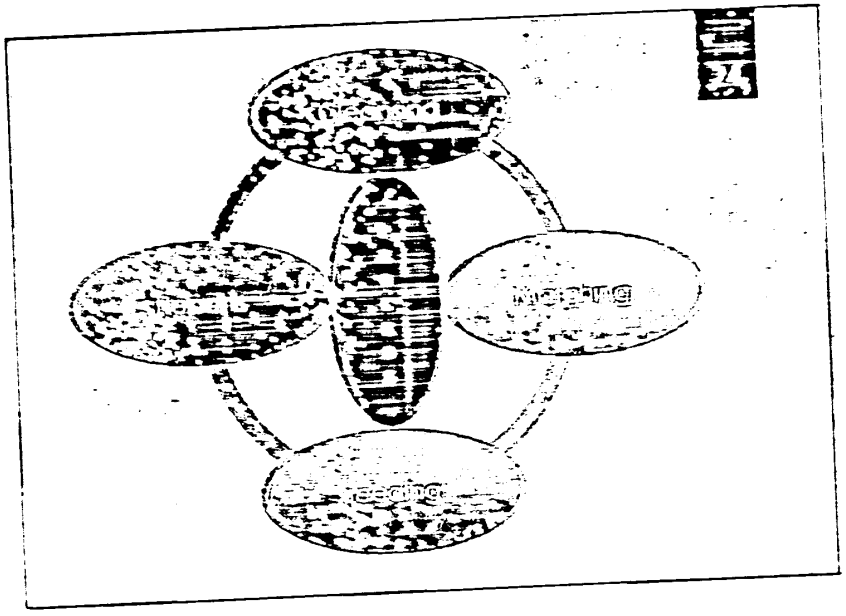
Seeding in Nizamabad district (rural)

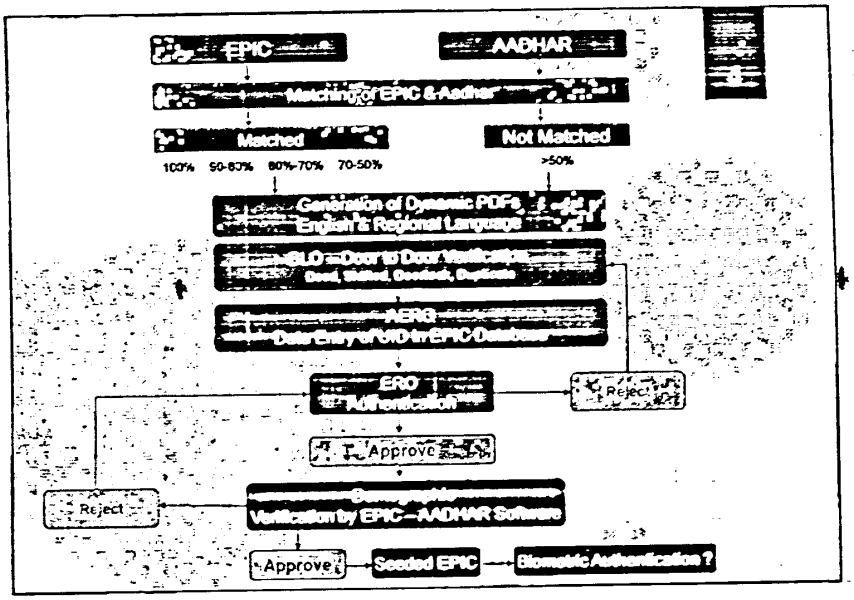
- No of Electors – 18,88,348
- Information collected – 18,78,228
- Percentage – 99.47%
- No of Electors with UID – 12,72,480
- No of Electors Dead – 20,786
- No of Electors Ineligible – 4390
- No of Electors Shifted – 4,18,759
- No of Duplicates (EO reported) – 31,105
- No of Duplicates (Having Multiple EPIC) - 42,809

Technical

Methodology

- To initiate de-duplication, it is required to seed Aadhaar number in the EPIC database. It can be done by the following methods
  - Organic seeding – Manual entry of UID/EID after obtaining it from the elector – BLO (door-to-door), Citizen Service centre etc.
  - Inorganic seeding –String matching algorithm will be used for comparing the demographic data in the two databases and listing out possible choices for seeding of UID/EID.
- After the seeding is done by any of the above methods, the software will perform Demographic verification.
- The Elector name and gender from the EPIC database will be taken along with the seeded Aadhaar number and programmatically sent to CIDR (Central Identity Data Repository) - UIDAI for verification using AUA (Authentication User Agency) – ASA (Authentication seeding Agency) link.





SEEDING APPROACHES

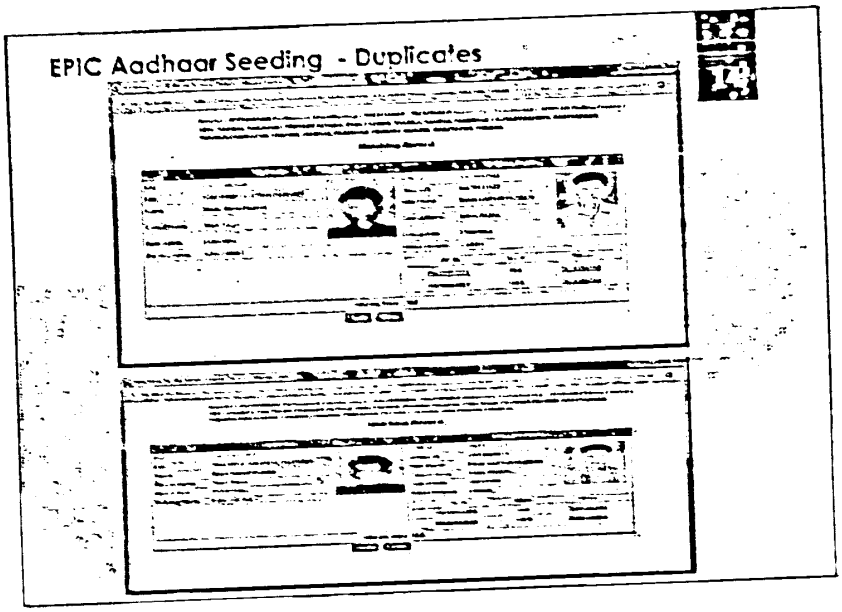
Once this seeding is completed, the software runs a de-duplication engine to find out the probable duplicate EPICs based on the same Aadhaar seeded against multiple EPICs



Matching Algorithms

- **Soundex Algorithm**

  Soundex is a phonetic algorithm for indexing names by sound, as pronounced in English, for homophones to be encoded to the same representation so that they can be matched despite minor differences in spelling. This algorithm is customized to suit the Indian naming conventions and it can handle most of the possible scenarios.

  Ex: The words "siva" and "shiva" are spelled phonetically same

- **Levenstein distance algorithm**

  Levenshtein distance is a string metric for measuring the difference between two sequences

  Ex: The levenstein distance for the strings "siva" and "shiva" is "1"

- **Short and Long Name algorithm**

  This algorithm designed for comparing short string and long strings.

  Ex: "S Krishna" and "Siva Krishna"

- **String shuffling algorithm**

  Shuffled strings are same in this case.

  Ex: "Siva Krishna" and "Krishna Siva"

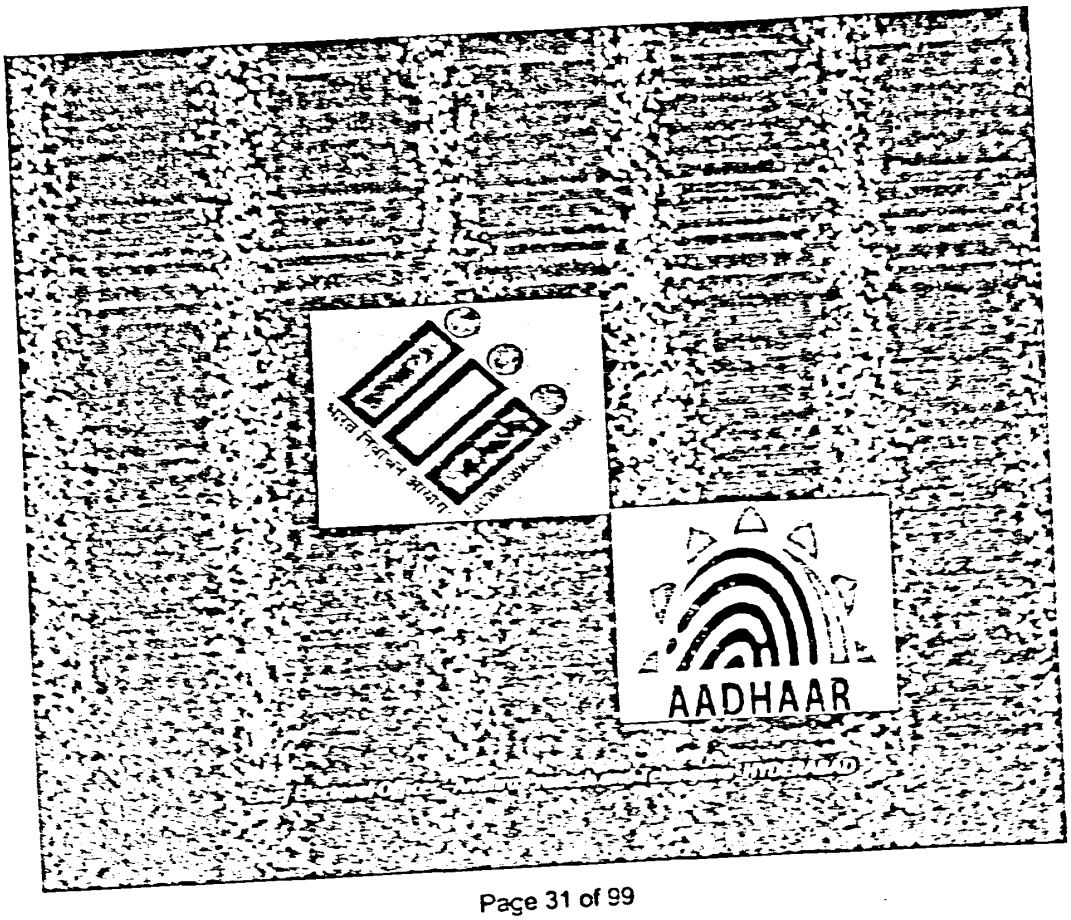
TECHNICAL PROCESS

EPIC-AADHAR SEEDING



Election Commission of India initiated the de-duplication of Electors database by seeding the AADHAAR against the EPIC card holders to weed out the fraudulent (Duplicates, Bogus, Ineligible and shifted) Voter Card holders from the existing Electors database in Andhra Pradesh and Telangana States.

This document talks about the EPIC Aadhaar seeding Framework solution developed to achieve the above task.

Section I - Technical Overview

This section talks about technical details of the EPIC AADHAAR seeding Framework solution

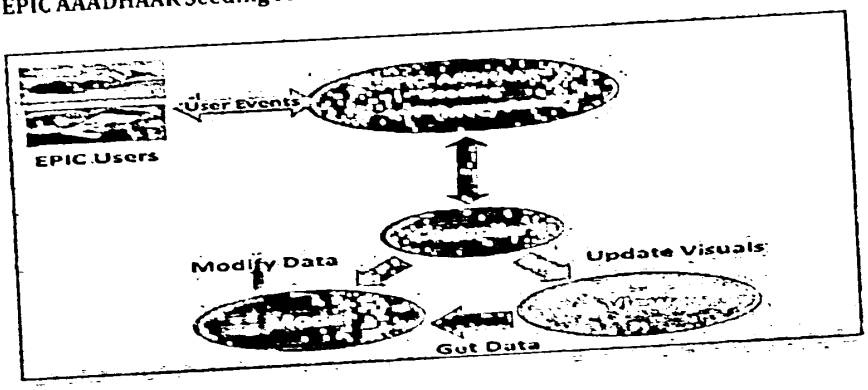
EPIC AADHAAR Seeding Solution Framework uses robust and highly scalable web-based enterprise solution architecture conforming to open standards that is developed using **Java Technologies** that serve as a unique platform to perform AADHAAR Seeding solution for Election Department.

This framework compromise of 3-tier architecture that includes a clear separation of presentation, business and data layers. The presentation tier uses a **model-view-controller** (MVC) framework that always for efficient code reuse as well provides for a clear separation of concerns. The business layer encapsulates the department specific business logic and workflow rules. The business tier architecture is designed to make it very easy to expose any business service as a public API (Application Programming Interface) for consumption by external applications. The data tier provides highly scalable database-agnostic architecture for data retrieval and storage in a relational database in both standard and Unicode format.

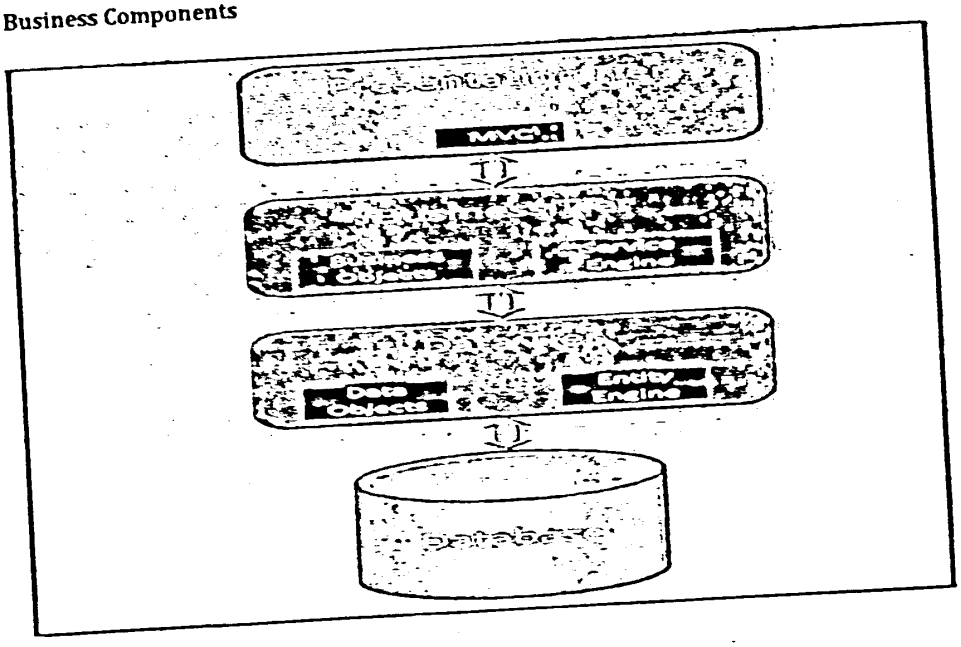
An industry standard Universal Data Model will be used to store all module data. This flexible data model is designed to provide a highly normalized database design that allows for efficient data storage as well as enforcing data integrity across all application modules. The extensible data model design will also make it easy to add new components and other external application modules as and when required.

Following diagrams depicts the application process steps with high level business components in the proposed MVC three tier Architecture.

EPIC AADHAAR Seeding Framework MVC Architecture – User Events Process Flow



EPIC AADHAAR SOA Architecture – High level View – Three tier Architecture with Business Components



Multi-Tenant Architecture

EPIC AADHAAR seeding Framework uses multi-tenant architecture of the solution allows for computing resources and application code to be generally shared between all the tenants but each tenant has its own data and configuration that remains logically isolated from data that belongs to all other tenants. A metadata layer correctly associates each

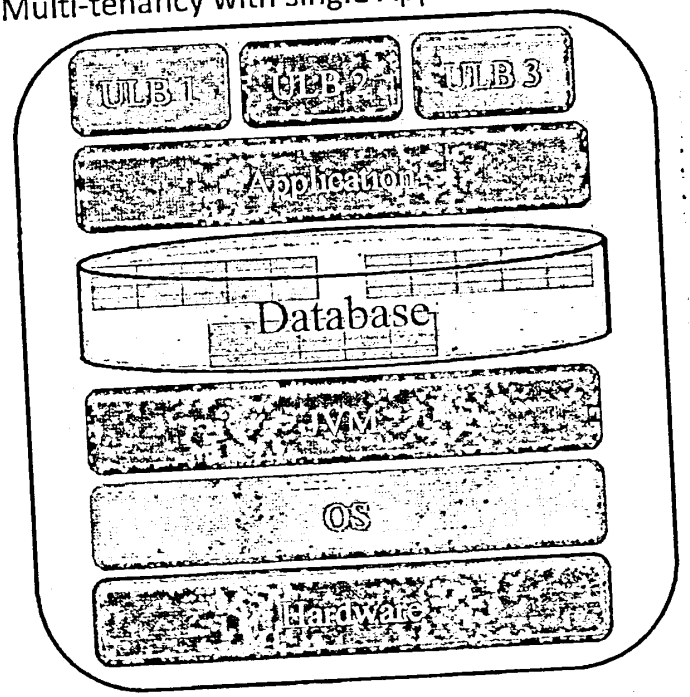
tenant with the correct database and database security prevents any tenant from accessing other tenants' data. This solution has the following major benefits:

- Reduce the application implementation and maintenance efforts
- Efficient usage of available computing resources
- Enforcement of uniform business processes across the multiple tenants.

This multi-tenant architecture can be taken advantage of by adopt the application for which each module is considered as a universal Logical builders (ULBs) and can talk with each other In this architecture each ULB will get its own data and configuration to cater to its specific needs.

This following is the proposed multi tenancy with single instance for the proposed application.

Multi-tenancy with single Application Instance



Universal Data Model:

An industry standard Universal Data Model will be extended to store all the application modules data. This flexible data model is designed to provide a highly normalized database design that allows for efficient data storage as well as enforcing data integrity across all application modules. The extensible data model design will also make it easy to add new application modules as and when needs arise.

Taking the business considerations and technical requirements into account, the following high level architecture of the proposed Architecture in Layered View

EPIC AADHAAR Seeding Framework was developed using industry standard open source J2EE framework which includes the service oriented architecture. It allows to exchange the information as services and which would be easily customizable to the end users requirements

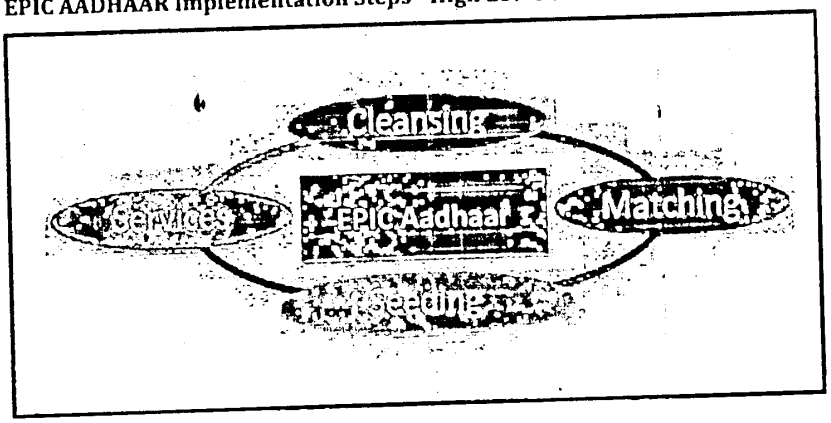
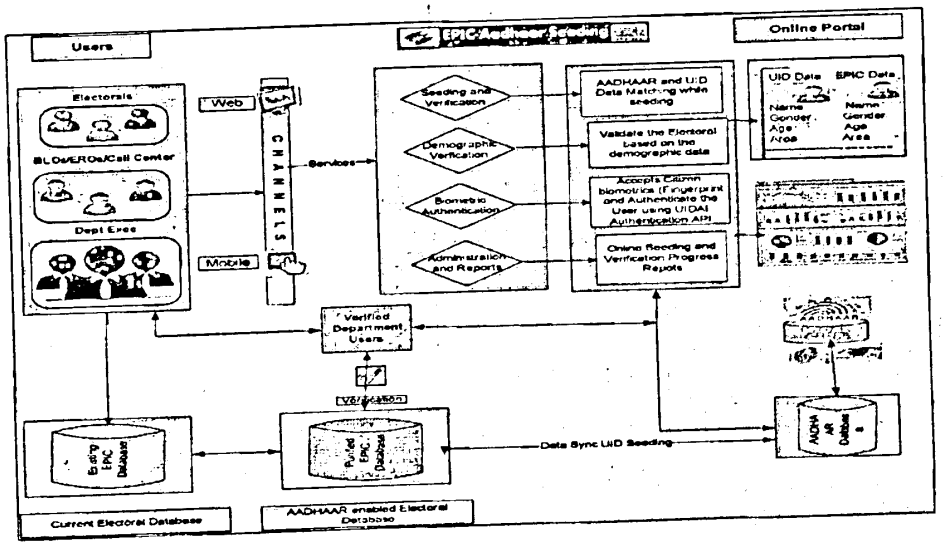
Section II - Solution Steps

This section talks about the solution implementation details using the EPIC AADHAAR Framework to Election Department to seed the AADHAAR against the EPIC Database

EPIC AADHAAR Implementation Steps - High Level View



EPIC AADHAAR Seeding Solution Process flow



1. CLEANSING

Data cleansing is the process the cleaning the EPIC data and converting them into the e-Governance Standards to get the accurate and realistic matches. It includes the following steps

i. **Data Collection**

Data collection is the process of accessing the data from the any backend data repository. The data collection interfaces allows to connect the any data repository either offline or online mode and access the data

ii. **Data Migration & Filtration**

Data migration is the process of converting the data into the e-Governance formats

Eg : If suppose the existing department capture the first name and last name in separate fields as part of electoral name merge it to the single name

Date format – Age to DD/MM/YYYY format etc

Filtrations is the process of identify the required fields for the matching solution after migration

2. **Generate Data Availability Report**

The solution would generate the data availability reports which helps to provide the weightages to the fields while calculating the matching scores for the department data

Eg : Name - String – Null Values & Special Characters

MATCHING

EPIC-AADHAAR matching solution compares the Election department demographic fields Vs UID captured demographic fields and calculates the matching scores in % based on the matched demographic fields to avoid the manual entry of the AADHAAR number against the Electoral as part of the Seeding

Following are the matching solution steps

1. **Study the Demographic Data**

First step is to study the EPIC department shared demographic fields and generate the data availability and accuracy reports

2. Identify the Matching Fields

Following are the identified demographic fields used for calculating the matching scores for EPIC Data

S.No	UID Data - Fields	EPIC Data - Fields
1	Citizen Name	Electoral Name
2	Care of Name	Father Name/Mother Name/Care of Name
3	Gender	Gender
	Age/Date of Birth	Age/Date of Birth
4	Door Number/Flat Number	Door Number/Flat Number
5	Area/Locality	Area/Village/Locality/ Polling Center name
6	Town/City/Village	Polling Center/Area/Village/Block/Town
7	District	District
8	AADHAAR Photograph	EPIC Photograph

3. Customize the matching algorithms based on data availability and accuracy

Following are the high level matching algorithms can be used and are customized to suit the requirements of the department based on available demographic data and accuracy levels

A. Soundex Algorithm

Soundex is a phonetic algorithm for indexing names by sound, as pronounced in English. The goal is for homophones to be encoded to the same representation so that they can be matched despite minor differences in spelling.

This algorithm is customized to suit the Indian naming conventions and it can handle most of the possible scenarios while identify the matches as well as for calculating the matching scores

Ex: The words "siva" and "shiva" are spelled phonetically same

B. Levenstein distance algorithm

Levenshtein distance is a string metric for measuring the difference between two sequences

Ex: The levenstein distance for the strings "siva" and "shiva" is '1'

C. Short and Long Name algorithm

This algorithm designed for comparing short string and long strings.

Ex: "S Krishna" and "Siva Krishna"

D. String shuffling algorithm

Shuffled strings are same in this case.

Ex: "Siva Krishna "and "Krishna Siva"

4. Calculate the Matching Scores

The matching scores would be calculated based on match's accuracy level and weightages given accordingly. The matching scores can be calculated based on following scenarios as per the matching field values.

a. Strings (Names)
    i. Based on the matching characters
b. Numerical Values (Data of Birth)
    i. Based on the time period (Month/Year)
c. Area
    i. With in/Out of Village/Polling Center
    ii. With in/Out of Block
    iii. With in/Out of District

5. Aggregate the matches and group them into different buckets

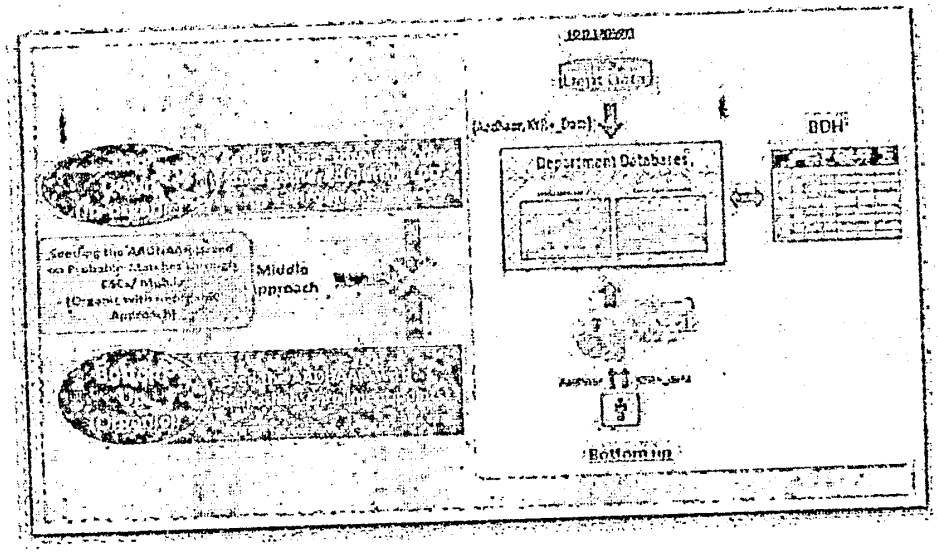
EPIC Matching aggregate the matches into 5 buckets based on the matching scores

1. 100% Matching

2. 99 – 85% matches
3. 85- 70% matches
4. 70 – 50% matches
5. < 50% matches (Name matches (Electoral Vs UID name)

3. SEEDING

AADHAAR Number Seeding is the process of placing AADHAAR number against Electoral. It can be achieved through online or offline mode. Following are proposed methodologies adapted to seed UID Numbers into EPIC database.



A. **In-Organic Seeding:** In-organic seeding is a method by which EPIC department demographic fields are compared with the equivalent fields in UID KYR database and generate the matching score based on accuracy level. For One-One matches would be automatically seeded into the EPIC database. One to many matches can be seeded by the departments based field verification feedback.

B. **Organic Seeding:** Organic seeding is a method which allows seeding the Electoral UID Number in to the department's databases in Electoral presence where the BLO/ERO voluntarily reached to the Electoral and seed the AADHAAR based on the AADHAAR letter.

C. **Organic seeding through In-organic Approach:** Apart from the above approaches proposes solution supports organic seeding through In-organic approach by providing the region wise probable electoral matched records for a given UID Number which would help to speed up the seeding process and to avoid

the manual UID Number entry by seeing the demographic data along with photograph on both the ends.

Following are the different seeding approaches to seed the AADHAAR against the Electors as part of de-duplication of Electors.

Self-Seeding - Online through EPIC AADHAAR Seeding portal with OTP - Organic Method

Individual Electors can seed the EPIC Number with Aadhaar number using the online portal through the OTP received on the given mobile number.

Portal Seeding - Online using EPIC AADHAAR Seeding Portal – Both Organic and In-Organic methods

AADHAAR seeding can be done through online EPIC AADHAAR seeding portal using following three approaches

In-organic seeding: Inorganic Seeding can be done directly through portal based on the provided matches by verifying the Voter Card and Aadhaar photos and demographic data in the portal.

Organic seeding : Organic Seeding can be done by entering Aadhaar number against the Voter Card Number and seed the aadhaar or provide the feedback after verifing the EPIC and Aadhaar photos and demographic data in the portal

Self-Seeding – Electors seed the EPIC Number with Aadhaar number using the online portal through the OTP received on the given mobile number.

Mobile Seeding - Online through mobile – Organic Approach

Mobile seeding approach will allow to seed the Voters against Aadhaar number through mobile by the executive using the mobile APP loaded on your mobile similar to

portal.After capturing the required information through mobileapplication seeds the Aadhaar against Voter Card number and updated on the portal automatically.

SMS based Seeding - through SMS – Organic Approach

Electorals are expected to send a SMS containing the Aadhaar number and Voter Card number. Ex : SEEDEPIC [space] [EPIC No] [space] [Aadhaar No] is sent to a number 08970499899 (illustrative only). The application at the backend validate and seeds the Aadhaar number against Voter Card number automatically.

Call Center Seeding - Online through Toll free Call Centre number – 1950

Electoral are expected to make a phone call to Call Center executives and give his/her Voter Card number with Aadhaar number .Upon receiving the details from Electorals and Operators can seeds the aadhaar online through portal.

4. **SERVICES**

EPIC AADHAAR seeding solution provides following additional verification and validation services which facilitate the election department to seed the correct AADHAAAR against the Electoral. The services includes

a. **Reporting Services through online portal**
   i. User Management
   ii. Online dynamic electors and matching PDFs for field verification
   iii. Seeding Progress Reports
   iv. Verification progress Reports
   v. Reports based on the time interval/Area
   vi. Reports based on user levels

b. **Demographic and biometric Verification Services**

Once the AADHAAR number is seeded against the Electoral and this can be validated based on the demographic data using offline or online mode with UDIAI Authentication service. The demographic verification based on

i. Name

ii. Gender

iii. Date of Birth

In addition to this the application can also facilitate the seeded beneficiaries with biometric authentication services as part validation and verification services using AADHAAR Authentication services

c. Fraudulent Data identification (Duplicates/Dead/Migrated etc)

- The application generate the fraudulent electors reports online

d. Training & Support

Provides the technical assistance and training to the Election department project stakeholders on need basis

1 INTRODUCTION

Election commission of India, Andhra Pradesh & Telangana State initiated the process of cleaning the EPIC Card holders database by removing fraudulent (Duplicated, Bogus, Ineligible) voter Card holders and seeding the AADHAAR number against the EPIC IDs.

As part of this process Election Commission of India Andhra Pradesh & Telangana States developed the online portal called **"EPIC Seeding portal"** which allows the application users to seed the AADHAAR number againt the EPIC Card.

1.1 SCOPE

This document guides the Booth Level Officers (BLOs) and Electoral Registration Officers (EROs) to seed the AADHAAR number against the EPIC ID through EPIC Seeding Portal

1.2 ACTIVITIES

This activity can be performed by the BLOs and EROs

1. **Booth Level Officers - BLOs**
    a. BLOs are the officers who can download the PDFs and verify them online or collect it from the field based on the generated PDFs and seed the AADHAAR number against the EPIC ID through portal
2. **Electoral Registration Officers - EROs/AEROs**
    a. EROs are the verification officers for the seeded data either they can **Approve** or **Reject** the BLOs verified and seeded records

1.3 SEEDING BY BLOS

Seeding is the process of placing the AADHAAR number against the EPIC Number. This can be done by the BLOs either online through portal after capturing the AADHAAR numbers from the field against the EPIC ID based on the Polling booth wise downloaded PDFs

1.3.1 HIGH LEVEL SEEDING STEPS

Following are the high level steps involved in the seeding process

1. Login to EPIC Seeding portal using the given credentials
2. Download the PDFs
3. Printout the PDF Copies

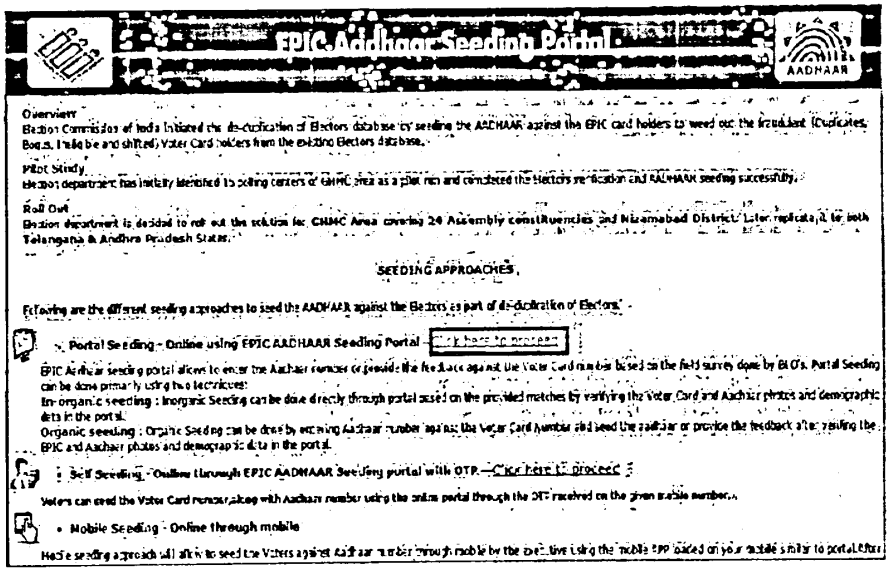
4. Collect, validate and enter the AADHAAR number if available or provide the feedback from the field against each EPIC ID
5. Enter the collected AADHAAR number or feedback against EPIC ID through EPIC Seeding portal

1.3.2 DETAILED SEEDING STEPS WITH SNAPSHOTS

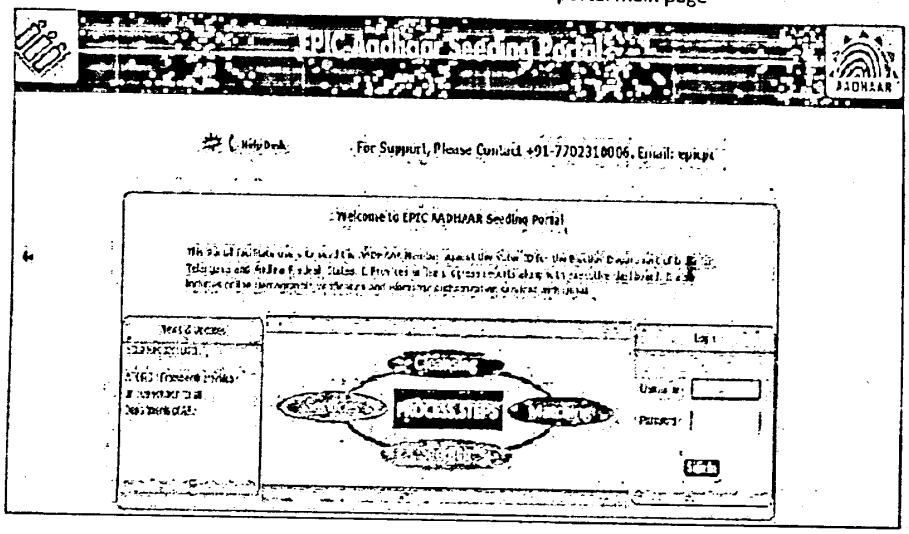
1.3.2.1 LOGIN TO EPIC SEEDING PORTAL

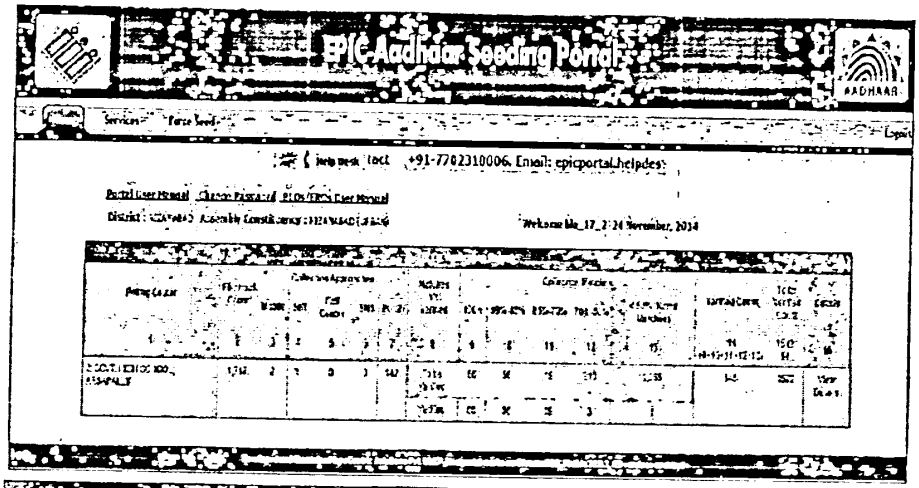
URL : http://164.100.132.184/epic

a. Type the above URL in the browser and login to the application with the given credentials



b. Click on the sign In button would launch the EPIC portal main page





1.3.2 DOWNLOAD THE PDFs

The generated PDFs are categorized mainly into two

1. Matched PDFs
    a. Matched PDFs are those which include the AADHAAR Information with photograph along with the matched EPIC ID details with photograph
    b. These Excels are categorized into 4 Slabs based on matching %
        i. 100% matching
        ii. 99-85% matching
        iii. 85-70% matching

iv. 70-50% matching

v. < 50% matching

2. Not Matched PDFs ,Total Electoral PDFs & All Matched PDFs

a. Non matched PDFs are those which don't find the matches and that includes the list of left out EPIC Card holders of the polling station along with demographic data and photograph based on the house number

b. Total Electoral PDFs it finds all electors in polling station it is in telugu language

c. It contains all matched records like 100%,99-85%,85-70% & 70-50%

3. Seeded PDFs

a. Seeded PDFs provides the details of the BLOs verified Information against the Voter IDs

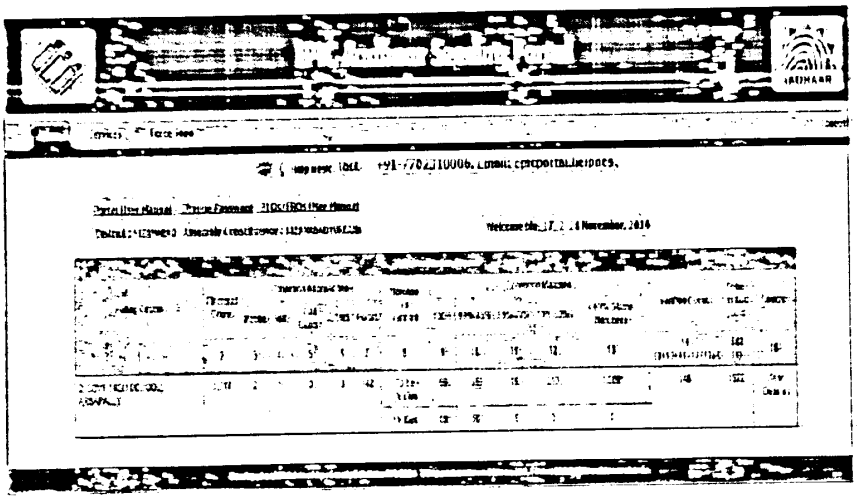
b. Seeded PDFs can be categorized into five types based seeding approach

i. Total Seeded – Total EPIC holders verified by the BLOs

ii. UID Seeded - Total EPIC holders details that are seeded with UIDs

iii. EID Seeded – Total EPIC holders seeded with EIDs

iv. Feedback – Total EPIC holders seeded with feedback like duplicates, Ineligible, Dead, Shifted, Not Enrolled etc



1.3.2.3 SCREEN NAVIGATION AND WORKFLOW

a. Click on the view details Link will launch the popup window would helps to download the PDFs for the polling station

4 VERIFICATION STEPS BY EROs/AEROs

Verification is the process of validation of seeded AADHAAR by BLOs against the EPIC ID is correct or not which can be done by the EROs. This can be done by the EROs online through portal. EROs can approve or reject the seeded AADHAAR or feedback given by BLOs. Once the EROs approved seeded records are only consider it as a final and seeded AADHAAR against the EPIC number.

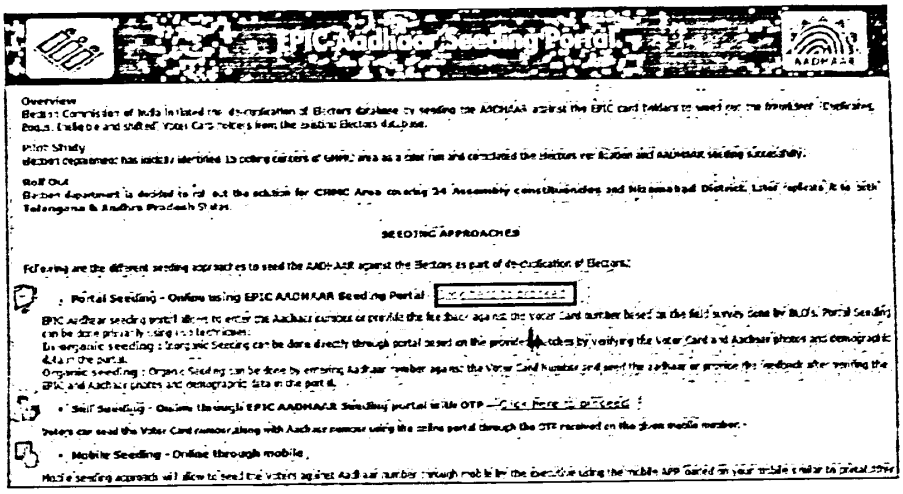
Following are the high level steps involved in the verification process

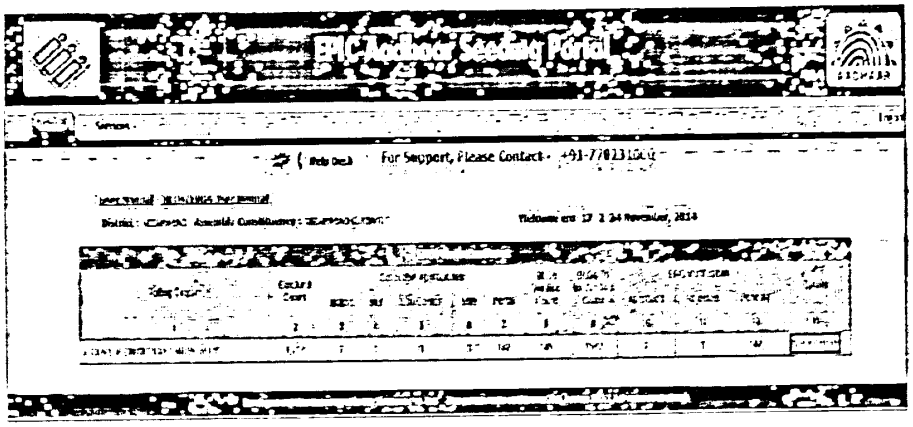
1. Login to EPIC Seeding portal using the given credentials
2. Click on the Demographic Verification column Success or Rejected Records
3. Approve or Reject the BLO seeded AADHAARs including feedback against the EPIC IDs .

4.1.1 LOGIN TO EPIC SEEDING PORTAL

URL : http://164.100.132.184/epic

a. Type the above URL in the browser and login to the application with the given credentials

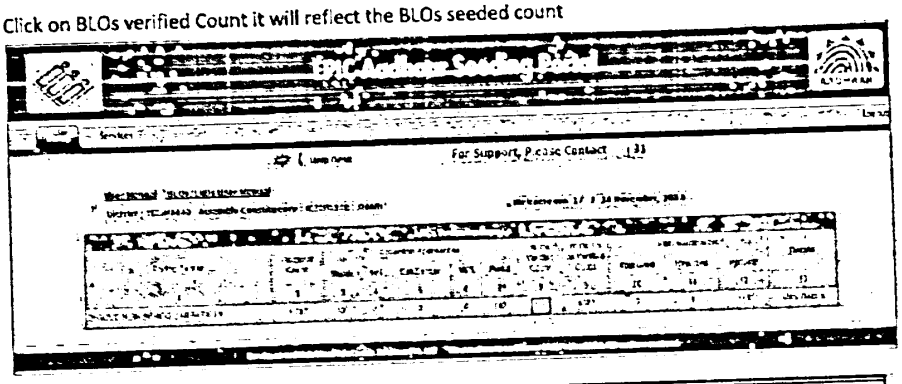


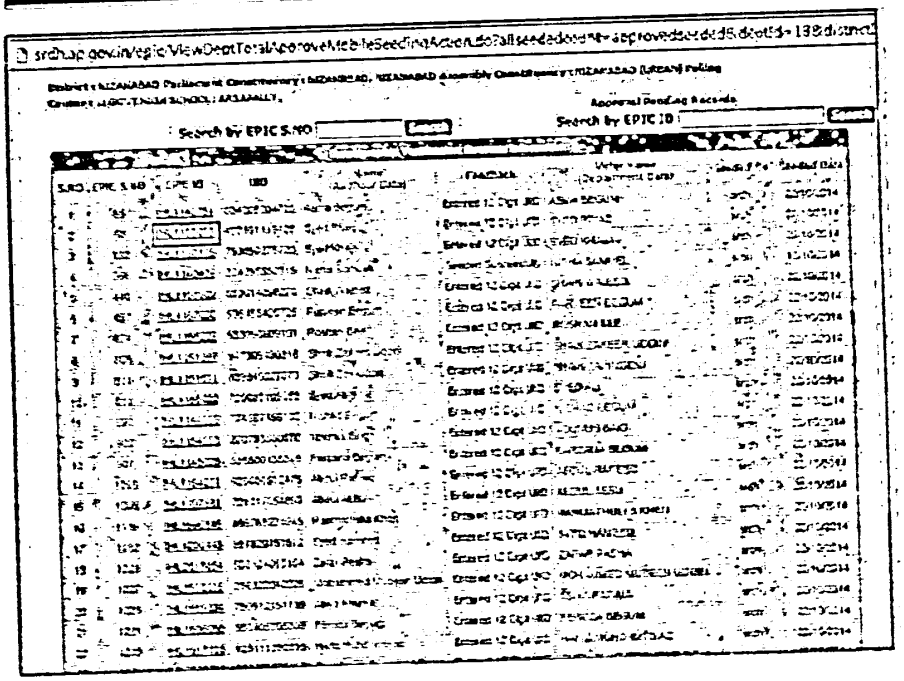


Click on the Hyperlink highlighted above would launch the Verification page of the Seeded Records

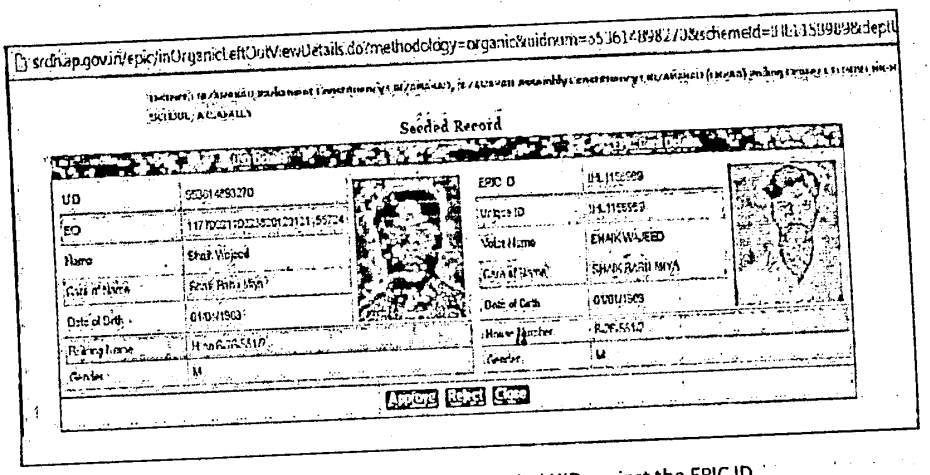
Verification in a sequence order as per the EPIC Sequence Number

Click on BLOs verified Count it will reflect the BLOs seeded count





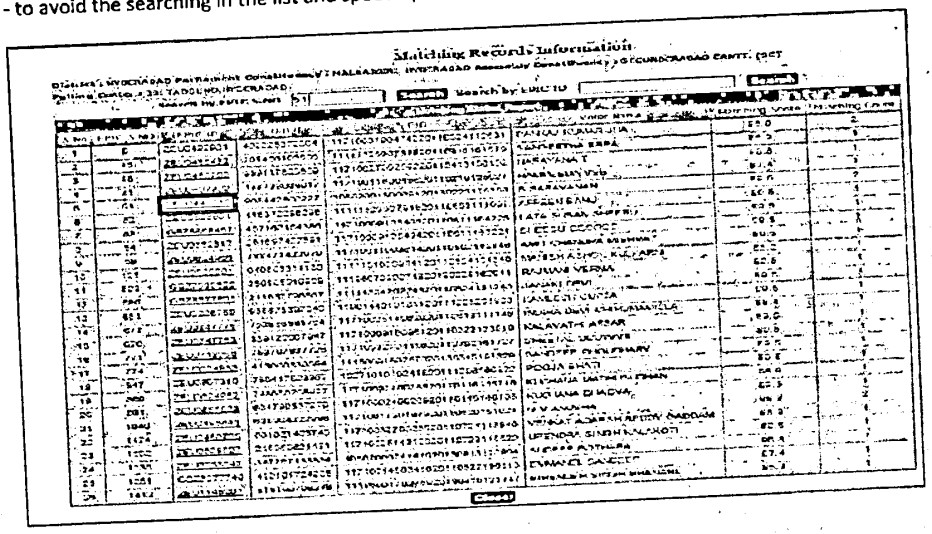
Click on the EPIC ID link highlighted in the box will launch the seeded Record. Validate the seeded Record with photo and demographic data and Click on the Approve/Reject Button



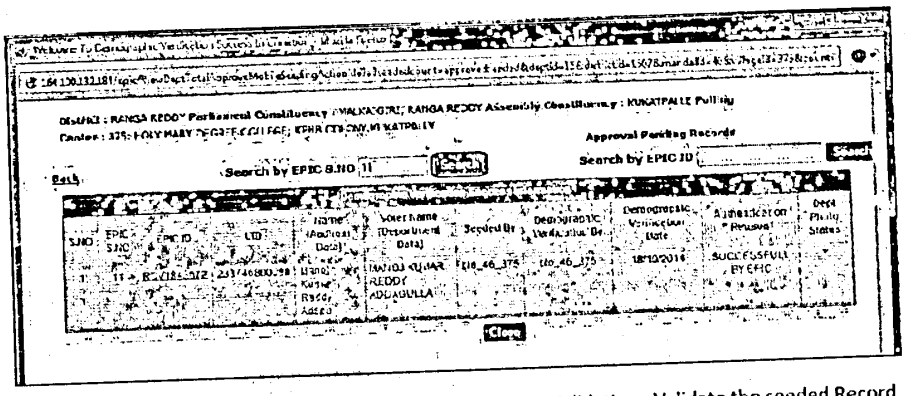
This would complete the verification process of the seeded UID against the EPIC ID

1.4.1.3 Option 2 - Filtering Based on EPIC Sequence Number

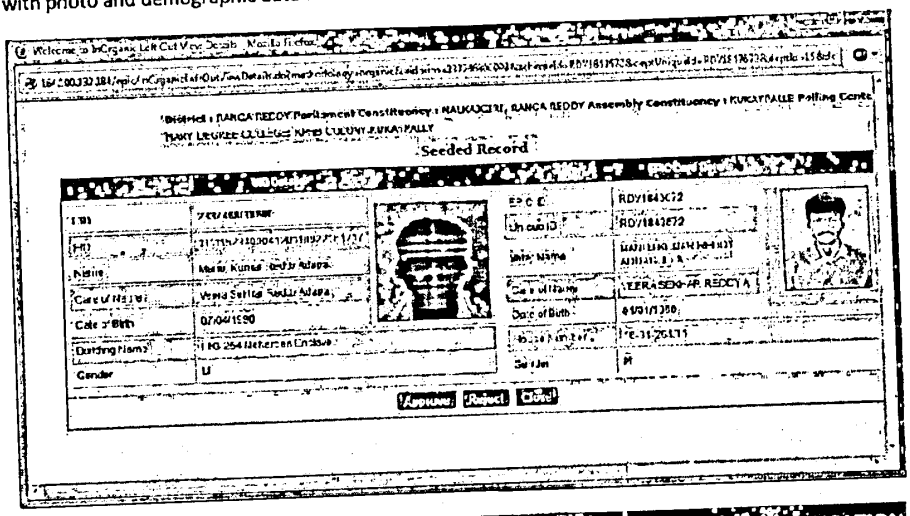
Filtering the Records for given EPIC Sequence number or EPIC ID and verify the Records accordingly - to avoid the searching in the list and speed up the verification process

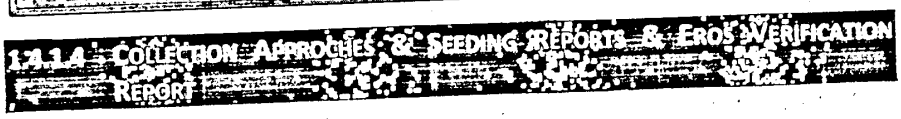


Launches the given EPIC Sequence Number page

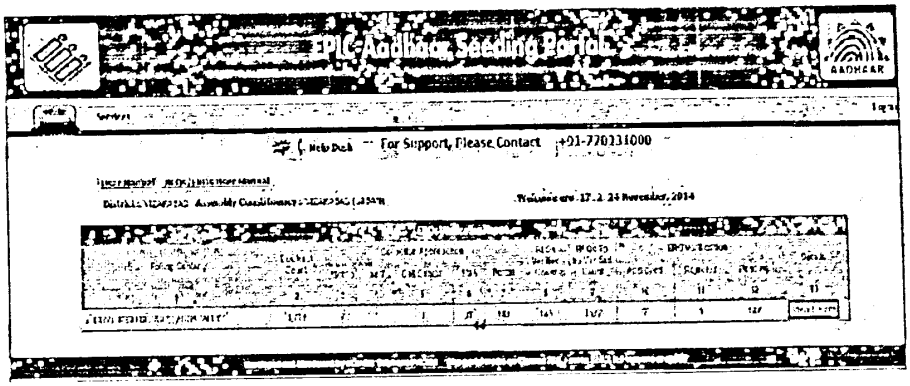


Click on the EPIC ID Link would launch the Seeded Record for Validation. Validate the seeded Record with photo and demographic data and Click on the Approve/Reject Button





Go to Home Page click on view details



Click on the View Details link would reflect the Collection Approaches, Seeding Reports & ERO verification report

Draft SOP - Purification of electoral rolls by Integration of UID -AADHAAR with Electoral Database

Introduction:

The Electoral Roll / EPIC database is having many multiple entries which need to be removed with proper authentication. Aadhaar seeding in electoral roll database is the fool proof method for removal of duplicates in electoral roll database.

Objective of the Project

- Purification of electoral roll by removing multiple entries / non-existent electors / ineligible electors
- Identification of unregistered eligible voters and achieving saturation of electoral rolls
- Make shifting of elector from one place to another place easier without creating duplicates
- Deletion of name from previous address at the time of registration at new place.

Requirements:

- Electoral Roll / EPIC database
- UID-Aadhaar database
- Software for seeding the Aadhaar number and finding matching entries in electoral roll database
- Software for identification and removal of multiple entries

Approach:

State Resident Data Hub (SRDH) is a comprehensive portal for managing demographic (name, gender, age, photograph and address) for facilitating "UniqueID" identity authentication. The demographic information in this portal is sourced from the UIDAI. It is intended to use the SRDH Portal and search engine for seeding UID (Aadhaar number) in the Electoral roll database.

Methodology

CEO Office will supply / share the Electoral Roll / EPIC database with the SRDH application. The application will match the electoral roll / EPIC entry with Aadhaar / Ration card / or any other departmental data with wider coverage of population above 18 years of age and seed the Aadhaar number in the Electoral Roll. For the 50% and above matched cases, they will incorporate the Aadhaar number against the elector in the pdf being provided to BLO/ERO for verification. For EPIC having less than 50% matching with UID, Aadhaar will not be incorporated against their EPIC number. The list shall be generated in pdf format polling booth-wise duly sorting as per house number as being done for the electoral roll. These lists shall be made available online in the EPIC-Aadhaar Seeding Portal and the same can be downloaded by the ERO using log-in credentials. The downloaded lists shall be printed and supplied to the AEROs / BLOs for field verification.

Procedure:

- In the matched cases (matching 50% and above) as well as in mismatched cases, the BLO has to go for door to door verification
- BLO shall verify the correctness of the Aadhaar number already incorporated in the list.
- Wherever the UID number is not available, the BLO has to collect the copy of Aadhaar Card from the elector or note down the Aadhaar number from the original card and mention in the report.
- In case, the elector is not available / shifted his residence, suitable remarks such as dead, shifted, door lock, duplicate shall be made by the BLO duly enquiring from the neighbours.
- In case of door lock cases or absence of any adult member at the time of his visit, BLO shall visit that house at least three times on different occasions during morning and evening hours, and not during day time. If even after three such visits, he finds the house locked or is not able to meet any adult member of the household, then he should paste a sticker on the door, which, inter-alia, should mention:

"I had come to verify your name in the electoral roll and to collect the Aadhaar number to link with the electoral roll, but you are not available. Please contact me .....(name)..... (Mobile No.) at ..... (Polling Station Address) on _____ between 10.00 a.m. to 5.00 p.m or upload your Aadhaar number by using any of the four following methods

Seeding through Portal

SMS

Call Center

Mobile app

- Even after three such visits and pasting of sticker, if the elector does not turn up, the BLO shall report the matter to his Supervisor with a specific remarks that the elector is not the ordinary resident of the address given / shifted / dead / duplicate.
- One Supervisor shall be appointed for every 10 to 15 BLOs.
- The Supervisor shall re-verify 25% of the electors again and report to the AERO / ERO.

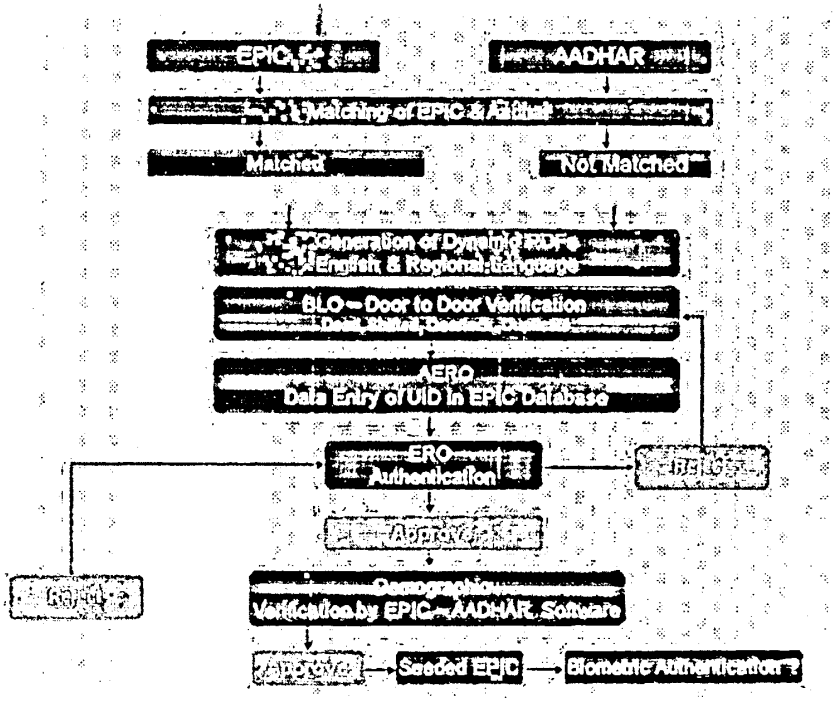
Action to be taken by the AERO /ERO:

- Computer Operator, Computer and internet connectivity shall be provided by the AERO for online data entry.
- Existing computers already provided for Permanent DPLs at each Mandal headquarter shall be utilized for the purpose
- Budget for Computer Operator and internet connectivity will be provided by the ECI.
- AERO should take up supervisory check to the extent of 1% of the entries. The entries checked by Supervisors and AERO should be different from each other i.e. they should not visit the same household again and again for verification.
- For the multiple/duplicate entries in the electoral rolls, notices should be issued to the electors under Section 22 of R.P.Act, 1950 and full procedure of verification of facts should be followed by placing on notice board for a week based on the physical verification reports of the BLOs etc.

- ERO should also prepare (under Rule 21A of RER, 1960) a list of the names of dead persons and the persons who may have ceased to be ordinarily residents of the constituency and of persons who are otherwise not entitled to be registered in the roll.
- ERO shall then exhibit on the notice board of his office a copy of the list together with a notice as to the time and place at which the question of deletion of these names from the roll would be considered. After considering any verbal or written objection that may be preferred, the Electoral Registration Officers shall decide whether all or any of the names should be deleted from the roll. But, before taking any decision in respect of any person on the ground that he has ceased to be or is not ordinarily resident in the constituency or is otherwise not entitled to be registered in that roll, the Electoral Registration Officer shall make every endeavor to give him a reasonable opportunity to show cause why the action proposed should not be taken in relation to him and conduct spot verification before taking final decision to delete the entries.
- After verifying following the above mentioned procedure, Aadhaar number shall be seeded by ERO in the EPIC database in respect of each elector.
- Once this seeding is completed, demographic verification will automatically run and rejected cases will again go to the respective Booth and will be visible in the BLO login and these need to be re-verified and submitted for seeding by BLO. If the re-submitted Aadhaar number is the same as seeded earlier then this seeding will not go to the demographic authentication and will be 'Force seeded' into the EPIC database.
- Once the entire Demographic authentication is completed, SRDH will run a de-duplication process over the entire State to find out the duplicates based on the following:
    - Same Aadhaar seeded against multiple EPICs
    - Since both the databases – EPIC and UID are having photos, the duplicates can be easily identified.

- Lists of duplicates will be generated based on the Aadhaar number incorporated in the electoral rolls and said lists will be made available to the EROs in pdf format for further verification.
- Such duplicates can be removed duly following the procedure already mentioned supra.

- The final product will be an electoral roll without multiple entries.



Requirements for establishing new system for seeding of Aadhaar and identification of multiple entries in EPIC database

Election Commission of India initiated the de-duplication of Electors database by seeding the AADHAAR against the EPIC card holders to weed out the fraudulent (Duplicates, Bogus, Ineligible and shifted) Voter Card holders from the existing Electors database in Andhra Pradesh and Telangana States.

This document talks about the EPIC Aadhaar seeding Framework solution developed to achieve the above task.

Pre-requisites for Replication in other States:

- Aadhaar generation should be more than 75%
- UIDAI to share Aadhaar demographic data along with photographs with the Seeker State SRDH / Nodal agency.
- Seeker State has already the AUA-ASA link with CIDR, UIDAI for demographic authentication.
- The EPIC Aadhaar Seeding Software developed for AP & TS will be deployed at the seeker State SDC/ EPIC data center.
- Webservices from the seeker state SRDH will be used by this software.
- Train the Trainers: Training can be provided to the seeker state identified officials - System Integrator, EPIC department officials by the CEO AP using the services of the application developer who is doing this work for AP and TS.

Hard ware:

The assessment will be made on the size of the database of the concerned state. However good exclusive Database server and application servers and required band width

Support: continuous technical support for training and modification of existing software as per concerned state requirement and call center support for field level users throughout the project till completion.

Section I - Technical Overview

This section talks about technical details of the EPIC AADHAAR seeding Framework solution

EPIC AADHAAR Seeding Solution Framework uses robust and highly scalable web-based enterprise solution architecture conforming to open standards that is developed using **Java Technologies** that serve as a unique platform to perform AADHAAR Seeding solution for Election Department.

This framework compromise of 3-tier architecture that includes a clear separation of presentation, business and data layers. The presentation tier uses a **model-view-controller (MVC)** framework that always for efficient code reuse as well provides for a clear separation of concerns. The business layer encapsulates the department specific business logic and workflow rules. The business tier architecture is designed to make it very easy to expose any business service as a public API (Application Programming Interface) for consumption by external applications. The data tier provides highly scalable database-agnostic architecture for data retrieval and storage in a relational database in both standard and Unicode format.

An industry standard Universal Data Model will be used to store all module data. This flexible data model is designed to provide a highly normalized database design that allows for efficient data storage as well as enforcing data integrity across all application modules. The extensible data model design will also make it easy to add new components and other external application modules as and when required.

Following diagrams depicts the application process steps with high level business components in the proposed MVC three tier Architecture.

Multi-Tenant Architecture

EPIC AADHAAR seeding Framework uses multi-tenant architecture of the solution allows for computing resources and application code to be generally shared between all the tenants but each tenant has its own data and configuration that remains logically isolated from data that belongs to all other tenants. A metadata layer correctly associates each tenant with the correct

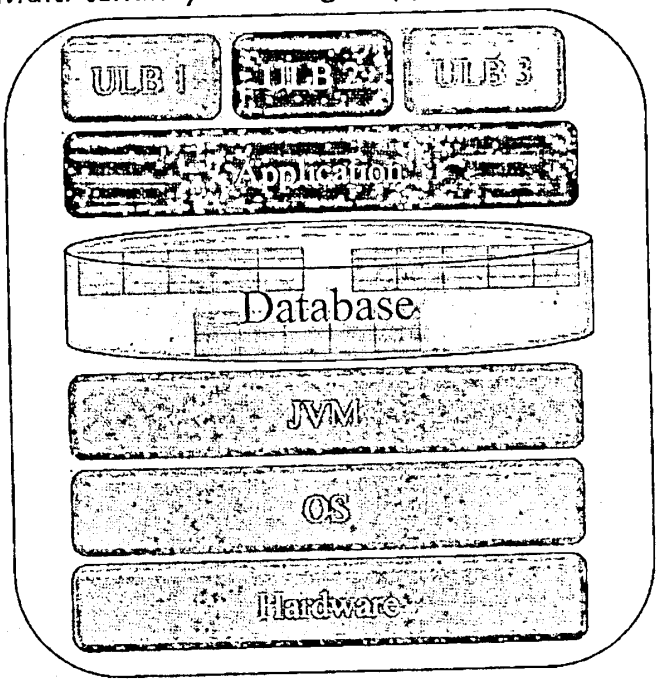
database and database security prevents any tenant from accessing other tenants' data. This solution has the following major benefits:

- Reduce the application implementation and maintenance efforts
- Efficient usage of available computing resources
- Enforcement of uniform business processes across the multiple tenants.

This multi-tenant architecture can be taken advantage of by adopt the application for which each module is considered as a universal Logical builders (ULBs) and can talk with each other In this architecture each ULB will get its own data and configuration to cater to its specific needs.

This following is the proposed multi tenancy with single instance for the proposed application.

Multi-tenancy with single Application Instance



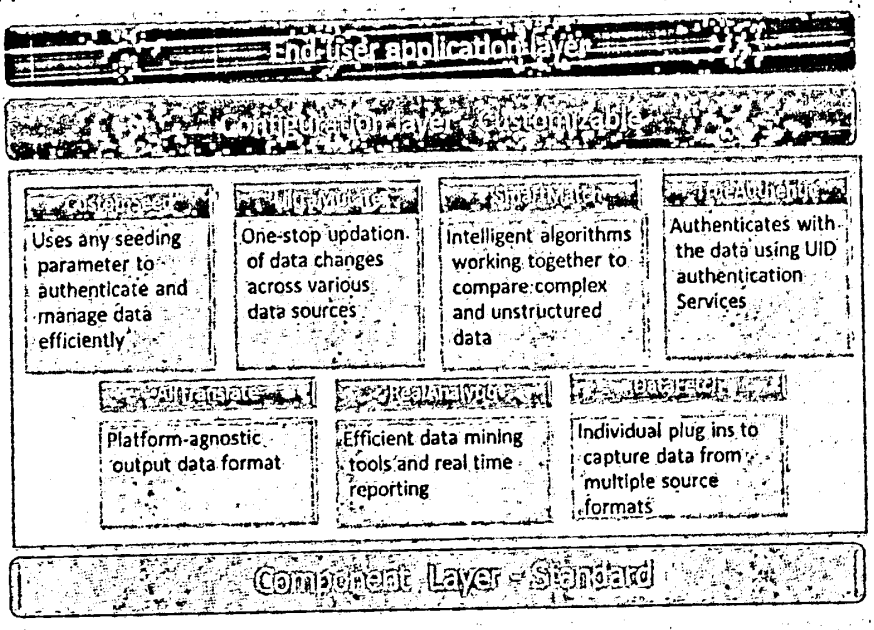
Universal Data Model:

An industry standard Universal Data Model will be extended to store all the application modules data. This flexible data model is designed to provide a highly normalized database design that allows for efficient data storage as well as enforcing data integrity across all application modules. The extensible data model design will also make it easy to add new application modules as and when needs arise.

Taking the business considerations and technical requirements into account, the following high level architecture of the proposed Architecture in Layered View

EPIC AADHAAR Seeding Framework was developed using industry standard open source J2EE framework which includes the service oriented architecture. It allows to exchange the information as services and which would be easily customizable to the end users requirements

Application Modules



Technical Tools and Software Components Stake

GUI	Interfacing with users Rich UI	Ajax, HTML5, JavaScript, CSS, UI Widget Toolkits	Good fit for Rich UI and wireframes
Business Layer	**Application Server /Business Components**	**Struts/MVC/Tomcat 8.0.9**	**Leading open source application server**
Web Services	Data Exchange Interfaces	AXIS 2 – SAX and DOM	Leading open source Framework for developing web services for data exchange
Data Access Layer	Persistence	Entity Engine using Hibernate and JDBC	Database independent access layer

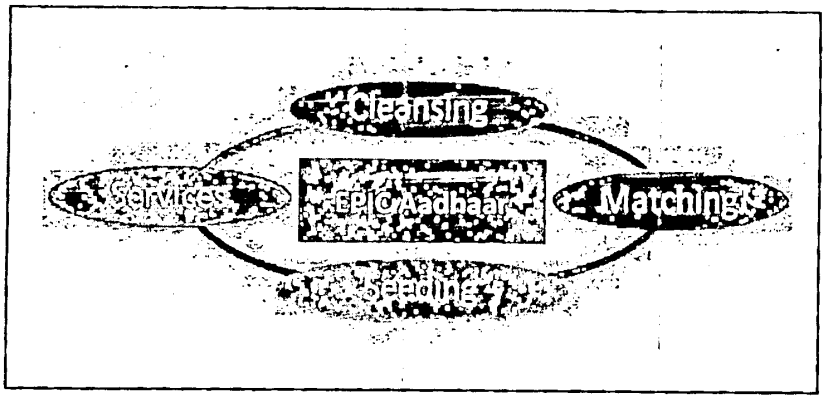
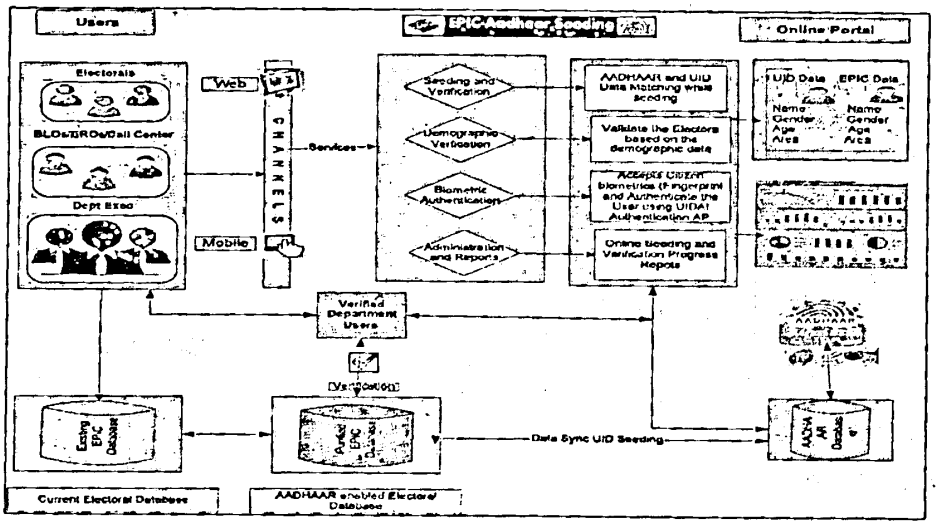
Section II – Process

This section talks about the solution implementation details using the EPIC AADHAAR Framework to Election Department to seed the AADHAAR against the EPIC Database

EPIC AADHAAR Implementation Steps - High Level View



EPIC AADHAAR Seeding Process flow



1. CLEANSING

Data cleansing is the process the cleaning the EPIC data and converting them into the e-Governance Standards to get the accurate and realistic matches. It includes the following steps

i. Data Collection

Data collection is the process of accessing the data from the any backend data repository. The data collection interfaces allows to connect the any data repository either offline or online mode and access the data

ii. Data Migration & Filtration

Data migration is the process of converting the data into the e-Governance formats

Eg : If suppose the existing department capture the first name and last name in separate fields as part of electoral name merge it to the single name

Date format – Age to DD/MM/YYYY format etc

Filtrations is the process of identify the required fields for the matching solution after migration

2. Generate Data Availability Report

The solution would generate the data availability reports which helps to provide the weightages to the fields while calculating the matching scores for the department data

Eg : Name - String – Null Values & Special Characters

MATCHING

EPIC-AADHAAR matching solution compares the Election department demographic fields Vs UID captured demographic fields and calculates the matching scores in % based on the matched demographic fields to avoid the manual entry of the AADHAAR number against the Electoral as part of the Seeding

Following are the matching solution steps

1. **Study the Demographic Data**

First step is to study the EPIC department shared demographic fields and generate the data availability and accuracy reports

2. **Identify the Matching Fields**

Following are the identified demographic fields used for calculating the matching scores for EPIC Data

S.No	UID Data Fields	EPIC Data Fields
1	Citizen Name	Electoral Name
2	Care of Name	Father Name/Mother Name/Care of Name
3	Gender	Gender
	Age/Date of Birth	Age/Date of Birth
4	Door Number/Flat Number	Door Number/Flat Number
5	Area/Locality	Area/Village/Locality/ Polling Center name
6	Town/City/Village	Polling Center/Area/Village/Block/Town
7	District	District
8	AADHAAR Photograph	EPIC Photograph

3. **Customize the matching algorithms based on data availability and accuracy**

Following are the high level matching algorithms can be used and are customized to suit the requirements of the department based on available demographic data and accuracy levels

A. Soundex Algorithm

Soundex is a phonetic algorithm for indexing names by sound, as pronounced in English. The goal is for homophones to be encoded to the same representation so that they can be matched despite minor differences in spelling.

This algorithm is customized to suit the Indian naming conventions and it can handle most of the possible scenarios while identify the matches as well as for calculating the matching scores

Ex: The words "siva" and "shiva" are spelled phonetically same

B. Levenstein distance algorithm

Levenshtein distance is a string metric for measuring the difference between two sequences

Ex: The levenstein distance for the strings "siva" and "shiva" is '1'

C. Short and Long Name algorithm

This algorithm designed for comparing short string and long strings.

Ex: "S Krishna" and "Siva Krishna"

D. String shuffling algorithm

Shuffled strings are same in this case.

Ex: "Siva Krishna "and "Krishna Siva"

4. Calculate the Matching Scores

The matching scores would be calculated based on match's accuracy level and weightages given accordingly. The matching scores can be calculated based on following scenarios as per the matching field values.

a. Strings (Names)
   i. Based on the matching characters
b. Numerical Values (Data of Birth)
   i. Based on the time period (Month/Year)
c. Area
   i. With in/Out of Village/Polling Center
   ii. With in/Out of Block
   iii. With in/Out of District

5. Aggregate the matches and group them into different buckets

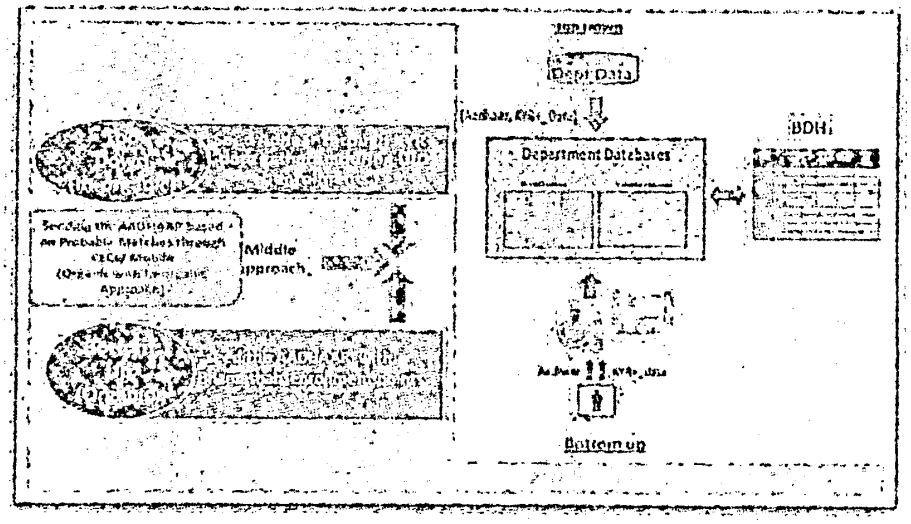
EPIC Matching aggregate the matches into 5 buckets based on the matching scores

1. 100% Matching

2. 99 – 85% matches
3. 85- 70% matches
4. 70 – 50% matches
5. < 50% matches (Name matches (Electoral Vs UID name)

SEEDING

AADHAAR Number Seeding is the process of placing AADHAAR number against Electoral. It can be achieved through online or offline mode, Following are proposed methodologies adapted to seed UID Numbers into EPIC database.



A. **In-Organic Seeding:** In-organic seeding is a method by which EPIC department demographic fields are compared with the equivalent fields in UID KYR database and generate the matching score based on accuracy level. For One-One matches would be automatically seeded into the EPIC database. One to many matches can be seeded by the departments based field verification feedback.

B. **Organic Seeding:** Organic seeding is a method which allows seeding the Electoral UID Number in to the department's databases in Electoral

presence where the BLO/ERO voluntarily reached to the Electoral and seed the AADHAAR based on the AADHAAR letter.

C. **Organic seeding through In-organic Approach:** Apart from the above approaches proposes solution supports organic seeding through In-organic approach by providing the region wise probable electoral matched records for a given UID Number which would help to speed up the seeding process and to avoid the manual UID Number entry by seeing the demographic data along with photograph on both the ends.

Following are the different seeding approaches to seed the AADHAAR against the Electors as part of de-duplication of Electors.

Self-Seeding - Online through EPIC AADHAAR Seeding portal with OTP - Organic Method

Individual Electors can seed the EPIC Number with Aadhaar number using the online portal through the OTP received on the given mobile number.

Portal Seeding - Online using EPIC AADHAAR Seeding Portal – Both Organic and In-Organic methods

AADHAAR seeding can be done through online EPIC AADHAAR seeding portal using following three approaches

In-organic seeding: Inorganic Seeding can be done directly through portal based on the provided matches by verifying the Voter Card and Aadhaar photos and demographic data in the portal.

Organic seeding : Organic Seeding can be done by entering Aadhaar number against the Voter Card Number and seed the aadhaar or provide the feedback after verifing the EPIC and Aadhaar photos and demographic data in the portal

Self-Seeding – Electors seed the EPIC Number with Aadhaar number using the online portal through the OTP received on the given mobile number.

Mobile Seeding - Online through mobile – Organic Approach

Mobile seeding approach will allow to seed the Voters against Aadhaar number through mobile by the executive using the mobile APP loaded on your mobile similar to portal.After capturing the required information through mobileapplication seeds the Aadhaar against Voter Card number and updated on the portal automatically.

SMS based Seeding - through SMS – Organic Approach

Electorals are expected to send a SMS containing the Aadhaar number and Voter Card number. Ex : SEEDEPIC [space] [EPIC No] [space] [Aadhaar No] is sent to a number 08970499899 (illustrative only). The application at the backend validate and seeds the Aadhaar number against Voter Card number automatically.

Call Center Seeding - Online through Toll free Call Centre number – 1950

Electoral are expected to make a phone call to Call Center executives and give his/her Voter Card number with Aadhaar number .Upon receiving the details from Electors and Operators can seeds the aadhaar online through portal.

3. SERVICES

EPIC AADHAAR seeding solution provides following additional verification and validation services which facilitate the election department to seed the correct AADHAAAR against the Electoral. The services includes

a. **Reporting Services through online portal**
    i. User Management
    ii. Online dynamic electors and matching PDFs for field verification
    iii. Seeding Progress Reports

iv. Verification progress Reports

v. Reports based on the time interval/Area

vi. Reports based on user levels

b. Demographic and biometric Verification Services

Once the AADHAAR number is seeded against the Electoral and this can be validated based on the demographic data using offline or online mode with UDIAI Authentication service. The demographic verification based on

i. Name

ii. Gender

iii. Date of Birth

In addition to this the application can also facilitate the seeded beneficiaries with biometric authentication services as part validation and verification services using AADHAAR Authentication services

c. Fraudulent Data identification (Duplicates/Dead/Migrated etc)

The application generate the fraudulent electors reports online

d. Training & Support

Provides the technical assistance and training to the Election department project stakeholders on need basis
